<p>Conditions to Closing</p> <p><i>FED. R. BANKR. P. 4001(c)(1)(B)</i></p>	<p>The obligation of each Initial DIP Creditor to make Initial Term Loans and/or purchase Initial Notes, as applicable, on the Closing Date, shall be subject to satisfaction or written waiver by the Required DIP Creditors of customary conditions precedent, including, without limitation, the delivery of certain certificates, opinions, and agreements, the payment of certain fees and expenses, and the representation of certain facts, circumstances, and other conditions.</p> <p><i>See DIP Facility Agreement, § 4.01.</i></p>
<p>Covenants</p> <p><i>FED. R. BANKR. P. 4001(c)(1)(B)</i></p>	<p>The Company shall covenant and agree with each DIP Creditor that, for so long as the DIP Facility Agreement is in effect, it shall, as applicable, commit to taking or refraining from certain actions, including, without limitation, making available certain information to each DIP Creditor, complying with certain restrictions on the use of proceeds from the DIP Financing, abiding by certain laws, including, without limitation, environmental laws, meeting certain case milestones, and not engaging in transactions outside the ordinary course of business and/or other actions that would violate Article VI of the DIP Facility Agreement.</p> <p><i>See DIP Facility Agreement, Articles V, VI.</i></p>
<p>Fees, Expenses, and Additional Payments</p> <p><i>FED. R. BANKR. P. 4001(c)(1)(B)</i></p> <p><i>Complex Case Procedures, Art. VI(14)(c)(xii)</i></p>	<p>The Company shall, subject to entry of the Interim Order, pay certain customary fees and expenses, including, without limitation, the reasonable and documented fees of advisors to, among others, the DIP Secured Parties, the Backstop Premium, the Break Premium, the Exit Premium, the Undrawn Commitment Premium, and the Upfront Premium.</p> <p><i>See DIP Facility Agreement §§ 1.01, 2.05, 2.19(g), 9.05(a).</i></p> <p><i>Justification:</i> The Debtors respectfully submit that the Fees and Premiums—which were heavily negotiated in good faith and at arm’s length with the DIP Secured Parties—are an integral component of the DIP Facility Agreement, without which the DIP Secured Parties would not have agreed to provide the DIP Financing. The Debtors respectfully submit, moreover, that such fees and premiums are customary and</p>

	<p>consistent with debtor-in-possession financings in other large and complex chapter 11 cases, particularly with postpetition facilities of this size.</p>
<p>Prepayments <i>FED. R. BANKR. P. 4001(c)(1)(B)</i> <i>Complex Case Procedures, Art. VI(14)(xiii)</i></p>	<p>The Company (i) may voluntarily prepay any Borrowing, either in whole or in part by providing a Prepayment Notice, at any time and from time to time, and (ii) not later than the fifth Business Day following receipt by the Company or any Restricted Subsidiary, must prepay the Net Cash Proceeds in respect of, among other things, any Asset Sale, the issuance or incurrence of Indebtedness for money borrowed, or any Casualty Event Receipt. Mandatory Prepayments shall be applied ratably to all then-outstanding Loans and Notes.</p> <p><i>See DIP Facility Agreement §§ 2.12, 2.13, 2.19(g).</i></p> <p><i>Justification:</i> The Debtors respectfully submit that the prepayment provisions under the DIP Facility Agreement are narrowly tailored and an integral component of the DIP Facility Agreement, without which the DIP Secured Parties would not have agreed to provide the DIP Financing. The Debtors respectfully submit, moreover, that analogous provisions are customary and consistent with debtor-in-possession financings in other large and complex chapter 11 cases.</p>
<p>Determination Regarding Prepetition Claims <i>FED. R. BANKR. P. 4001(c)(1)(B)(iii)</i></p>	<p>The Debtors, in exchange for and as a material inducement to the Prepetition Secured Parties to consent to the Debtors’ access to the Cash Collateral, make a number of customary admissions, stipulations, and agreements, including, without limitation, that the Company’s obligations under each of the Prepetition Senior Secured Credit Agreement, 2026 Notes, Epes Green Bonds, and Bond Green Bonds constitute legal, valid, binding, and non-avoidable obligations, as applicable, of the Prepetition Borrowers, Prepetition Senior Secured Guarantors, 2026 Notes Issuers, 2026 Notes Guarantors, the Epes Green Bonds Guarantors, and the Bond Green Bonds Guarantors, that the Prepetition Secured Parties and the Prepetition Unsecured Notes Parties, as applicable, have not previously and do not presently control the properties or operations of the Debtors, and that no claims or causes of action are held by the Debtors or their estates against, or with respect to, the Prepetition Secured Parties, the Prepetition unsecured Notes Parties, the Ad Hoc Group, or any of their respective Representatives under or relating to any agreements by and among the Debtors, any Prepetition Secured Party, any Prepetition Unsecured Notes Party, or the Ad Hoc Group, as of the Petition Date, in each case.</p> <p><i>See Interim Order ¶ G.</i></p>

	<p>Debtors' estates, in all circumstances and for all purposes, until the expiration of the Challenge Period, absent the occurrence of certain intervening events.</p> <p>See Interim Order ¶¶ G, 18.</p> <p>Justification: The Debtors respectfully submit that these stipulations are an integral component of the Interim Order, without which the Prepetition Secured Parties would not have consented to the use of Cash Collateral and form an integral component of the broader financing package that includes the DIP Financing. The Debtors respectfully submit, moreover, that such stipulations remain subject to the Challenge Period and are otherwise customary and consistent with debtor-in-possession financings in other large and complex chapter 11 cases.</p>
<p>Waiver or Modification of the Automatic Stay</p> <p><i>FED. R. BANKR. P. 4001(c)(1)(B)(iv)</i></p>	<p>The automatic stay will terminate as against the DIP Agent upon the expiration of the Remedies Notice Period. <p>Waiver or Modification of Authority to File a Plan, Extend Time to File Plan, Request Use of Cash Collateral, or Request Authority to Obtain Credit</p> <p><i>FED. R. BANKR. <p>Waiver or Modification of Applicability of Non-Bankruptcy Law Relating to the Perfection or</p>	<p>No claim or lien having a priority senior to or <i>pari passu</i> with those granted by the Interim Order by the DIP Secured Parties or the Prepetition Secured Parties shall be permitted while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding.</p> <p>See Interim Order ¶ 15(a).</p>

<p>Releases, Waivers, or Limitation on any Claim or Cause of Action</p> <p><i>FED. R. BANKR. P. 4001(c)(1)(B)(viii)</i></p> <p><i>Complex Case Procedures, Art. VI(14)(c)(vi)</i></p>	<p>Subject to entry of the Final Order and the Challenge Period, all as is further described in paragraph 19 of the Interim Order, effective as of the date of entry of the Interim Order, each Debtor, on behalf of itself and its respective estate, on its own behalf and on behalf of its and their respective past, present, and future predecessors, successors, heirs, subsidiaries, and assigns, absolutely, unconditionally, and irrevocably release and forever discharge and acquit the Prepetition Secured Parties, the DIP Secured Parties (solely in their capacities as such and not in any other capacity), and each of their respective Representatives (collectively, the "Released Parties") from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, defenses, offsets, debts, accountants, contracts, liabilities, actions, and causes of action of any kind, nature, or description, whether matured or unmatured, known or unknown, asserted or unasserted, foreseen or unforeseen, accrued or unaccrued, suspected or unsuspected, liquidated or unliquidated, pending or threatened, arising in law or equity, upon contract or tort, under any state or federal law, or otherwise (collectively, the "Released Claims"), in each case, arising out of or related to (as applicable) the DIP Documents, the negotiation thereof, transactions contemplated thereby, or financial obligations owing or made thereunder, in each case, that the Debtors at any time had or now have, or that their predecessors, successors, or assigns at any time had or may have against any of the Released Parties for or by reason of any act, omission, matter, cause, or thing whatsoever arising at any time on or prior to the date of the Interim Order; <i>provided</i>, that the Released Claims shall not include any release of any claim or cause of action against any Released Party for such person's or such person's Representatives' willful misconduct, fraud, gross negligence, or bad faith, as well as any obligations under the DIP Documents or any rights or obligations arising under the RSA.</p> <p><i>See Interim Order ¶ 19.</i></p> <p>Justification: The Debtors respectfully submit that the releases in favor of the Prepetition Secured Parties and the DIP Secured Parties are an integral component of the Interim Order, without which the DIP Secured Parties would not have agreed to provide the DIP Financing and the Prepetition Secured Parties would not have consented to the use of Cash Collateral. The Debtors respectfully submit, moreover, that such releases are customary and consistent with debtor-in-possession financings in other large and complex chapter 11 cases.</p>
<p>Indemnification</p> <p><i>FED. R. BANKR. P. 4001(c)(1)(B)(ix)</i></p> <p><i>Complex Case Procedures, Art. VI(14)(c)(xvi)</i></p>	<p>The Prepetition Secured Parties and the DIP Secured Parties (solely in their capacities as such and not in any other capacity) have acted in good faith and without negligence, misconduct, or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting, or obtaining requisite approvals of the DIP Financing and the use of Cash Collateral, including in respect of the granting of the DIP Liens and the Adequate Protection Liens, any challenges or objections to the DIP Financing or the use of Cash Collateral, the DIP Documents, the equity participation election rights, and all other documents related to the DIP Financing. Accordingly, without limitation to any other right to indemnification, the Prepetition Secured Parties and DIP Secured Parties shall be indemnified to the extent set forth in the Prepetition Senior Secured Credit Documents and the DIP Documents, as applicable, including, without limitation, Section 9.05 of</p>

	<p>the DIP Facility Agreement and Section 9.05 of the Prepetition Senior Secured Credit Agreement; <i>provided</i>, that no such person will be indemnified for costs, expenses, or liabilities to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred solely by reason of the actual fraud, gross negligence, or willful misconduct of such person or their related persons. The Debtors agree that no exception or defense in contract, law, or equity exists as of the date of the Interim Order to any obligation set forth, as the case may be, in the DIP Documents or in the Prepetition Senior Secured Credit Documents to indemnify and/or hold harmless any DIP Secured Party or any Prepetition Secured Party, as the case may be, and any such defenses are accordingly waived. Notwithstanding anything to the contrary in the Interim Order, this provision shall not apply for the benefit of any person that, as of the Petition Date, is an insider of the Debtors except solely to the extent of such person’s capacity as a Prepetition Secured Party or a DIP Secured Party.</p> <p><i>See Interim Order ¶ 21.</i></p> <p><u>Justification:</u> The Debtors respectfully submit that the indemnification and reimbursement of expenses of the Prepetition Secured Parties and the DIP Secured Parties, as incorporated by the Interim Order, are an integral component of the DIP Facility Agreement without which the DIP Secured Parties would not have agreed to provide the DIP Financing and the Prepetition Secured Parties would not have consented to the use of Cash Collateral. The Debtors respectfully submit, moreover, that such provisions are customary and consistent with debtor-in-possession financings in other large and complex chapter 11 cases.</p>
<p>Section 506(c) Waiver <i>FED. R. BANKR. P. 4001(c)(1)(B)(x)</i> <i>Complex Case Procedures, Art. VI(14)(c)(xi)</i></p>	<p>Any and all payments or proceeds remitted to either the DIP Agent by, through, or on behalf of the DIP Secured Parties, or the Prepetition Agent by, through, or on behalf of the Prepetition Secured Parties, pursuant to the provisions of the DIP Documents or any subsequent order of the Court shall be irrevocable, received free and clear of any claim, charge, assessment, or other liability, including, without limitation, any such claim or charge arising out of or based on, directly or indirectly, section 506(c) or section 552(b) of the Bankruptcy Code, whether asserted or assessed by, through, or on behalf of the Debtors; <i>provided</i>, that the foregoing shall be without prejudice to any provisions of the Final Order. The Adequate Protection Liens, moreover, shall not be subject to section 506(c) of the Bankruptcy Code.</p> <p><i>See Interim Order ¶¶ 10, 14(a).</i></p> <p><u>Justification:</u> The Debtors, the Prepetition Secured Parties, and the DIP Secured Parties negotiated these waivers extensively and at arm’s length. The Debtors respectfully submit that these waivers are an integral component of the Interim Order, without which the DIP Secured Parties would not have agreed to provide the DIP Financing and the Prepetition Secured Parties would not have consented to the use of Cash Collateral. The Debtors respectfully submit, moreover, that such waivers are customary and consistent with debtor-in-possession financings in other large and complex chapter 11 cases.</p>
<p>Section 552(b) Waiver <i>FED. R. BANKR. P. 4001(c)(1)(B)</i></p>	<p>Any and all payments or proceeds remitted to either the DIP Agent by, through, or on behalf of the DIP Secured Parties, or the Prepetition Agent by, through, or on behalf of the Prepetition Secured Parties, pursuant to the provisions of the DIP Documents or any subsequent order of the Court shall be irrevocable, received free and clear of any claim,</p>

<p><i>Complex Case Procedures, Art. VI(14)(c)(xi)</i></p>	<p>charge, assessment, or other liability, including, without limitation, any such claim or charge arising out of or based on, directly or indirectly, section 506(c) or section 552(b) of the Bankruptcy Code, whether asserted or assessed by, through, or on behalf of the Debtors.</p> <p><i>See Interim Order ¶ 10.</i></p> <p><u>Justification:</u> The Debtors, the Prepetition Secured Parties, and the DIP Secured Parties negotiated these waivers extensively and at arm’s length. The Debtors respectfully submit that these waivers are an integral component of the Interim Order, without which the DIP Secured Parties would not have agreed to provide the DIP Financing and the Prepetition Secured Parties would not have consented to the use of Cash Collateral. The Debtors respectfully submit, moreover, that such waivers are customary and consistent with debtor-in-possession financings in other large and complex chapter 11 cases.</p>
<p>Tranche A Participation Election <i>FED. R. BANKR. P. 4001(c)(1)(B)</i></p>	<p>Any Acceptable Plan of Reorganization (or any other plan of reorganization in these chapter 11 cases that provides for equity to be issued pursuant to an equity rights offering or similar arrangement and/or through the equitization of claims) shall provide each DIP Creditor holding Tranche A Loans and/or Tranche A Notes with the right, exercisable prior to the disclosure statement hearing for such plan, and established by and conditioned upon the consummation of such plan (which consummation shall occur only following approval by the Court), to subscribe for the purchase of equity in the reorganized Debtors on the effective date of such plan at a price equivalent to the price established pursuant to the equity rights offering (or similar arrangement, as applicable), and subject to the same dilution terms as such equity rights offering shares, up to the principal amount of any Tranche A Loans and/or Tranche A Notes held by such DIP Creditor, and with the purchase price for such equity to be satisfied by offset against repayment of the applicable portion of the principal amount of such Tranche A Loans and/or Tranche A Notes.</p> <p><i>See Interim Order ¶ 31.</i></p>
<p>Cross-Collateralization or Cross-Default Provisions <i>Complex Case Procedures, Art. VI(14)(c)(ii)</i></p>	<p>The Interim Order does not provide for cross-collateralization, other than the Adequate Protection Liens, <i>i.e.</i>, replacement liens, for the benefit of the Prepetition Secured Parties.</p> <p><i>See Interim Order ¶ 13(a).</i></p> <p>The DIP Facility Agreement provides that an Event of Default shall occur if (a) the Company or any Restricted Subsidiary shall fail to pay any principal or interest, regardless of amount, due in respect of any Material Indebtedness (other than Prepetition Indebtedness), when and as the same shall become due and payable (after giving effect to all applicable grace or cure periods), or (b) any other event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (after giving effect to all applicable grace or cure periods) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption, or defeasance thereof, prior to its scheduled maturity; <i>provided</i>, that clause (b) shall not apply to (i) any Indebtedness incurred prior to the Petition Date, so long as the remedies under such Indebtedness are subject to the automatic stay applicable under section 362 of the Bankruptcy Code or (ii) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness or a casualty event or condemnation in relation thereto;</p>

	<p>See Interim Order ¶ 13(a); DIP Facility Agreement Article VII(f).</p> <p>Justification: To the extent applicable, the Debtors respectfully submit that the Adequate Protection Liens reflect customary practices in respect of the Bankruptcy Code’s requirement for adequate protection of prepetition interests in property. The Debtors respectfully submit, moreover, that the “cross-default” Event of Default contemplated by Article VII(f) of the DIP Facility Agreement appropriately balances the needs of the DIP Credit Parties, on the one hand, to ensure access to the DIP Facility, and the needs of the DIP Secured Parties, on the other, for protection during these chapter 11 cases.</p>
<p>Roll-Ups</p> <p><i>Complex Case Procedures, Art. VI(14)(c)(iii)</i></p>	<p>Neither the Interim Order nor the DIP Facility Agreement (including, without limitation, the Approved Budget) contemplates that proceeds of the DIP Loans and Notes will be used to make any payments in respect of any Prepetition Funded Debt, except in respect of the Adequate Protection Package. The Motion accordingly seeks no such relief.</p> <p>See Interim Order ¶ 13(a).</p> <p>Justification: N/A</p>
<p>Priming Liens</p> <p><i>Complex Case Procedures, Art. VI(14)(c)(viii)</i></p>	<p>The Motion does not contemplate the imposition of any liens pursuant to section 364(d)(1) of the Bankruptcy Code.</p> <p>Justification: N/A</p>
<p>Provisions Providing for the Amendment, Waiver, Consent, or Other Modification of Any Provisions of the Financing Documents without Further Approval of the Court</p> <p><i>Complex Case Procedures, Art. VI(14)(c)(xv)</i></p>	<p>The DIP Documents may, from time to time be amended, restated, amended and restated, supplemented, or otherwise modified, in each case, in accordance with the provisions of the DIP Documents governing amendments thereto, by the parties thereto, each without further application to or order of the Court; <i>provided</i>, that any amendment to the DIP Facility Agreement that (a) shortens the maturity of the DIP Loans and Notes, (b) increases the aggregate commitments thereunder, or (c) increases the rate of interest payable with respect thereto (each, a “Material DIP Amendment”) shall be provided (which may be by email) to the U.S. Trustee or any Creditors’ Committee, which shall have five business days from the date of such notice within which to object, in writing to the Material DIP Amendment. If the U.S. Trustee or any Creditors’ Committee timely objects to the Material DIP Amendment, the Material DIP Amendment shall only be permitted pursuant to an order of the Court. The foregoing shall be without prejudice to the Debtors’ right to seek approval from the Court of a Material DIP Amendment on an expedited basis. In the event any proposed amendment would materially impact the rights of the Prepetition Secured Parties or affect, in any way, Prepetition Collateral of the Prepetition Secured Parties, the consent of the Prepetition Required Lenders shall also be required.</p> <p>See Interim Order ¶ 34.</p> <p>Justification: The Debtors respectfully submit that the Interim Order balances the need for flexibility without undue administrative burden (and waste of judicial resources) with the need for oversight in respect of especially significant changes to the DIP Facility Agreement. The Debtors respectfully submit, moreover, that analogous procedures are customary and consistent with debtor-in-possession financings in other large and complex chapter 11 cases.</p>

<p>Provisions Providing for Credit Bid Rights in Any Sale of Collateral as Provided in Section 363(k) of the Bankruptcy Code without Further Approval of the Court</p> <p><i>Complex Case Procedures, Art. VI(14)(c)(xvii)</i></p>	<p>Subject to the lien priorities set forth in the Interim Order, (a) the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors), on behalf of itself and the other DIP Secured Parties, shall have the right to credit bid, in accordance with the DIP Documents, up to the full amount of the DIP Obligations in any sale of the DIP Collateral (or any portion thereof) and (b) the Prepetition Agent (acting at the direction of the Prepetition Required Lenders) shall have the right to credit bid up to the full amount of the Prepetition Senior Secured Debt in the sale of the applicable Prepetition Collateral (or any portion thereof), without the need for further Court order authorizing the same and whether any such sale is effectuated through section 363(k), 1123 or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise; <i>provided</i>, that (x) the DIP Obligations may not be credit bid in any disposition of any Prepetition Collateral unless such sale provides for indefeasible payment in full in cash of all Prepetition Senior Secured Debt, and (y) none of the Prepetition Senior Secured Debt may be credit bid in any disposition of any DIP Collateral that is not Prepetition Collateral unless such sale provides for the indefeasible payment in full in cash of all DIP Obligations and the termination of the DIP Commitments. Nothing in the Interim Order or the DIP Documents shall impair or adversely affect the right of the U.S. Trustee to object to any credit bid for cause under section 363(k) of the Bankruptcy Code.</p> <p>See Interim Order ¶ 29.</p> <p><i>Justification:</i> The Debtors respectfully submit that these rights to credit bid are an integral component of the Interim Order, without which the neither the DIP Secured Parties nor the Prepetition Secured Parties would have provided the DIP Financing or consented to the use of Cash Collateral, as applicable. The Debtors respectfully submit, moreover, that such procedures are otherwise customary and consistent with debtor-in-possession financings in other large and complex chapter 11 cases.</p>

i. *Prepetition Senior Secured Credit Facility*

11. In 2018, Enviva Inc. (in such capacity, the “*Prepetition Administrative Borrower*”) and Enviva, LP (in such capacity, the “*Prepetition Subsidiary Borrower*” and, together with the Prepetition Administrative Borrower, the “*Prepetition Borrowers*”) entered into a senior secured credit facility with Barclays Bank PLC serving as the administrative agent and collateral agent (solely in such capacities, and together with any successors thereto, the “*Prepetition Agent*”) and certain lenders party thereto (such lenders in such capacities, the “*Prepetition Secured Lenders*” and, together with the Prepetition Agent, the “*Prepetition Secured Parties*”). On January 17, 2024, Barclays Bank PLC resigned from its position as the Prepetition Agent. On February 16, 2024, Ankura Trust Company, LLC was appointed as replacement Prepetition Agent.

12. The terms of the credit facility are embodied within that certain *Amended and Restated Credit Agreement*, dated October 18, 2018 (as amended, restated, amended and restated, and otherwise modified from time to time, the “*Prepetition Senior Secured Credit Agreement*,” and collectively with the other “*Loan Documents*” (as defined in the Prepetition Senior Secured Credit Agreement) and any other agreements and documents executed or delivered in connection

therewith, each as may be amended, restated, amended and restated, and otherwise modified prior to the Petition Date, the “*Prepetition Senior Secured Credit Documents*”).

13. By the terms of the Prepetition Senior Secured Credit Agreement, the Prepetition Borrowers: (a) borrowed an aggregate principal amount of \$174 million in term loans (the “*Term Loans*”); (b) were authorized to borrow, from time to time, an aggregate outstanding principal amount of no more than \$525 million in revolving loans (the “*Revolving Loans*”); and (c) borrowed an aggregate principal amount of no more than \$105 million in certain incremental loans (the “*Incremental Loans*”). The obligations of the Prepetition Borrowers are guaranteed by the Prepetition Senior Secured Guarantors.⁵

14. Each subset of loans under the Prepetition Senior Secured Credit Agreement matures on the earliest to occur of (a) June 30, 2027, or (b) 90 days before the maturity of the 2026 Notes. The Company’s collective obligations under the Prepetition Senior Secured Credit Agreement are secured by substantially all of the assets of the Prepetition Loan Parties (such assets together, the “*Prepetition Collateral*”), with several exceptions discussed in greater detail below.

15. On September 28, 2023, the Company drew down all available Revolving Loans (approximately \$247.0 million) under the Prepetition Senior Secured Credit Agreement as a proactive measure to shore up liquidity as, among other things, Enviva sought to engage with contract counterparties, implement a business plan, and prepare to pursue the recapitalization process that eventually resulted in these chapter 11 cases (the “*September Draw*”). Over the next

⁵ The “*Prepetition Senior Secured Guarantors*” are Debtors Enviva GP, LLC, Enviva Partners Finance Corp., Enviva Aircraft Holdings Corp., Enviva Holdings GP, LLC, Enviva Holdings, LP, Enviva Shipping Holdings, LLC, Enviva Management Company, LLC, Enviva Development Finance Company, LLC, Enviva Pellets, LLC, Enviva Pellets Lucedale, LLC, Enviva Pellets Waycross, LLC, Enviva Port of Pascagoula, LLC, Enviva Energy Services, LLC, Enviva Pellets Greenwood, LLC, and Enviva Pellets Bond, LLC. The Prepetition Senior Secured Guarantors, collectively with the Prepetition Borrowers, are referred to herein as the “*Prepetition Loan Parties*.”

month—and in response to the loss of automatic clearinghouse capability in the Debtors’ principal bank account—Enviva moved substantially all the remaining proceeds of the September Draw to a new bank account held by Debtor Enviva MLP International Holdings, LLC.

16. As of the Petition Date, the Debtors owe approximately \$672.5 million in aggregate principal obligations under the Prepetition Senior Secured Credit Facility, which represents principal obligations arising from \$568.5 million in Revolving Loans and \$104.0 million in Term Loans (such indebtedness, the “*Prepetition Senior Secured Debt*”). As of the Petition Date, there are also \$1.4 million in aggregate principal amount of letter of credit commitments outstanding under the Prepetition Senior Secured Credit Facility. The Debtors intend to (a) cash collateralize these letters of credit, (b) replace such letters of credit with cash collateralized letters of credit provided by a new issuing bank to be determined, or (c) provide cash collateral directly to the holders of the Company’s obligations underlying such letters of credit during the course of these chapter 11 cases.

17. As holders of approximately 72% of the Prepetition Senior Secured Debt, the Ad Hoc Group has been able to provide consents of the lenders thereunder where a “*Required Lender*” vote under the Prepetition Senior Secured Credit Agreement is necessary, including with respect to certain prepetition forbearances, the Debtors’ proposed consensual use of cash collateral, adequate protection for the Prepetition Secured Parties, and certain other matters.

ii. *2026 Unsecured Notes*

18. On December 9, 2019 and December 12, 2019, Debtors Enviva and Enviva Partners Finance Corp. (together, the “*2026 Notes Issuers*”) issued \$550.0 million and \$50.0 million, respectively, in principal amount of senior unsecured notes with an aggregate principal of \$600.0 million and interest rate of 6.5%, due to be repaid on January 15, 2026. The terms of these

notes are governed by that certain *6.500% Senior Notes Due 2026 Indenture*, dated as of December 9, 2019 (as amended, restated, or otherwise modified or supplemented from time to time, the “**2026 Notes Indenture**”), which designated Wilmington Trust, N.A. as Trustee (solely in such capacity, and together with any successors thereto, the “**2026 Notes Trustee**”).⁶ On July 15, 2020, the 2026 Notes Issuers issued an additional \$150.0 million aggregate principal amount under the 2026 Notes Indenture (together with the notes issued on December 9, 2019 and December 12, 2019, the “**2026 Notes**”). The 2026 Notes are guaranteed by the 2026 Notes Guarantors.⁷

19. Under the terms of the 2026 Notes, the 2026 Notes Issuers are required to make semiannual interest payments in arrears on January 15 and July 15 of each year. Additionally, the 2026 Notes Issuers may elect to redeem all or a portion of the 2026 Notes at any time at the applicable redemption price, plus accrued and unpaid interest, if any, subject to the right of the relevant holders to receive any interest due prior to the redemption and, in some cases, an additional make-whole premium.

20. In January 2024, the Company elected to take advantage of its contractual 30-day grace period (the “**Grace Period**”) under the 2026 Notes Indenture and not make the semiannual interest payment of approximately \$24.4 million due January 16, 2024, to, among other things, enhance its short-term financial flexibility and preserve liquidity, as described in the Nunziata Declaration and in greater detail below. The Company’s entry into the Grace Period did not result

⁶ On March 1, 2023, Wilmington Trust, N.A. resigned from its position as the 2026 Notes Trustee, and Wilmington Savings Fund Society, FSB, was appointed as successor 2026 Notes Trustee.

⁷ The “**2026 Notes Guarantors**” are, collectively, Enviva GP, LLC, Enviva Holdings GP, LLC, Enviva Holdings, LP, Enviva Shipping Holdings, LLC, Enviva Management Company, LLC, Enviva Aircraft Holdings Corp., Enviva, LP, Enviva Development Finance Company, LLC, Enviva Pellets, LLC, Enviva Pellets Lucedale, LLC, Enviva Pellets Waycross, LLC, Enviva Port of Pascagoula, LLC, Enviva Energy Services, LLC, Enviva Pellets Greenwood, LLC, and Enviva Pellets Bond, LLC.

in a cross-default under the Prepetition Funded Debt. The Grace Period was further extended by forbearances executed with the Ad Hoc Group, and the requisite percentages of holders of indebtedness issued under the Prepetition Senior Secured Credit Agreement, the Epes Green Bonds, and the Bond Green Bonds.

iii. *Epes Green Bonds*

21. On July 15, 2022, the Industrial Development Authority of Sumter County, Alabama (the “*Epes Green Bonds Issuer*”) issued various Exempt Facilities Revenue Bonds (Enviva Inc. Project), Series 2022 (Green Bonds) (the “*Epes Green Bonds*”) in the aggregate principal amount of \$250.0 million, under that certain *Indenture of Trust*, dated as of July 1, 2022 (the “*Epes Green Bonds Indenture*”), to support construction of a wood pellet production facility located near Epes, Alabama (the “*Epes Plant*”). The Epes Green Bonds Indenture named Wilmington Trust, N.A., as trustee (solely in such capacity, and together with any successors thereto, the “*Epes Green Bonds Trustee*”) over the administration of the Epes Green Bonds. After issuance to bondholders (the “*Epes Bondholders*”), the Epes Green Bonds Issuer then loaned the proceeds of the Epes Green Bonds to the Company on an unsecured basis under that certain *Loan and Guaranty Agreement*, dated July 1, 2022 (the “*Epes Loan Agreement*”), in exchange for a promissory note, dated July 15, 2022, issued by Enviva to the Epes Green Bonds Issuer (the “*Epes Note*”). Enviva’s obligations under the Epes Loan Agreement are guaranteed by the Epes Loan Guarantors.⁸ The Epes Green Bonds Issuer assigned the Epes Note and substantially all its rights under Epes Loan Agreement to the Epes Green Bonds Trustee.

⁸ The “*Epes Loan Guarantors*” are, collectively, Enviva GP, LLC, Enviva Partners Finance Corp., Enviva Aircraft Holdings Corp., Enviva Holdings GP, LLC, Enviva Holdings, LP, Enviva Shipping Holdings, LLC, Enviva Management Company, LLC, Enviva Development Finance Company, LLC, Enviva Pellets, LLC, Enviva Pellets Lucedale, LLC, Enviva Pellets Waycross, LLC, Enviva Port of Pascagoula, LLC, Enviva Pellets Bond, LLC, Enviva Pellets Greenwood, LLC, and Enviva Energy Services, LLC.

22. The Epes Note is a senior unsecured obligation of the Company that will mature in full on July 15, 2052. However, the Epes Note is subject to mandatory tender for purchase by Enviva on July 15, 2032, at a purchase price equal to 100% of the principal amount of the Epes Green Bonds, plus accrued interest. Such prepayment may be required prior to maturity. The terms of the Epes Loan Agreement generally restrict the net proceeds received from the Epes Green Bonds to being used to fund a portion of the costs of the acquisition, construction, equipping, and financing of the Epes Plant. Interest in respect of the principal of the Epes Note accrues at a rate equal to 6.00% per annum. The Epes Loan Agreement requires biannual payments of all accrued and unpaid interest, on January 15 and July 15 of each year, beginning on January 15, 2023.

23. As of the Petition Date, the Ad Hoc Group collectively holds approximately 78% of the aggregate outstanding principal amount of the Epes Green Bonds.

iv. *Bond Green Bonds*

24. On November 1, 2022, Mississippi Business Finance Corporation (the “**Bond Green Bonds Issuer**”) issued various Exempt Facilities Revenue Bonds, (Enviva Inc. Project), Series 2022 (Green Bonds) (the “**Bond Green Bonds**”), in the aggregate principal amount of \$100.0 million, under that certain *Indenture of Trust*, dated as of November 1, 2022 (the “**Bond Green Bonds Indenture**”), to support construction of a wood pellet production facility located near Bond, Mississippi (the “**Bond Plant**”). The Bond Green Bonds Indenture named Wilmington Trust, N.A., as trustee (solely in such capacity, and together with any successors thereto the “**Bond Green Bonds Trustee**”) over the administration of the Bond Green Bonds. After issuance to bondholders (the “**Bond Green Bondholders**”), the Bond Green Bonds Issuer then loaned the proceeds of the Bond Green Bonds to the Company on an unsecured basis under that certain *Loan and Guaranty Agreement*, dated November 1, 2022 (the “**Bond MS Loan Agreement**”),

in exchange for a promissory note, dated November 22, 2022, issued by Enviva to the Bond Green Bonds Issuer (the “*Bond MS Note*”). Enviva’s obligations under the Bond MS Loan Agreement are guaranteed by the Bond MS Loan Guarantors.⁹ The Bond Green Bonds Issuer assigned the Bond MS Note and substantially all its rights under Bond MS Loan Agreement to the Bond Green Bonds Trustee.

25. The Bond MS Note is a senior unsecured obligation of the Company that will mature in full on July 15, 2047. However, the Bond MS Loan Agreement is subject to mandatory tender for purchase by Enviva on July 15, 2032, at a purchase price equal to 100% of the principal amount of the Bond Green Bonds, plus accrued interest. Such prepayment may be required prior to maturity. The terms of the Bond MS Loan Agreement generally restrict the net proceeds received from the Bond Green Bonds to being used to fund a portion of the costs of the acquisition, construction, equipping, and financing of the Bond Plant. Interest in respect of Bond MS Note accrues at a rate equal to 7.75% per annum. The Bond MS Loan Agreement requires the Company to make biannual payments of all accrued and unpaid interest, on January 15 and July 15 of each year, with the first payment due on January 15, 2023.

26. As of the Petition Date, the Ad Hoc Group collectively holds approximately 45% of the aggregate outstanding principal amount of the Bond Green Bonds. The Company has executed a separate restructuring support agreement with Bond Green Bondholders, including members of the Ad Hoc Group, that hold a majority of the outstanding principal amount of the Bond Green Bonds.

⁹ The “*Bond Loan Guarantors*” are, collectively, Enviva, LP, Enviva GP, LLC, Enviva Partners Finance Corp., Enviva Aircraft Holdings Corp., Enviva Holdings GP, LLC, Enviva Holdings, LP, Enviva Shipping Holdings, LLC, Enviva Management Company, LLC, Enviva Development Finance Company, LLC, Enviva Pellets, LLC, Enviva Pellets Lucedale, LLC, Enviva Pellets Waycross, LLC, Enviva Port of Pascagoula, LLC, Enviva Pellets Bond, LLC, Enviva Pellets Greenwood, LLC, and Enviva Energy Services, LLC.

v. *NMTC Transaction & United Bank Loans*

27. In June 2022, the Company closed on a qualified New Markets Tax Credit financing transaction (the “*NMTC Transaction*”). The New Markets Tax Credit Program is a federal community investment program administered by the U.S. Department of Treasury that is intended to promote capital investment in qualifying communities by allowing taxpayers to claim certain federal income tax credits related to equity investments in qualifying community development entities (“*CDEs*”). The Company’s participation in the NMTC Transaction allowed it to obtain new financing subject to certain tax advantages resulting from the NMTC program. The Company entered into two loan agreements as part of the NMTC Transaction.

28. First, the Company entered into that certain *Loan Agreement*, dated June 27, 2022, by and between Enviva Pellets Epes Finance Company, LLC (“*Enviva Epes Finance*”) (as borrower) and United Bank¹⁰ (as lender) (together with the underlying promissory note, the “*United Bank Loans*”), by which Enviva Epes Finance borrowed an aggregate principal amount of approximately \$31.4 million. That principal balance of the United Bank Loans accrues interest at 5.63% per annum.¹¹

29. Second, Enviva Pellets Epes, LLC (“*Enviva Epes*”) entered into that certain *Loan Agreement*, dated June 27, 2022, by, between, and among Enviva Epes (as borrower), NIF SUB IV, LLC, UBCD, SUB CDE Midway, LLC, PBCIF SUB-CDE4, LLC, and Munistrategies SUB-CDE#41, LLC (collectively, the “*CDE Lenders*”), and certain subsidiaries of the Debtors (along with the underlying notes, the “*NMTC Loan*”), by which Enviva Epes

¹⁰ United Bank is a community bank in Southwest Alabama & Northwest Florida.

¹¹ To secure its performance under the United Bank Loans, the Company pledged as collateral: (a) Enviva Epes Finance’s interest in certain collateral that was pledged to secure a loan it had issued to a third-party; (b) the Company’s bank account held by United Bank; and (c) Enviva Epes Finance’s interest in a Contribution Agreement between Enviva Inc., Enviva Pellets, LLC, Enviva Pellets Epes Holdings, LLC, Enviva Epes Finance and Enviva Pellets Epes, LLC (collectively, the “*United Bank Loans Collateral*”).

borrowed an aggregate principal amount of approximately \$42.0 million. That principal balance accrues interest at a weighted average rate of 2.9% per annum. Additionally, the NMTC Loan is secured by a security interest and first-priority lien on in the Epes Plant in favor of Debtor Enviva Epes (such security, the “*NMTC Liens*”).

30. As of the Petition Date, Enviva Epes owes approximately \$42.0 million of aggregate principal obligations under the NMTC Loan, of which approximately \$30.4 million is attributable to aggregate principal obligations that are owed by Enviva Epes Finance under the United Bank Loans.

vi. *FiberCo Notes*

31. In 2021, Enviva FiberCo, LLC (“*Enviva FiberCo*”), another predecessor-in-interest¹² to Debtor Enviva Pellets entered into two promissory notes with Deere & Company (d/b/a John Deere) (“*John Deere*”) and Merchant Bank (such notes together, the “*2021 Notes*”), which it used to finance the purchase of certain equipment. In 2022 and 2023, Enviva Pellets entered into additional promissory notes (collectively, and together with the 2021 Notes, the “*FiberCo Notes*”) with John Deere, Northland Capital Financial Services, LLC, and JPMorgan Chase & Co. (collectively, and together with Merchant Bank, the “*FiberCo Note Lenders*”), which it used to finance the purchase of additional equipment.

32. Together, the initial principal amount of the FiberCo Notes totaled approximately \$4.9 million. The execution date, principal, interest rate, and maturity date of each of the FiberCo Notes are as follows:

¹² On December 27, 2021, Enviva FiberCo and Enviva Amory merged with several other subsidiaries of Enviva to form Enviva Pellets Northampton, LLC, which subsequently changed its name to Enviva Pellets, LLC, (such transaction, the “*Northampton Merger*”). By virtue of the Northampton Merger, Enviva Pellets, LLC inherited Enviva FiberCo’s obligations under the FiberCo Notes.

NOTE	EXECUTION DATE	INITIAL PRINCIPAL	INTEREST RATE (PER ANNUM)	MATURITY DATE
John Deere Note Payable #1	October 27, 2021	\$1,001,600	2.50%	October 27, 2026
John Deere Note Payable #2	May 10, 2022	\$939,780	3.80%	May 10, 2027
Northland Capital Note Payable #1	March 16, 2022	\$154,000	6.07%	March 16, 2027
Merchant Bank Note Payable #1	June 30, 2021	\$293,490	4.95%	June 30, 2026
JP Morgan Note Payable #1	December 12, 2022	\$1,449,749	6.40%	December 12, 2025
JP Morgan Note Payable #2	March 29, 2023	\$1,044,118	6.42%	March 29, 2026

33. Each individual FiberCo Note is secured by the equipment that was purchased with the financing provided by that FiberCo Note. As of the Petition Date, Enviva Pellets owes approximately \$3.3 million in aggregate principal obligations under the FiberCo Notes.

vii. *Amory Seller Note*

34. On August 4, 2010, Enviva Pellets Amory, LLC (“*Enviva Amory*”), a predecessor-in-interest to Debtor Enviva Pellets¹³, acquired all of the purchased assets of CKS Energy, Inc. (“*CKS Energy*”) and land held by CKS Realty, Inc. To pay a portion of the purchase price, Enviva Amory issued that certain *Convertible Subordinated Promissory Note*, dated August 4, 2010, to CKS Energy, Inc. in the principal amount of \$2 million (the “*Amory Seller Note*”).

35. The principal balance of the Amory Seller Note accrues interest at a rate of 6.00% per annum, and ostensibly matured fully on August 4, 2017. Notwithstanding the maturity date, however, the Amory Seller Note dictates that no payments of principal or interest shall be made until Enviva Amory’s former sole member, Intrinergy Operating, L.P. (“*Intrinergy*”), is first fully paid an amount equal to (a) all capital contributions made by Intrinergy to Enviva Amory I,

¹³ By virtue of the Northampton Merger, Enviva Pellets inherited Enviva Amory’s obligations under the Amory Seller Note.

plus (b) 15.00% interest per annum accruing on such unrepaid contributions (together, the “*Intrinergy Preferred Return*”). To date, the Intrinergy Preferred Return has yet to be satisfied in full, and therefore there have been no payments made to CKS Energy in respect of the Amory Seller Note.

36. As of the Petition Date, the Debtors owe approximately \$2.0 million in aggregate principal obligations under the Amory Seller Note.

viii. *Common Stock*

37. Enviva’s common stock (the “*Common Stock*”) is listed on the New York Stock Exchange (“*NYSE*”) under the symbol “EVA.” On January 23, 2024, Enviva was notified by the NYSE that the average closing price of Common Stock had fallen below \$1.00 per share over a period of 30 consecutive trading days, which is the minimum average closing price required to maintain continued listing on the NYSE under Section 802.01C of the NYSE Listed Company Manual (the “*NYSE Manual*”). The NYSE Manual allows listed companies to cure such deficiency within the following six months if, on the last trading day of any calendar month during the cure period, the company has a closing share price of at least \$1.00 and an average closing share price of at least \$1.00 over the 30 trading-day period ending on the last trading day of that month. On February 2, 2024, the Company notified the NYSE of its intent to cure this deficiency, as required by Section 802.01C of the NYSE Manual.

38. As of the Petition Date, Enviva has approximately 74.7 million shares of Common Stock outstanding, trading at approximately \$0.40 per share. The Riverstone Entities¹⁴ collectively hold approximately 32.4 million of these shares.

¹⁴ The “*Riverstone Entities*” are Riverstone Echo Rollover Holdings, L.P., Riverstone Echo Continuation Holdings, L.P., and Riverstone Echo PF Holdings, L.P.

ix. *Unencumbered Property*

39. Pursuant to and in connection with the Prepetition Senior Secured Credit Documents, the Prepetition Loan Parties granted to the Prepetition Agent, for the benefit of the Prepetition Secured Parties, a security interest in and fully perfected first-priority liens on the Prepetition Collateral (such liens, the “***Prepetition Liens***”), and the Prepetition Secured Lenders indicated they would contest any efforts to “prime” such Prepetition Liens. As of the Petition Date, certain of the Debtors’ assets are not Prepetition Collateral subject to Prepetition Liens, and the Debtors propose to grant first-priority liens on (and security interests in) such assets as partial security in respect of the DIP Facility (such first-priority liens on Unencumbered Property, together with any other first-priority liens contemplated by Interim Order, other than the DIP Epes Liens, the “***DIP 1L Liens***”).

40. In particular, certain Debtors own long-term ground leases for the use of a port in Pascagoula, Mississippi and a wood pellet production facility in Waycross Georgia, as well as the real estate owned at the Bond Plant, all of which the Debtors believe are currently unencumbered by the Prepetition Liens (any unencumbered assets of the Debtors, the “***Unencumbered Property***”). Among other collateral, Debtor Enviva, LP’s equity interest (the “***EWB Equity Interest***”) in Enviva Wilmington Holdings, LLC (“***EWB***”), although already encumbered by a lien in favor of its joint-venture counterparty (securing certain contingent indemnification obligations of the Debtors), also presents a source of collateral and will be secured by junior liens on the EWB Equity Interest (such liens, the “***DIP EWB Liens***”).

41. The Epes Plant, though encumbered by the NMTC Liens, also presents a substantial source of value in respect of the DIP Facility. As proposed, the DIP Facility will also be secured, among other things, by junior liens on the Epes Plant (the “***DIP Epes Liens***”).

B. The Debtors' Prepetition DIP Financing Marketing Efforts

42. As described in further detail in the Tempke Declaration, beginning in November 2023, Lazard assisted the Company in actively engaging with and soliciting various creditors, equity holders, strategic partners, and other third parties regarding their interest in participating in a prospective bridge financing to support the Company's efforts to successfully complete a comprehensive restructuring of its existing indebtedness on an out-of-court basis. This was designed to facilitate the Company's successful completion of a comprehensive refinancing, recapitalization, or restructuring of its existing indebtedness on an out-of-court basis.

43. Lazard engaged in discussions with over 30 parties regarding potential out-of-court bridge financing, including both strategic and financial institutions, with 20 of those parties executing NDAs. Lazard managed a customary due diligence process with parties under NDA, where interested parties received private-side information on the Company's assets, financial forecasts, and follow-up diligence, as well as access to both management and the Advisors (as necessary) to facilitate the due diligence process. The Company obtained preliminary proposals from five parties in respect of out-of-court bridge financings by mid-January.

44. None of these proposals, however, solved the Company's near-term capital structure issues and potential defaults under the various instruments that govern the Prepetition Funded Debt. Given operational performance and deterioration in the Company's liquidity position, the quantum of incremental capital that investors were willing to provide on an out-of-court basis would not meet the capital needs of the business. Several parties also indicated that they were only interested in providing financing on an out-of-court basis once there were greater certainty in respect of the Company's RTB efforts. Notwithstanding these considerations, Lazard continued to work with multiple parties throughout January and February to refine financing

proposals and provide additional diligence to build understanding among parties as to the evolving situation.

45. While Lazard continued to explore out-of-court bridge financings, the Company's operational performance continued to encounter challenges. By mid-January 2024, Lazard's focus expanded to solicit proposals for more comprehensive out-of-court and in-court solutions to its capital structure, including debtor-in-possession financing. Meanwhile, on January 15, 2024, the Company's Board of Directors voted to forego the required semiannual interest payment under the 2026 Notes and enter the Grace Period. This decision preserved an additional \$24.4 million in cash. However, any further extension of the Grace Period or related forbearance would require certain waivers and consents from the Prepetition Secured Parties and other holders of the Company's Prepetition Funded Debt.

46. As part of soliciting the DIP Financing, Lazard reached out to several of the parties that were previously contacted for the bridge financing process, but also broadened this process to include additional parties that may have been interested in providing DIP Financing. These parties included significant holders of Prepetition Funded Debt, as well as third-party investors not previously involved in these processes. In total, Lazard connected with more than 20 parties in respect of DIP Financing, with 17 of those parties executing an NDA. During this time, Lazard also continued its negotiations with parties interested in providing out-of-court financing for the Company. By exploring both in- and out-of-court proposals for financing, Lazard was able to create interest and generate competitive tension among potential sources of financing for an in-court process.

47. In January 2024, while Lazard explored potential in-court and out-of-court financing solutions with other parties, Lazard and the Debtors also pursued and received in-court

and out-of-court proposals from the Ad Hoc Group. As it became clearer that an out-of-court approach was unlikely to result in an executable restructuring, the Debtors sought to negotiate the best possible terms of an in-court proposal with the Ad Hoc Group. In this context, and with a competitive process still ongoing, the Ad Hoc Group conveyed a desire to work constructively with the Company on a holistic deleveraging transaction to be implemented as part of an in-court restructuring.

48. While negotiating possible in-court solutions with the Ad Hoc Group, the Company also refocused its out-of-court efforts on a potential refinancing of the Senior Secured Credit Facility. As part of that work, the Company and Lazard found significant interest from a consortium of debt and strategic investors (the “*Consortium*”), some of whom had been extensively engaged in the Company’s previous bridge-financing process. While the Company’s discussions with the Consortium initially were focused on a potential out-of-court solution, the Consortium ultimately indicated it would only provide a shorter-term bridge to an eventual in-court restructuring. Ultimately, the Company received three DIP financing proposals, including proposals from the Ad Hoc Group (which evolved into the DIP Facility proposed in this Motion), the Consortium (whose proposal initially included some out-of-court runway), and a third potential financing party within the Company’s capital structure, which was withdrawn in early February 2024.

49. The Company and the Advisors negotiated with each of these potential financing sources, exchanging counterproposals and engaging in negotiations, in each case, throughout January and the first two weeks of February with both the Ad Hoc Group and the Consortium. The Company was able to create competitive tension among various parties for alternative

DIP financing proposals, including the ultimately accepted proposal from the Ad Hoc Group, which contained numerous terms advantageous to the Debtors and their estates.

50. Throughout early February, the Company engaged in extensive negotiations in good faith with the Consortium and the Ad Hoc Group. The Consortium ultimately withdrew its proposal on February 12, 2024. Upon withdrawal of the Consortium's proposal, the Company shifted all its efforts to finalize the terms of a deal with the Ad Hoc Group. The Company and the Ad Hoc Group reached agreement in principle on February 13, 2024, just two days before the Grace Period concluded. Notably, the Ad Hoc Group was willing to provide the Debtors with the DIP Facility on a non-priming basis, even though the Ad Hoc Group held requisite amounts of the Senior Secured Credit Facility sufficient to provide self-priming, debtor-in-possession financing, as is customary in many chapter 11 restructurings. Moreover, the Ad Hoc Group offered, as part of the DIP Financing, to provide the Debtors with necessary consent to use Cash Collateral and other Collateral, in connection with a negotiated adequate protection package compatible with the DIP Facility.

51. In an effort to finalize the requisite details of the RSA and the DIP Financing—and ensure a smooth transition into these chapter 11 cases—the Ad Hoc Group facilitated two short-term forbearances in respect of the Company's payment obligations under the 2026 Notes and potential cross-defaults under the Prepetition Senior Secured Credit Agreement, the Epes Green Bonds, and the Bond Green Bonds. A transaction committee of the Debtors' Board recommended entry into the forbearance agreements with the Ad Hoc Group, including the agreements in principle, and later similarly recommended entry into the DIP Facility and the RSA, respectively.

52. The DIP Facility reflects the care and effort the Company and the Advisors devoted to pursuing the best interests of the Debtors and their estates and stakeholders. The Debtors negotiated with the Ad Hoc Group to craft the DIP Facility around the DIP 1L Liens, the DIP Epes Liens, and a second-priority junior lien on the Prepetition Collateral (such junior lien, together with the DIP 1L Liens, the DIP EWH Liens, and the DIP Epes Liens, the “*DIP Liens*”).

C. Events Leading to the Debtors’ Entry Into the Restructuring Support Agreement

53. As is set forth more fully in the Nunziata Declaration, the Company has faced significant headwinds during the past year. These challenges were disclosed, among other sources, in the Form 10-K that Enviva filed with the Securities and Exchange Commission on November 9, 2023 (the “*Q3 10-K*”). The Q3 10-K attracted significant attention from various holders of the Company’s funded indebtedness, including the Ad Hoc Group, as well as the debt and equity markets more broadly, all as more fully described in this Motion and the Nunziata Declaration.

54. In addition to its discussions with other stakeholders, the Company engaged the Ad Hoc Group in extensive negotiations prior to and during the Grace Period regarding the possibility of either an out-of-court or in-court resolution of its challenges. After vigorous negotiations at arm’s length, Enviva and its Debtor affiliates entered into that certain *Restructuring Support Agreement*, dated March 12, 2024 (as amended, restated, amended and restated, or otherwise modified from time to time, the “*RSA*”), which obligates the Ad Hoc Group (including, without limitation, on behalf of any cross-holdings in respect of the Prepetition Senior Secured Credit Facility, the Epes Green Bonds, and the Bond Green Bonds) to support the Debtors’ restructuring through these chapter 11 cases in exchange for certain rights of review and consent. While additional information regarding the RSA is set forth in the Nunziata Declaration, the Debtors believe the support of the Ad Hoc Group is crucial to the success of these chapter 11 cases.

D. The Debtor's Liquidity Needs and the Proposed DIP Facility

55. As set forth in the First Day Declarations, the Rajceвич DIP Declaration, and the Tempke Declaration, the Debtors require an immediate infusion of liquidity. As of the Petition Date, the Debtors have insufficient liquidity to maintain normal business operations for the full length of these chapter 11 cases and fund in full the administrative costs incurred in connection therewith. Without access to the DIP Facility—and as set forth in greater detail in the Rajceвич DIP Declaration—the Debtors would have limited cash on hand, and would likely be unable to generate sufficient levels of operating cash flow in the ordinary course of business to cover the working capital needs and the projected administrative costs of these chapter 11 cases.

56. The proceeds of the DIP Loans and Notes will be used for, among other things, making payments integral to the Debtors' business operations, paying administrative costs associated with these chapter 11 cases, and satisfying working capital needs in the ordinary course of business. Moreover, the liquidity to be provided under the DIP Facility combined with access to existing Cash Collateral will enable the Debtors to fund their operations during the course of these chapter 11 cases and maximize the value of their estates for the benefit of creditors and all stakeholders. Specifically, the proceeds of the DIP Loans and Notes will allow the Debtors to reorganize in accordance with the specific milestones and timelines set forth in the RSA, which the Debtors believe will minimize administrative costs associated with these chapter 11 cases and maximize value for creditors and other stakeholders.

57. The terms and conditions of the DIP Documents are reasonable and appropriate under the circumstances and are an essential component of the restructuring contemplated by the Debtors in these chapter 11 cases. Based upon the Debtors' liquidity needs, the current state of debt capital markets for renewable energy companies, and Lazard's recent inquiries to potential debtor-in-possession financing sources, the Debtors do not believe alternative sources of financing

are readily available on better or comparable terms than those of the DIP Facility Agreement. Additionally, the Debtors do not believe it would possible to administer the Debtors' chapter 11 estates solely on a "cash collateral" basis.

58. The DIP Facility and the consensual use of Cash Collateral are the product of good-faith, arm's-length negotiations with the Ad Hoc Group, and are an essential component of the restructuring contemplated by these chapter 11 cases. The terms of the DIP Facility Agreement were heavily negotiated by third-party advisors to obtain the best possible outcome under these circumstances. Based on the foregoing, the DIP Financing—including all fees payable in connection therewith—represents the best financing option available to address the Debtors' liquidity needs under these circumstances. Additionally, the terms and conditions of the DIP Facility Agreement are reasonable and appropriate under the circumstances. The Debtors submit that the terms and conditions of the DIP Financing are reflective of market terms for financings of this type.

59. The DIP Facility will provide the Debtors with immediate access to liquidity that is necessary to ensure that administrative costs are paid in full during the pendency of these chapter 11 cases and value is preserved for the benefit of the Debtors' creditors and other stakeholders. Accordingly, the DIP Facility should be approved on the terms and conditions described in the DIP Facility Agreement and the Interim Order. Entry into the DIP Facility reflects a sound exercise of the Debtors' business judgment.

E. The DIP Syndication Procedures

60. In accordance with the RSA and the "*DIP Commitment Letter*" (as defined in the DIP Facility Agreement) the Company must use commercially reasonable efforts to assist the Administrative Agent, Barclays Bank PLC, and the "*Commitment Parties*" (as defined in the DIP Facility Agreement) in connection with the syndication of the DIP Facility to certain holders

of Common Stock. The procedures for that syndication process are attached hereto as **Exhibit D** (the “*Syndication Procedures*”) and the notice and instruction form for that syndication process is attached hereto as **Exhibit E** (the “*Syndication Notice and Instructions*”), including the subscription forms contained therein (the “*Syndication Subscription Forms*”).

61. The Debtors believe that the Syndication Procedures provide a fair and reasonable opportunity to participate in the DIP Facility, as the syndication will be open to all holders of Common Stock as of a specified record date that are (a) eligible under the Securities Act of 1933 and (b) not the Borrower under the DIP Facility Agreement with equal treatment to all potential participants. The Debtors also believe that the timeline and requirements for participation are reasonable under the circumstances. The Syndication Procedures, the Syndication Notice and Instructions, and the Syndication Subscription Forms have been designed to clearly communicate the requirements for participation and to efficiently transmit all materials necessary for participation.

62. The principal terms of the Syndication Procedures are summarized in the following chart:¹⁵

SUMMARY OF SYNDICATION PROCEDURES	
Timeline	<p><u>March 11, 2024</u>: Participation Record Date</p> <p><u>Date of Interim Order (“T”) + 1 day</u>: Commitment solicitation commencement date</p> <p><u>T + 14 days at 5:00 p.m., prevailing Eastern Time</u>: Deadline for Eligible Holders to submit Syndication Subscription Forms to Information Agent</p> <p><u>T + 28 days at 5:00 p.m., prevailing Eastern Time</u>: Deadline for the Participating Eligible Holders to fund, unless otherwise agreed</p>

¹⁵ The following summary of the terms of the Syndication Procedures is subject entirely to the respective terms thereof. If there are any inconsistencies between the following summary and the Syndication Procedures, then the Syndication Procedures shall control. Unless otherwise indicated, capitalized terms used in the following summary shall share the meanings ascribed to them in the Syndication Procedures.

Eligibility	An “ <i>Eligible Holder</i> ” is each person or entity that is (a) an institutional accredited investor within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act or an entity in which all of the equity investors are such institutional accredited investors (an “ <i>IAI</i> ”), (b) a beneficial owner of Common Stock on March 11, 2024 (the “ <i>Record Date</i> ”), and (c) not the Borrower. An Eligible Holder may designate another entity that is a partner, affiliate or related party of such Eligible Holder to be a subscriber in the Opportunity. The Company will take reasonable steps to verify each participant’s status as an IAI and will determine submissions to be invalid if it cannot make such verification.
Commencement	<p>The Debtors will commence the syndication process by (a) filing a Form 8-K with the SEC announcing the commencement of and briefly describing the syndication process and directing interested Eligible Holders to Kurtzman Carson Consultants LLC (the “<i>Information Agent</i>”) and (b) using reasonable efforts to send the relevant subscription documents to as many Eligible Holders as is reasonably practicable under the circumstances.</p> <p>Eligible Holders interested in participating in the DIP Facility must obtain copies of the relevant subscription documents, if they do not have them already. The subscription documents include a Subscription Form (together with instructions), an Assignment and Acceptance to the DIP Facility Agreement, and such other documents as the Co-Administrative Agents may reasonably require. Copies of the relevant subscription documents may be obtained at www.kccllc.com/enviva or by contacting the Information Agent.</p>
Expiration	The syndication solicitation process will expire at 5:00 p.m., prevailing Eastern Time, 14 days after entry of the Interim Order, unless extended earlier or terminated (the “ <i>Expiration Time</i> ”), in accordance with the applicable subscription documents, and which extension will be made by public announcement by the Debtors in a press release or Form 8-K. The deadline for Participating Eligible Holders to fund will be at 5:00 p.m., prevailing Eastern Time, 28 days after entry of the Interim Order, unless otherwise agreed.
Participation	To participate in the Opportunity, Eligible Holders must (a) complete and execute the subscription documents provided by the Information Agent, including a Subscription Form, an Assignment and Acceptance to the DIP Facility Agreement, and such other documents as the Co-Administrative Agents may reasonably require and (b) deliver such subscription documents to Information Agent on or before the Expiration Time. Eligible Holders that do not to return the applicable subscription documents to the Information Agent by the Expiration Time will not be permitted to participate as lenders in the DIP Financing.
Notices	All notices and other communications required to be delivered to the Information Agent pursuant to the Syndication Procedures shall be made in writing, or by any telecommunication device capable of creating a written record, and addressed to the Information Agent.
Termination; Return of Payment	If the Court does not enter the Final Order, the DIP Facility Agreement terminates prior to the Final Order Funding Availability Date or the syndication process is terminated for any reason, the subscription documents submitted by participating Eligible Holders will terminate and the Administrative Agent will immediately return by wire funds transferred by such Eligible Holders to the escrow account.
Funding	Upon the allocation of the Commitments and satisfaction of any conditions precedent in the DIP Facility Agreement (or waiver in accordance with the terms thereof), the Escrow Agent (as defined in the Subscription Form) will disburse the funds in the Escrow Account funded by participating Eligible Holders in respect of the Initial Tranche A Loans and the Initial Tranche A Notes to the DIP Fronting Creditor, in accordance with the terms of the DIP Facility Agreement and other relevant documentation relating to the

	DIP Facility, and record the Loans in a register for the DIP Facility. On each Delayed Draw Borrowing Date, the Escrow Agent will disburse the funds in the Escrow Account in respect of the Delayed Draw Term Loans and the Delayed Draw Notes to the Company, in accordance with the terms of the DIP Facility Agreement and other relevant documentation relating to the DIP Facility, and record the DIP Loans in a register for the DIP Facility.

E. Tranche A Participation Election

63. The DIP Facility also includes a provision allowing each DIP Creditor holding Tranche A Loans and/or Tranche A Notes to subscribe for the purchase of equity in the reorganized Debtors at a price equivalent to the price established pursuant to any equity rights offering or similar arrangement provided for a plan of reorganization in these chapter 11 cases, up to the principal amount of any Tranche A Loans and/or Tranche A Notes held by such DIP Creditor, with the purchase price for such equity to be satisfied by offset against repayment of the applicable portion of the principal amount of such Tranche A Loans and/or Tranche A Notes (the “*Tranche A Participation Election*”).

64. The proposed terms of any equity rights offering, the related purchase price, and the existence or magnitude of any discount to plan total enterprise value have not yet been determined, and will, in all events, be subject to approval by the Court upon subsequent motion. Likewise, any issuance of equity in the reorganized Debtors, and any findings as to the total enterprise value and plan equity value of the reorganized Debtors, are subject to Court approval of a chapter 11 plan and evaluation in connection with confirmation thereof. The inclusion of the Tranche A Participation Election was an integral part of the negotiations with the Ad hoc Group and creates greater flexibility upon exit by potentially reducing the magnitude of any equity rights offering or other capital solutions which otherwise could be needed to repay fully the DIP Claims in cash. The Debtors respectfully submit that the Tranche A Participation Election is fair, reasonable, and consistent with comparable DIP financings that contain provisions for equitization.

BASIS FOR RELIEF REQUESTED

A. Entry Into the DIP Facility Is a Sound Exercise of the Debtors' Business Judgment.

65. After extensive marketing and analysis, the Debtors have concluded that the DIP Financing is the best financing option available to the Debtors. The Debtors request that the Court authorize, as an exercise of the Debtors' sound business judgment, the Debtors' (a) entry into the DIP Documents, (b) access to the DIP Facility, and (c) use of credit advanced under the DIP Facility and Cash Collateral in accordance with the form of budget attached hereto as **Exhibit C** (as modified from time to time in accordance with the Interim Order and the DIP Facility Agreement), including, without limitation, in connection with the Adequate Protection Package.

66. If an agreement to obtain secured credit does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code, courts typically afford considerable deference to debtors in acting in accordance with their sound business judgment in obtaining such credit. *See, e.g., In re Intelsat S.A.*, No. 20-32299 (KLP) (Bankr. E.D. Va. June 9, 2020) (approving postpetition loan and receivables facility as a sound and prudent exercise of the debtors' business judgment); *In re Guitar Ctr., Inc.*, No. 20-34656 (KRH) (Bankr. E.D. Va. Dec. 17, 2020) (approving the terms of the debtor-in-possession facility and related loan as a fair and reasonable exercise of the debtors' business judgement); *In re Ascena Retail Grp.*, No. 20-33113 (KRH) (Bankr. E.D. Va. Sept. 10, 2020) (finding that the debtors' decisions regarding cash collateral and postpetition funding are a prudent exercise of its business judgement); *In re Republic Airways Holdings Inc.*, 2016 WL 2616717, at *11 (Bankr. S.D.N.Y. May 4, 2016); *In re Los Angeles Dodgers LLC*, 457 B.R. 308, 313 (Bankr. D. Del. 2011) ("Debtors correctly posit that courts will almost always defer to the business judgment of a debtor in the selection of a lender."); *In re Trans World Airlines, Inc.*, 163 B.R. 964,

974 (Bankr. D. Del. 1994) (approving postpetition loan and receivables facility because such facility “reflect[ed] sound and prudent business judgment”); *In re Ames Dep’t Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) (“[C]ases consistently reflect that the court’s discretion under section 364 is to be utilized on grounds that permit reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest.”).

67. Courts generally will not second-guess a debtor’s business decisions when those decisions involve a minimum level of care in arriving at the decision on an informed basis, in good faith, and in the honest belief that the action was taken in the best interests of the debtor. *See, e.g., In re Los Angeles Dodgers LLC*, 457 B.R. at 313. To determine whether the business judgment test is met, “the court ‘is required to examine whether a reasonable business person would make a similar decision under similar circumstances.’” *In re Dura Auto. Sys. Inc.*, 2007 WL 7728109, at *97 (Bankr. D. Del. Aug. 15, 2007) (citations omitted); *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999) (observing that courts require only that debtors “show that a sound business purpose justifies such actions”) (citations omitted).

68. Under the circumstances, the Debtors’ determination to obtain the debtor-in-possession financing under the terms and conditions of the DIP Documents represents a sound exercise of their business judgment following a careful evaluation of the limited range of alternatives available. First, without access to the DIP Facility, the Debtors will be unable to pay the ongoing operating expenses necessary to sustain their operations, which would irreparably depress the value of the Debtors’ business as a going concern and impair recoveries ultimately available to creditors and other stakeholders. Second, the Debtors negotiated the DIP Facility

Agreement and the other DIP Documents with the DIP Secured Parties in good faith, at arm's length, and with the assistance of the Advisors. The Debtors believe that the terms and conditions of the DIP Facility Agreement comprise the most favorable terms on which postpetition financing can be obtained. Third, the Debtors believe that the terms and conditions of the DIP Facility Agreement are reflective of market terms for financings of this type. Accordingly, the Court should authorize the Debtors' entry into the DIP Documents as a reasonable exercise of the Debtors' business judgment.

B. The Court Should Authorize the Debtors to Grant Liens and Superpriority Claims Under Section 364(c) of the Bankruptcy Code in Accordance with the DIP Documents.

69. The Debtors propose to obtain financing under the DIP Facility by providing the DIP Secured Parties with security interests and liens as set forth in the DIP Documents pursuant to section 364(c) of the Bankruptcy Code. Specifically, the Debtors propose to provide the DIP Secured Parties with the DIP Liens, subject and subordinate for the avoidance of doubt, in each case only to Prepetition Liens, the NMTC Liens, and the Carve-Out, and any prior liens validly perfected and in effect as of the Petition Date or validly perfected thereafter, respectively.

70. The Debtors submit they have satisfied the requirements for relief under section 364(c) of the Bankruptcy Code, which provides:

If the trustee is unable to obtain unsecured credit allowable and under section 503(b)(1) of this title as an administrative expense, the court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt:

- 1) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of this title;
- 2) secured by a lien on property of the estate that is not otherwise subject to a lien; or
- 3) secured by a junior lien on property of the estate that is subject to a lien.

11 U.S.C. § 364(c).

71. To satisfy the requirements of section 364(c), courts consider whether (a) the debtor made reasonable effort, but failed, to obtain unsecured credit under sections 364(a) and 364(b) of the Bankruptcy Code, (b) the credit transaction benefits the debtor as necessary to preserve estate assets, and (c) the terms of the credit transaction are fair, reasonable, and adequate, given the circumstances of the debtor and proposed lender. *See, e.g., In re Republic Airways Holdings Inc.*, 2016 WL 2616717, at *11; *In re Los Angeles Dodgers LLC*, 457 B.R. at 312–13; *In re Ames Dep’t Stores, Inc.*, 115 B.R. at 40; *In re Aqua Assoc.*, 123 B.R. 192, 195–99 (Bankr. E.D. Pa. 1991). However, section 364 imposes no duty to seek credit from every conceivable lender. *E.g., In re Reading Tube Indus.*, 72 B.R. 329, 332 (Bankr. E.D. Pa. 1987) (citation omitted) ; *In re Intelsat S.A.*, No. 20-32299 (KLP) (Bankr. E.D. Va. June 9, 2020) (finding that no credit was reasonably available on better terms); *In re Guitar Ctr., Inc.*, No. 20-34656 (KRH) (Bankr. E.D. Va. Dec. 17, 2020) (same); *In re Ascena Retail Grp.*, No. 20-33113 (KRH) (Bankr. E.D. Va. Sept. 10, 2020) (same).

72. A debtor need only demonstrate “by a good[-]faith effort that credit was not available without” the protections afforded to potential lenders by sections 364(c) of the Bankruptcy Code. *In re Snowshoe Co.*, 789 F.2d 1085, 1088 (4th Cir. 1986); *see also In re Plabell Rubber Prods., Inc.*, 137 B.R. 897, 900 (Bankr. N.D. Ohio 1992); *In re Ames Dep’t Stores*, 115 B.R. at 37–39 (noting that the debtor must point to reasonable efforts to seek other sources of financing under section 364(a) and (b)). Prior to the Petition Date—and as is further detailed in the Tempke Declaration—the Debtors contacted numerous parties to seek proposals for postpetition financing. No offers were submitted on an unsecured basis. The DIP Facility is instead secured by the DIP Liens.

73. Accordingly, the Debtors submit that the requirement of section 364 that alternative credit on more favorable terms be unavailable to the Debtors is satisfied. The Court should, therefore, authorize the Debtors to provide the DIP Secured Parties with superpriority administrative expense status for the obligations under the DIP Facility, as provided for in section 364(c)(1) of the Bankruptcy Code, with DIP 1L Liens pursuant to section 364(c)(2) of the Bankruptcy Code, and with a second-priority junior lien on the Prepetition Collateral pursuant to section 364(c)(3) of the Bankruptcy Code, subject to the priorities for such liens and claims as set forth in the Interim Order. Notably, the Debtors were able to secure commitments to provide the DIP Facility from the DIP Secured Parties without needing to seek priming liens under section 364(d) of the Bankruptcy Code.

74. Moreover, the DIP Facility is necessary to preserve the value of the Debtors' estates. As is further detailed in the Rajcevich DIP Declaration, the Debtors require immediate access to the DIP Facility and to Cash Collateral to continue their operations and preserve their going-concern value for the benefit of their creditors and all stakeholders. The Debtors have experienced fluctuations in their cash flows, which—should they continue—will affect their ability to pay trade creditors and satisfy other obligations that arise in the ordinary course of business, the non-payment of which would have adverse effects on the Debtors' operations. The Debtors are also experiencing significant liquidity pressures that—should they continue—will likewise affect their ability to meet these same obligations, with the same potential consequences.

75. Third, the terms and conditions of the DIP Documents are justified under the circumstances. The DIP Facility comprises the most favorable source of postpetition financing available to the Debtors, the terms and conditions of the DIP Documents were heavily negotiated over the course of several weeks, and the parties have carefully ensured that it will provide the

Debtors with sufficient liquidity to administer these chapter 11 cases. Absent the liquidity provided by the DIP Facility—which will allow the Debtors to meet their working capital needs during the pendency of these chapter 11 cases—the value of the Debtors’ business would be depressed to the detriment of creditors and all stakeholders.

76. The Tranche A Participation Election is similar to mechanisms approved by courts in other large and complex chapter 11 cases and reasonable under the circumstances as part of the overall consideration in respect of the DIP Facility. *See, e.g., In re SAS AB*, No. 22-10925 (MEW) (Bankr. S.D.N.Y. Nov. 21, 2023); *In re Party City Holdco Inc.*, No. 23-90005 (DRJ) (Bankr. S.D. Tex. Mar. 3, 2023); *In re Grupo Aeromexico, S.A.B. de C.V.*, No. 20-11563 (SCC) (Bankr. S.D.N.Y. Oct. 13, 2020); *In re Avianca Holdings S.A.*, No. 20-11133 (MG) (Bankr. S.D.N.Y. Oct. 5, 2020). Moreover, the Tranche A Participation Election does not hard-wire or ask this Court to hard-wire the terms of any chapter 11 plan at this juncture. The pricing of any equity issued in connection with the Tranche A Participation Election will be determined only in connection with the structuring of a chapter 11 plan and tailored to facilitate participation in accordance with the negotiated package achieved with the Ad Hoc Group (and, the Debtors expect, an equity rights offering) at a later stage in the case, all subject to further approvals from this Court. The Tranche A Participation Election is a highly integral component of the extensively negotiated DIP Financing.

77. The Syndication Procedures are likewise similar to mechanisms approved by courts in other large and complex chapter 11 cases and reasonable under the circumstances as part of the overall consideration in respect of the DIP Facility. *See, e.g., In re Diamond Sports Grp., LLC*, No. 23-90116 (CML) (Bankr. S.D. Tex. Feb. 26, 2024). The Syndication Procedures are tailored

to facilitate participation in accordance with the negotiated package achieved with the Ad Hoc Group and comprise a highly integral component of the extensively negotiated DIP Financing.

78. The Debtors believe that the terms of the DIP Facility, as set forth in the DIP Facility Agreement, are fair, reasonable, and adequate. For all these reasons, the Debtors submit that they have satisfied the standard for obtaining postpetition financing pursuant to section 364(c) of the Bankruptcy Code.

C. The Court Should Approve the Proposed Adequate Protection Package.

79. In addition to the proceeds of the DIP Loans and Notes, the Debtors require use of Cash Collateral for working capital to preserve their business operations and to administer these chapter 11 cases. Section 363(c) of the Bankruptcy Code governs a debtor's use of a secured creditor's cash collateral. Section 363(c) provides, in pertinent part, that:

The trustee may not use, sell, or lease cash collateral . . . unless—

(A) each entity that has an interest in such cash collateral consents; or

(B) the court, after notice and a hearing, authorizes such use, sale, or lease in accordance with the provisions of this section.

11 U.S.C. § 363(c)(2). Furthermore, section 363(e) provides that “on request of an entity that has an interest in property . . . proposed to be used, sold or leased, by the trustee, the court, with or without a hearing, shall prohibit or condition such use, sale, or lease as is necessary to provide adequate protection of such interest.” 11 U.S.C. § 363(e).

80. Section 362(d)(1) provides for adequate protection of interests in property due to the imposition of the Automatic Stay. *E.g.*, *In re Cont'l Airlines*, 91 F.3d 553, 556 (3d Cir. 1996) (en banc). Courts assess the sufficiency of adequate protection on a case-by-case basis. *See, e.g.*, *In re Swedeland Dev. Grp., Inc.*, 16 F.3d 552, 564 (3d. Cir. 1994); *In re Satcon Tech. Corp.*, 2012 WL 6091160, at *6 (Bankr. D. Del. Dec. 7, 2012); *In re N.J. Affordable Homes Corp.*,

2006 WL 2128624, at *14 (Bankr. D.N.J. June 29, 2006) ; *In re Columbia Gas Sys., Inc.*, 1992 WL 79323, at *2 (Bankr. D. Del. Feb. 18, 1992); *see also In re Dynaco Corp.*, 162 B.R. 389, 394 (Bankr. D.N.H. 1993) (citing 2 Collier on Bankruptcy ¶ 361.01[1] at 361–66 (15th ed. 1993) (explaining that adequate protection can take many forms and “must be determined based upon equitable considerations arising from the particular facts of each proceeding”).

81. The Debtors propose to provide the Prepetition Secured Lenders with the Adequate Protection Package, which contemplates a variety of customary adequate protection to protect their interests in the Debtors’ property from any diminution in value of the Prepetition Collateral (including, as applicable, Cash Collateral) resulting from the use of the Cash Collateral by the Debtors and the imposition of the Automatic Stay. Such adequate protection includes a valid, perfected replacement security interest in and lien upon all of the DIP Collateral that is senior to all other liens, but subject and subordinate only to (a) the Carve-Out, (b) the DIP Liens (with respect to DIP Collateral that is not Prepetition Collateral) and any liens, if any, that are senior to the DIP Liens with respect to such property, and (c) any Prior Liens on Prepetition Collateral (such security interests and liens, collectively the “*Adequate Protection Liens*”).

82. The Debtors likewise propose to provide the Prepetition Secured Lenders with an allowed superpriority administrative expense claim as contemplated by section 507(b) of the Bankruptcy Code, which shall be payable from and have recourse to all DIP Collateral and all proceeds thereof (excluding Avoidance Actions and the Avoidance Proceeds) and have priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code, except for the Carve-Out and the DIP Superpriority Claims (such allowed superpriority administrative expense claim, the “*507(b) Claim*”). The DIP Credit Parties also propose, as further adequate protection, to provide current cash payments of the

reasonable and documented prepetition and postpetition fees and expenses of the advisors to the Ad Hoc Group and the Prepetition Agent, respectively, subject to the terms of any fee letter of either party with the Debtors (such fees, the “*Prepetition Secured Parties Adequate Protection Fees*”).

83. The Debtors lastly intend to provide for current cash payment during the chapter 11 cases of all accrued interest in respect of Prepetition Senior Secured Debt under the Prepetition Senior Secured Credit Agreement as such interest becomes due and payable at the contractual rate thereunder (such interest, the “*Prepetition Interest*” and together with the Adequate Protection Liens, the 507(b) Claim, and the Prepetition Secured Parties Adequate Protection Fees, the “*Adequate Protection Package*”). The Debtors, therefore, submit that the Adequate Protection Package is appropriate. The Debtors’ provision of adequate protection is not only necessary to protect against any diminution in value, but is fair and appropriate under the circumstances of these chapter 11 cases to ensure that the Debtors are able to continue using the Cash Collateral, subject to the terms and limitations set forth in the Interim Order, for the benefit of all parties in interest and their estates.

84. Moreover, the Debtors submit that no adequate protection other than the Adequate Protection Package is required to be provided in connection with the relief set forth herein. The Adequate Protection Package was negotiated in good faith and at arm’s length by the Debtors and the Ad Hoc Group, whose ranks well exceed the Required Lender threshold under the Prepetition Senior Secured Credit Agreement and are the only parties able to provide such consents under the Prepetition Senior Secured Credit Agreement and applicable law. The Adequate Protection Package is being provided in connection with the consensual use of Cash Collateral, which is critical to the operation of the Debtors’ estates. Notably, again, the DIP Financing does

not contemplate any “priming” for which adequate protection would otherwise be required under section 364(d) of the Bankruptcy Code.

D. The Court Should Authorize the Debtors to Use Cash Collateral.

85. The Debtors should further be authorized to use Cash Collateral pursuant to section 363(c)(2) of the Bankruptcy Code, which provides, in relevant part, that a debtor:

[M]ay not use, sell, or lease cash collateral . . . unless:

(A) each entity that has an interest in such cash collateral consents; or

(B) the court, after notice and a hearing, authorizes such use, sale, or lease in accordance with the provisions of this section.

11 U.S.C. § 363(c)(2).

86. Section 363(e) of the Bankruptcy Code further provides that “on request of an entity that has an interest in property . . . to be used, sold, or leased by the trustee, the court . . . shall prohibit or condition such use, sale, or lease as is necessary to provide adequate protection of such interest.” *Id.* at § 362(e). The Required Lenders under the Prepetition Senior Secured Credit Agreement have consented to the Debtors’ use of Cash Collateral in exchange for the Adequate Protection Package described above and provided in the Interim Order. While section 361 of the Bankruptcy Code provides examples of forms of adequate protection, such as granting replacement liens and administrative claims, courts assess adequate protection on a case-by-case basis. *See, e.g., In re Swedeland Dev. Grp., Inc.*, 16 F.3d at 564 (“[A] determination of whether there is adequate protection is made on a case by case basis.”); *In re Martin*, 761 F.2d 472, 474 (8th Cir. 1985) (“[S]uch matters are [to be] left to case-by-case interpretation and development.”) (quotations omitted).

87. The Adequate Protection Package is customary and appropriate under the circumstances, and the Court should authorize the Debtors to use the Cash Collateral pursuant to section 363(c) of the Bankruptcy Code.

E. Payment of the Fees Under the DIP Documents Is Appropriate under the Circumstances.

88. The Debtors have agreed to pay certain fees of the DIP Secured Parties, including in connection with the Adequate Protection Package, in exchange for their agreement to provide the financing under the DIP Facility. The terms of and conditions of the DIP Facility Agreement, which include the fees payable in connection therewith, is the only realistic financing available under the circumstances. The Debtors believe that, under these circumstances, authorization to pay the fees is warranted.

F. The Court Should Deem the DIP Secured Parties “Good Faith” Lenders under Section 364(e) of the Bankruptcy Code.

89. Section 364(e) of the Bankruptcy Code protects a good-faith lender’s right to collect on loans extended to a debtor, and its right in any lien securing those loans, even if the authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. Section 364(e) provides that:

The reversal or modification on appeal of an authorization under this section to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

11 U.S.C. § 364(e).

90. The terms of the DIP Documents are the result of the Debtors’ reasonable and informed determination that the DIP Secured Parties have offered the most favorable terms under

the circumstances, and are the only realistically available terms pursuant to which the Debtors could obtain necessary postpetition financing. All negotiations in respect of the DIP Facility were conducted in good faith and at arm's length with the involvement of numerous sophisticated third-party advisors. The proceeds of the DIP Facility will be used only for purposes that are permissible under the Bankruptcy Code and as set forth in the DIP Documents. Accordingly, the Court should find that the DIP Secured Parties are "good faith" lenders within the meaning of section 364(e) of the Bankruptcy Code.

G. The Court Should Modify the Automatic Stay on a Limited Basis.

91. The proposed Interim Order provides that the provisions of section 362 of the Bankruptcy Code will be modified to allow the DIP Secured Parties to file any financing statements, security agreements, notices of liens, and other similar instruments and documents in order to perfect the DIP Liens. The proposed Interim Order further provides that the Automatic Stay shall be modified as necessary to permit the Debtors to grant liens on account of the DIP Obligations to the DIP Secured Parties and to incur all liabilities and obligations set forth in the proposed Interim Order. Finally, the proposed Interim Order provides that, following the occurrence of a Termination Declaration, the Automatic Stay shall be vacated and modified to the extent necessary to permit the DIP Agent to exercise all rights and remedies in accordance with the DIP Documents, or applicable law.

92. Stay modifications of this kind are ordinary and standard features of debtor-in-possession financing arrangements, and, in the Debtors' business judgment, are fair and reasonable under the circumstances of these chapter 11 cases. *See, e.g., In re Nordic Aviation Cap. Designated Activity Co.*, No. 21-33693 (KRH) (Bankr. E.D. Va. Feb. 3, 2022) (modifying Automatic Stay as necessary to effectuate the terms of the order); *In re Ascena Retail Grp.*, No. 20-33113 (KRH) (Bankr. E.D. Va. Sept. 10, 2020); *In re Intelsat S.A.*, No. 20-32299 (KLP)

(Bankr. E.D. Va. June 9, 2020); *In re Toys “R” Us, Inc.*, No. 17-34665 (KLP) (Bankr. E.D. Va. Oct. 24, 2017); *In re The Gymboree Corp.*, No. 17-32986 (KLP) (Bankr. E.D. Va. July 11, 2017) (same); *In re Penn Va. Corp.*, No. 16-3395 (KLP) (Bankr. E.D. Va. June 8, 2016) (same). Accordingly, the Debtors submit that the Automatic Stay provisions of the Interim Order are reasonable and should be approved.

J. Failure to Obtain Immediate Interim Access to the DIP Facility Would Cause the Debtors Immediate and Irreparable Harm.

93. Bankruptcy Rules 4001(b) and 4001(c) provide that a final hearing on a motion to obtain credit pursuant to section 364 of the Bankruptcy Code may not be commenced earlier than fourteen days after the service of such motion. Upon request, however, the Court may conduct a preliminary, expedited hearing on the motion and authorize the obtaining of credit to the extent necessary to avoid immediate and irreparable harm to a debtor’s estate.

94. The Debtors request that the Court hold and conduct a hearing to consider entry of the Interim Order authorizing the Debtors, from entry of the Interim Order until the Final Hearing, to withdraw and borrow funds under the DIP Facility in accordance with the DIP Documents. The Debtors will suffer immediate and irreparable harm if the Interim Order approving the DIP Facility and use of Cash Collateral is not entered sooner than fourteen days after service of the Motion and if the Debtors are not permitted to access the Initial Borrowing of up to \$150 million. The Debtors require access to the DIP Facility prior to the Final Hearing and entry of the Final Order approving the DIP Facility in order to continue operating, pay their administrative expenses, and implement the relief requested in the Debtors’ other “first day” motions. This relief is necessary for the Debtors to preserve and maximize value and, therefore, to avoid immediate and irreparable harm and prejudice to the Debtors’ creditors and all parties in interest.

REQUEST FOR IMMEDIATE RELIEF

95. Bankruptcy Rule 6003 empowers a court to grant relief within the first 21 days after the Petition Date “to the extent that relief is necessary to avoid immediate and irreparable harm.” For the reasons discussed herein and in the First Day Declarations, the Rajcevich DIP Declaration, and the Tempke Declaration, authorizing the Debtors to obtain postpetition financing, use cash collateral, grant liens and provide superpriority administrative expense claims, grant adequate protection to the Prepetition Secured Parties, modify the Automatic Stay, as well as granting the other relief requested herein, is critical to enabling the Debtors to effectively transition to operating as chapter 11 debtors. Failure to receive such authorization and other relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors’ operations and significantly impact the Debtors’ ability to reorganize swiftly and efficiently. As such, the relief requested is necessary in order for the Debtors to operate their businesses in the ordinary course and preserve the ongoing value of the Debtors’ operations and maximize the value of their estates for the benefit of all stakeholders. H. *Findings Regarding the DIP Financing and Use of Cash Collateral.* Good and sufficient cause has been shown for the entry of this Interim Order and for authorization of the DIP Credit Parties to obtain financing pursuant to the DIP Documents.

(a) The Debtors have an immediate and critical need to obtain the DIP Financing and to use Prepetition Collateral (including Prepetition Cash Collateral) and other Cash

Collateral in order to, among other things, permit the Debtors to continue the orderly operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to make payroll, to make capital expenditures, to satisfy other working capital and operational needs, and to fund expenses of these Chapter 11 Cases. The access of the Debtors to sufficient working capital and liquidity through the use of Prepetition Collateral (including Prepetition Cash Collateral) and other Cash Collateral, the incurrence of new indebtedness under the DIP Documents and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern value of the Debtors and to a successful reorganization of the Debtors. The Debtors do not have sufficient available sources of working capital and financing to preserve the value of their businesses, and the Debtors would suffer immediate and irreparable harm without the ability to access the DIP Financing and Cash Collateral. Notwithstanding anything to the contrary herein, the Debtors are not seeking authority under this Interim Order to use any Cash Collateral that constitutes NMTC Collateral (as defined herein) and the rights of all parties are fully reserved with respect to such Cash Collateral.

(b) The Debtors are unable to obtain financing on more favorable terms from sources other than the DIP Creditors under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors are also unable to obtain secured credit without (i) granting to the DIP Secured Parties the DIP Liens and the DIP Superpriority Claims (each as defined herein) and (ii) incurring the Adequate Protection Obligations (as defined herein), to the extent set forth herein and under the terms and conditions set forth in the DIP Documents, in each case of (i) and (ii) subject and subordinate to the Carve-Out.

(c) The Debtors continue to collect cash, rents, income, offspring, products, proceeds, and profits generated from the Prepetition Collateral and acquire equipment, inventory and other personal property, all of which, subject to the terms and conditions of the Prepetition Senior Secured Credit Documents, constitutes Prepetition Collateral under the Prepetition Senior Secured Credit Documents that is subject to the Prepetition Secured Parties' security interests as set forth in the Prepetition Senior Secured Credit Documents.

(d) The Debtors desire to use in their business operations all or a portion of the cash, rents, income, offspring, products, proceeds and profits described in the preceding paragraph that constitute Cash Collateral of the Prepetition Secured Parties under section 363(a) of the Bankruptcy Code. Certain prepetition rents, income, offspring, products, proceeds, and profits, in existence as of the Petition Date or hereafter created or arising, including balances of funds in certain of the Debtors' prepetition and postpetition operating bank accounts, also constitute Cash Collateral.

(e) Based on the DIP Motion, Declarations, and the record and other evidence presented to the Court at the Interim Hearing, the terms of the DIP Financing, the terms of the adequate protection granted to the Prepetition Secured Parties as provided in paragraph 13 of this Interim Order (collectively, the "*Adequate Protection*"), and the terms on which the Debtors may continue to use the Prepetition Collateral (including Cash Collateral) pursuant to the DIP Documents are fair and reasonable reflect the DIP Credit Parties' exercise of prudent business judgment consistent with their fiduciary duties, and constitute reasonably equivalent value and fair consideration.

(f) This Interim Order, the DIP Financing, the Adequate Protection, and the use of the Prepetition Collateral (including Cash Collateral) have been negotiated in good faith and at

arm's length among the DIP Credit Parties, the DIP Secured Parties, and the applicable Prepetition Secured Parties, and all of the DIP Credit Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing and the DIP Documents, including, without limitation, all loans, notes, and guarantees incurred or issued by the DIP Credit Parties pursuant to the DIP Documents and any other DIP Obligations, shall be deemed to have been extended by the DIP Secured Parties and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(g) The Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the Debtors' continued use of the Prepetition Collateral (including Cash Collateral) to fund the administration of the Debtors' estates and continued operation of their businesses (including, subject and subordinate to the Carve-Out, the incurrence and payment of and performance under the Adequate Protection Obligations and the granting of the Adequate Protection Liens (as defined herein)), in accordance with the terms hereof, and the Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 363(m) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(h) The Prepetition Secured Parties are entitled to the Adequate Protection provided in this Interim Order as and to the extent set forth herein pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code. Based on the DIP Motion and on the record presented to

the Court, the terms of the proposed Adequate Protection and of the use of the Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral, including the Cash Collateral, and, to the extent their consent is required, the requisite Prepetition Secured Parties have consented or are deemed hereby to have consented to the use of the Prepetition Collateral, including the Cash Collateral, on the terms set forth in this Interim Order; *provided* that nothing in the DIP Documents shall (x) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of Cash Collateral other than on the terms set forth in this Interim Order (including the Approved Budget (subject only to permitted variances)) and the other DIP Documents, (y) be construed as a consent by any party to the terms of any other financing or any other lien encumbering the Prepetition Collateral (whether senior or junior) other than as contemplated by the DIP Documents, or (z) prejudice, limit or otherwise impair the rights of the Prepetition Secured Parties (acting solely with the consent or direction of the Required Lenders (as defined in the Prepetition Senior Secured Credit Agreement, the "***Prepetition Required Lenders***")), to seek new, different or additional adequate protection or assert any rights of the Prepetition Agent, on behalf of the Prepetition Secured Parties, and the rights of any other party in interest, including the DIP Credit Parties or any other Prepetition Secured Party, to object to such relief are hereby preserved; *provided* that any such new, different, or additional adequate protection, if granted, shall be subject and subordinate to the Carve-Out. Notwithstanding the foregoing, the Prepetition Secured Parties remain subject to the terms and conditions of the Prepetition Senior Secured Credit Documents, including with respect to all provisions pertaining to the vote, consent, direction, or other matters pertaining to one or more Prepetition Secured Parties thereunder.

(i) The liens, claims and other covenants and payments as set forth in this Interim Order, as well as the protections afforded parties acting in “good faith” under section 363(m) of the Bankruptcy Code are integral, critical and essential components of the Adequate Protection provided to the Prepetition Secured Parties for the Debtors’ use of the Prepetition Collateral (including Cash Collateral). The liens, claims and other covenants and payments as set forth in this Interim Order, as well as the protections afforded parties acting in “good faith” under section 364(e) of the Bankruptcy Code are integral, critical and essential components of the DIP Financing provided by the DIP Secured Parties to the Debtors.

(j) The Debtors have prepared and delivered to the DIP Secured Parties and their advisors an initial budget attached hereto as Schedule 1 (together with any additional line-item or other detail and supplements as may be provided pursuant to the terms of the DIP Documents, the “*Initial DIP Budget*”). The Initial DIP Budget reflects, among other things, for the 13-week period commencing on or about the Petition Date, the Debtors’ projected operating receipts, operating disbursements, non-operating disbursements, net operating cash flow and liquidity for each one-week period covered thereby. The Initial DIP Budget may be modified, amended, extended, and updated from time to time in accordance with the DIP Facility Agreement, and such modified, amended, extended and/or updated budget, once approved (or deemed approved) by the Required DIP Creditors in accordance with the DIP Facility Agreement, shall modify, replace, supplement or supersede, as applicable, the Initial DIP Budget for the periods covered thereby (the Initial DIP Budget and each subsequent approved budget (including any additional line-item or other detail and supplements as may be provided pursuant to the terms of the DIP Documents) shall constitute, without duplication, an “*Approved Budget*”). Each subsequent Approved Budget (as approved in accordance with the DIP Documents and this Interim

Order) shall be provided to the U.S. Trustee and counsel to any Committee in summary form. The Initial DIP Budget has been thoroughly reviewed by the Debtors, their management and their advisors, and the Debtors believe that the Initial DIP Budget is reasonable under the circumstances. The DIP Secured Parties and the Prepetition Secured Parties are relying, in part, upon the DIP Credit Parties' agreement to comply with the Approved Budget (subject only to permitted variances), the Adequate Protection Obligations set forth herein, and the other DIP Documents in determining to enter into the postpetition financing arrangements and consent to the use of Cash Collateral provided for in this Interim Order.

(k) Each of the Prepetition Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties with respect to proceeds, product, offspring, or profits with respect to any of the Prepetition Collateral; *provided* that the foregoing shall be without prejudice to the terms of the Final Order with respect to the period from and after the entry of the Final Order. The foregoing is a condition and a material inducement to the DIP Secured Parties' agreement to provide the DIP Financing and the Prepetition Secured Parties' consent to the use of Cash Collateral.

I. *Immediate Entry.* Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2). Absent granting the relief set forth in this Interim Order, the Debtors' estates will be immediately and irreparably harmed. Consummation of the DIP Financing and the permitted use of Prepetition Collateral (including Cash Collateral), in accordance with this Interim Order and the other DIP Documents, are therefore in the best interests of the Debtors' estates and consistent with the Debtors' exercise of their fiduciary duties.

J. *Prior Liens; Continuation of Prepetition Liens.* Nothing herein shall constitute a finding or ruling by this Court that any Prior Lien (as defined herein) is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice the rights of any party-in-interest, including, but not limited to, the DIP Credit Parties, the DIP Secured Parties, or the Prepetition Secured Parties, to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Prior Lien. The right of a seller of goods to reclaim goods under section 546(c) of the Bankruptcy Code is not a Prior Lien, as used herein, and is expressly subject to the DIP Liens (as defined herein) and the Prepetition Liens. The Prepetition Liens and the DIP Liens are continuing liens, and the Collateral is and will continue to be encumbered by such liens.

K. *Syndication Procedures.* The syndication procedures attached as **Exhibit D** to the Motion (as amended pursuant to the terms thereof, the “*Syndication Procedures*”), as well as the notice and instruction form attached as **Exhibit E** to the Motion (as amended pursuant to the terms thereof, the “*Syndication Notice and Instructions*”), including the subscription forms contained therein (the “*Syndication Subscription Forms*,” and together with the Syndication Procedures and Syndication Notice and Instructions, the “*Syndication Materials*”), are fair and reasonable and were and are being implemented in good faith by the Debtors, the Information Agent (as defined in the Syndication Materials), and the other parties involved in the syndication of the Company Allocated Portion of the DIP Financing. The Debtors, the Information Agent, and the other parties involved in the syndication of the Company Allocated Portion of the DIP Financing are hereby authorized to take all actions they deem to be reasonably necessary or advisable to syndicate the Company Allocated Portion of the DIP Financing, including pursuant to the Syndication Materials, and no such party shall be liable to any person or entity with respect to any act taken or omitted

from being taken in connection with such syndication, including any actions taken prior to the entry of this Interim Order, which actions are hereby ratified.

Based upon the foregoing findings and conclusions, the DIP Motion and the record before the Court with respect to the DIP Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. *Motion Granted.* The interim relief sought in the DIP Motion is granted, the interim financing described herein is authorized and approved, and the Debtors' use of Cash Collateral on an interim basis is authorized, in each case subject to the terms and conditions set forth herein and in the DIP Documents. All objections to this Interim Order to the extent not withdrawn, waived, settled, or resolved are hereby denied and overruled on the merits.

2. *Authorization of the DIP Financing and the DIP Documents.*

(a) The DIP Credit Parties are hereby authorized to execute, deliver, enter into and, as applicable, comply with and perform all of their obligations under the DIP Documents and take such other and further acts as may be necessary, appropriate or desirable in connection therewith. The Company is hereby authorized to borrow (or issue, as may be applicable), up to the aggregate amount of the Initial Draw, the DIP Loans and Notes pursuant to the DIP Facility Agreement, and the DIP Guarantors are hereby authorized to provide a guaranty of payment and performance in respect of the DIP Obligations, in each case, in accordance with the DIP Documents, and the DIP Obligations are hereby approved (as and when such amounts become earned, due, and payable in accordance with the DIP Documents) without the need to seek further Court approval. The proceeds of the DIP Loans and Notes shall be used for all purposes permitted under the DIP Documents, including this Interim Order (and subject to and in accordance with the

Approved Budget (subject to any permitted variances)), up to the aggregate amount of the Initial Draw. Notwithstanding anything to the contrary herein, all proceeds of the DIP Financing shall be initially funded into the DIP Funding Account (as defined in the DIP Facility Agreement), which account shall at all times be secured on a first priority basis by the DIP Liens (subject and subordinate to the Carve-Out), and proceeds from the DIP Financing shall only be released from the DIP Funding Account in accordance with the DIP Documents.

(b) In furtherance of the foregoing and without further approval of this Court, each DIP Credit Party is authorized and directed to perform all acts, to make, execute and deliver all instruments, certificates, agreements, charges, deeds and documents (including, without limitation, the execution, authorization or recordation of pledge and security agreements, mortgages, financing statements and other similar documents), and to pay all fees, expenses and indemnities in connection with or that may be reasonably required, necessary, or desirable for the DIP Credit Parties' performance of their obligations under or related to the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents and one or more amendments, waivers, consents or other modifications to and under the DIP Documents, in each case, in such form as the DIP Credit Parties and the DIP Agent (acting in accordance with the terms of the DIP Facility Agreement) may agree, it being understood that no further approval of this Court shall be required for any authorizations, amendments, waivers, consents or other modifications to and under the DIP Documents (or any fees or other expenses, including attorneys', accountants', appraisers' and financial advisors' fees, amounts, charges, costs, indemnities and other like obligations, paid in connection therewith) that do not shorten the maturity of the extensions of credit thereunder, increase the aggregate commitments,

or increase the rate of interest payable or fees or premiums that are payable calculated on commitments thereunder (it being further understood that updates, modifications, and supplements to the Approved Budget in accordance with the DIP Documents and required to be delivered to the DIP Secured Parties under the DIP Documents shall not require further approval from this Court);

(ii) the non-refundable payment to the DIP Secured Parties, as the case may be, of all fees, premiums, amount and rights received as consideration under, or in connection with, the DIP Financing under the DIP Documents, including any amendment fees, early termination fees, servicing fees, audit fees, liquidator fees, structuring fees, administrative agent's, collateral agent's or security trustee's fees, upfront fees and premiums, closing fees, commitment fees and premiums, exit fees and premiums, closing date fees and premiums, backstop fees and premiums, break fees and premiums, fronting fees and expenses, original issue discount, prepayment fees and premiums or agency fees, rights under the DIP Facility Agreement, indemnities and professional fees and expenses (the payment of which fees, premiums, expenses and other amounts shall be irrevocable, and shall be, and shall be deemed to have been, approved upon entry of this Interim Order, whether any such fees, premiums, expenses and other amounts arose before, on or after the Petition Date and whether or not the transactions contemplated hereby are consummated, and, upon payment thereof, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance, disallowance, impairment, or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, applicable non-bankruptcy law or otherwise by any person or entity) and any amounts due (or that may become due) in respect of any indemnification and expense reimbursement obligations, in each case referred to in the DIP Facility Agreement or other DIP

Documents, and the costs and expenses as may be due from time to time in accordance with the DIP Documents, including, without limitation (but subject in each case to the terms and conditions of any fee letters that may at any time be in effect between such professionals or other advisors and the Debtors), reasonable and documented fees and expenses of the professionals retained by, or on behalf of, the DIP Agent (including, without limitation, those of McDermott Will & Emery LLP, and one local counsel to the DIP Agent in each applicable jurisdiction (collectively, the “*DIP Agent Advisors*”)) and that certain ad hoc group of prepetition creditors and DIP Creditors (the “*Ad Hoc Group*”) (including, without limitation, those of Davis Polk & Wardwell LLP, McGuireWoods LLP, Evercore Group, L.L.C., McCurdy Consulting Inc., and each other local or special counsel or other advisor to the Ad Hoc Group or any member thereof (collectively, the “*Ad Hoc Group Advisors*”)) (such fees and expenses of the DIP Agent and the Ad Hoc Group, the “*DIP Fees and Expenses*”), without the need to file retention motions or fee applications in accordance with paragraph 16 below; *provided* that the DIP Fees and Expenses incurred prior to, and which are unpaid as of, the Closing Date shall be paid indefeasibly by the Debtors upon the occurrence of the Closing Date without such DIP Secured Parties’ invoices being subject to the review procedures set forth in paragraph 16; and

(iii) the performance of all other acts required under or in connection with the DIP Documents, including the granting of the DIP Liens and the DIP Superpriority Claims (in each case subject and subordinate to the Carve-Out) and perfection of the DIP Liens as permitted herein and therein, and to perform such other and further acts as may be necessary, desirable or appropriate in connection therewith, in each case in accordance with the terms of the DIP Documents; *provided* that neither the DIP Funding Account nor any cash held therein shall

be subject to any lien in favor of the Prepetition Secured Parties, including any Adequate Protection Liens, and such account and cash shall be secured by the DIP Liens on a first priority basis.

(iv) Proceeds of the DIP Financing and Cash Collateral may be utilized by the DIP Credit Parties for intercompany transfers as and to the extent permitted under the DIP Documents (and also authorized under any order approving the Cash Management Motion then in effect (as defined in the First Day Declarations)).

3. *DIP Obligations.* Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute legal, valid, binding and non-avoidable obligations of the DIP Credit Parties, enforceable against each DIP Credit Party and its estate in accordance with the terms of the DIP Documents, and any successors thereto, including any trustee appointed in the Chapter 11 Cases, or in any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the “*Successor Cases*”). Upon execution and delivery of the DIP Documents, the DIP Obligations will include all loans, notes and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the DIP Credit Parties to any of the DIP Secured Parties, in such capacities, in each case, under, or secured by, the DIP Documents, including all principal, interest, costs, fees, expenses, premiums, indemnities and other amounts under the DIP Documents, which, for the avoidance of doubt, includes the reasonable and documented fees and expenses of the DIP Agent Advisors and the Ad Hoc Group Advisors. The DIP Credit Parties shall be jointly and severally liable for the DIP Obligations. Except as permitted hereby, no obligation, payment, transfer, or grant of security hereunder or under the other DIP Documents to the DIP Secured Parties (including their Representatives (as defined herein)) shall be stayed, restrained, voidable, avoidable, or recoverable, under the

Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

4. *Carve-Out.*

(a) The word “cash” as used in this paragraph shall include all cash, checks, deposit accounts and other cash equivalents.

(i) For purposes of this Interim Order, “*Carve-Out*” shall mean the sum of: (a) all fees required to be paid to the Clerk of the Court and all statutory fees required to be paid to the U.S. Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate pursuant to 31 U.S.C. § 3717 (without regard to the notice set forth in (c) below) (the “*U.S. Trustee Carve-Out*”); (b) all reasonable fees, costs and expenses up to \$100,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (c) below) (the “*Chapter 7 Trustee Carve-Out*”); (c) subject to the application of any retainers that may be held and to the extent allowed at any time, whether by interim order, final order, procedural order, or otherwise, all unpaid fees, costs and expenses (other than any restructuring, sale, success or other transaction-based fees) (the “*Allowed Professional Fees*”) incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (collectively, the “*Debtor Professionals*”) and a Committee pursuant to sections 328 or 1103 of the Bankruptcy Code (the “*Committee Professionals*” and, together with

the Debtor Professionals, the “*Professionals*”) before the first business day following delivery by the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) or the Required DIP Creditors of a Carve-Out Trigger Notice (as defined below), whether allowed by the Court prior to or after such time and without regard to whether such fees and expenses are provided for in any Approved Budget or the timing of the invoicing of such fees and expenses (the “*Pre-Carve-Out Trigger Fees*”); and (d) the Allowed Professional Fees of the Professionals in an aggregate amount not to exceed \$3,500,000 incurred by the Debtor Professionals and \$250,000 incurred by the Committee Professionals (such caps, collectively, the “*Post-Carve-Out Trigger Notice Cap*”), each beginning on the first business day following delivery by the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) or the Required DIP Creditors of a Carve-Out Trigger Notice (the “*Post-Carve-Out Trigger Fees*”). For the avoidance of doubt, the Carve-Out shall not include any restructuring, sale, success or other transaction-based fees of any investment bankers or financial advisors. For the avoidance of doubt, to the extent the Carve-Out is funded from proceeds of the DIP Loans and Notes, such amounts shall constitute DIP Obligations. For the avoidance of doubt and notwithstanding anything to the contrary contained in the DIP Documents, the Prepetition Senior Secured Credit Documents or otherwise, the Carve-Out shall be senior in priority to all liens and claims securing the DIP Obligations, all DIP Liens, all DIP Superpriority Claims, all claims arising under the Prepetition Debt Documents or otherwise, and all liens securing such claims thereunder, the Adequate Protection Liens, all Adequate Protection Claims, the 507(b) Claims, any and all other forms of adequate protection securing or on account of the claims arising under the Prepetition Senior Secured Credit Documents or otherwise, and any claims against or other obligations of the Debtors, including any post-petition intercompany claims among the Debtors.

(ii) For purposes of the foregoing, “*Carve-Out Trigger Notice*” means a written notice delivered by email (or other electronic means) by the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) or the Required DIP Creditors (or, after the DIP Obligations have been indefeasibly paid in full and the DIP Commitments terminated, the Prepetition Agent (acting at the direction of the Prepetition Required Lenders)) to (A) the Debtors, (B) Vinson & Elkins LLP and Kutak Rock LLP as their restructuring counsel, (C) any Committee and its counsel, (D) the U.S. Trustee, and (E) the Ad Hoc Group, if the Carve-Out Trigger Notice is provided by the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors), which notice shall be delivered following the occurrence and during the continuation of an Event of Default (as defined in the DIP Facility Agreement), stating that the Post-Carve-Out Trigger Notice Cap has been invoked. Notwithstanding the foregoing, (x) so long as a Carve-Out Trigger Notice has not been delivered, the Debtors shall be permitted to pay and/or reimburse, as applicable, Allowed Professional Fees that are allowed by the Court and payable under sections 328, 330, and 331 of the Bankruptcy Code and compensation procedures approved by the Court, and the payment and/or reimbursement of same shall not reduce the Carve-Out and (y) any Termination Declaration (as defined below) duly delivered in accordance with paragraph 7(e) shall be deemed to be an effective Carve-Out Trigger Notice.

(iii) On the date of delivery by the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) of a Carve-Out Trigger Notice in accordance with the terms of this Interim Order (the “*Carve-Out Trigger Date*”), the Carve-Out Trigger Notice shall (a) constitute a demand to the Debtors as of such date to fund a reserve from all cash on hand (including Cash Collateral) as of such date and any available cash thereafter held by any Debtors in an amount equal to: (x) the U.S. Trustee Carve-Out, (y) the Chapter 7 Trustee Carve-Out and

(z) the then-unpaid amounts of the Allowed Professional Fees (whether allowed by the Court prior to or after the Carve-Out Trigger Date) incurred through the first business day following the Carve-Out Trigger Date; and (b) be deemed a draw request and notice of borrowing by the DIP Credit Parties under the DIP Facility Agreement in an amount equal to the lesser of (y) the amounts of (x), (y), and (z) in clause (a) of this sentence, and (z) the amount of the undrawn commitments under the DIP Facility Agreement, in each case, to the extent in excess of the amounts funded pursuant to clause (a) of this sentence. The Debtors shall deposit and hold any such amounts in a segregated account to pay the amounts set forth in the preceding sentence (the “***Pre-Carve-Out Trigger Notice Reserve***”).

(iv) All funds in the Pre-Carve-Out Trigger Notice Reserve shall be used *first* to pay the U.S. Trustee Carve-Out, the Chapter 7 Trustee Carve-Out and the Pre-Carve-Out Trigger Fees; *second* to the Prepetition Secured Parties in accordance with their rights and the priorities of their liens, claims and interests against the Prepetition Collateral; *third* to the DIP Agent on account of the DIP Obligations until the indefeasible payment in full in cash of the DIP Obligations; and *fourth* to the Debtors.

(v) On the Carve-Out Trigger Date, the Carve-Out Trigger Notice shall also constitute (a) a demand to the Debtors as of such date to fund a reserve from all cash on hand (including Cash Collateral) as of such date and any available cash thereafter held by any Debtors in an amount equal to the Post-Carve-Out Trigger Notice Cap and (b) a draw request and notice of borrowing by the DIP Credit Parties under the DIP Facility Agreement in an amount equal to the lesser of (y) the Post-Carve-Out Trigger Notice Cap and (z) the amount of the undrawn commitments under the DIP Facility Agreement (after giving effect to any draw request in the foregoing clause (iv)), in each case, to the extent in excess of the amounts funded pursuant to

clause (a) of this sentence. The Debtors shall deposit and hold such amounts in a segregated account in trust to pay Allowed Professional Fees incurred after the Carve-Out Trigger Date up to the amount of the Post-Carve-Out Trigger Notice Cap (the “***Post-Carve-Out Trigger Notice Reserve***” and, together with the Pre-Carve-Out Trigger Notice Reserve, the “***Carve-Out Reserves***”). All disbursements from such account shall be in accordance with the DIP Documents, including this Interim Order.

(vi) All funds in the Post-Carve-Out Trigger Notice Reserve shall be used *first* to pay the Post-Carve-Out Trigger Fees (up to the Post-Trigger Fee Cap); *second* to pay the U.S. Trustee Carve-Out, the Chapter 7 Trustee Carve-Out and the Pre-Carve-Out Trigger Fees; *third* to the Prepetition Secured Parties in accordance with their rights and the priorities of their liens, claims and interests against the Prepetition Collateral; *fourth* to the DIP Agent on account of the DIP Obligations until the indefeasible payment in full in cash of the DIP Obligations; and *fifth* to the Debtors.

(vii) Any payment or reimbursement made on or after the occurrence of the Carve-Out Trigger Date in respect of any Allowed Professional Fees shall permanently reduce the Carve-Out on a dollar-for-dollar basis.

(viii) The Debtors shall deposit the amounts in the Carve-Out Reserves in full prior to the payment of any DIP Collateral (including Cash Collateral) to the DIP Agent or any DIP Creditor or the payment of any amount to any of the Prepetition Agent or the Prepetition Secured Lenders, and the DIP Agent, the DIP Creditors, the Prepetition Agent and the Prepetition Secured Lenders, shall not sweep or foreclose on cash or Cash Collateral (including cash received as a result of the disposition of any property of the Debtors or the DIP Collateral) of the Debtors until the Carve-Out Reserves have been fully funded.

(ix) The Pre-Carve-Out Trigger Notice Reserve shall be held for the benefit of the U.S. Trustee to pay the U.S. Trustee Carve-Out, the Chapter 7 Trustee (if any) to pay the Chapter 7 Trustee Carve-Out, and the Professionals to pay the Allowed Professional Fees benefiting from the Carve-Out, and shall be available only to satisfy such obligations until paid in full. The Post-Carve-Out Trigger Notice Reserve shall be held for the benefit of the Professional Persons to pay the Allowed Professional Fees and shall be available only to satisfy such obligations until paid in full. The failure of the Carve-Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve-Out, and nothing in this Interim Order, including the Carve-Out, the Post-Carve-Out Trigger Notice Cap, the Carve-Out Reserves, the Approved Budget, or any of the foregoing shall be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Court, and the rights of all parties in interest shall be fully reserved with respect to such matters.

(x) To the extent that the Carve-Out Reserves are not fully funded in accordance with the terms hereof or prove insufficient to satisfy the full amount of the Carve-Out, any cash on hand and any other available cash thereafter held by the Debtors (whether realized by the Debtors, a chapter 7 trustee, the DIP Agent, or any other person) shall be applied: (i) *first*, to fund the Pre-Carve-Out Trigger Reserve, (ii) *second*, to fund the Post-Carve-Out Trigger Reserve, (iii) *third*, to pay the U.S. Trustee Carve-Out, the Chapter 7 Carve-Out or Pre-Carve-Out Trigger Fees in excess of the Pre-Carve-Out Trigger Reserve, (iv) *fourth*, to the Prepetition Secured Parties in accordance with their respective rights and the priorities of their respective liens, claims and interests; and (v) *fifth*, to the DIP Agent on account of the DIP Obligations until the indefeasible payment in full in cash of the DIP Obligations.

(xi) To the extent permitted by the DIP Documents, and subject to the priorities and rights set forth herein, each of the Prepetition Agent and the DIP Agent shall have a security interest in any residual cash balance remaining in the Carve-Out Reserves after U.S. Trustee Carve-Out, the Chapter 7 Carve-Out or the Pre-Carve-Out Trigger Fees in excess of the Pre-Carve-Out Trigger Reserve benefitting from the Carve-Out have been indefeasibly paid in full in cash pursuant to a final non-appealable order of this Court (or another court of competent jurisdiction). After satisfaction of the U.S. Trustee Carve-Out, the Chapter 7 Carve-Out or the Pre-Carve-Out Trigger Fees and the Post-Carve-Out Trigger Fees (up to the Post-Carve-Out Trigger Notice Cap) any excess funds in the Carve-Out Reserves shall be paid to the Prepetition Agent and/or the DIP Agent as herein subparagraph (ix) and (x) above.

(xii) None of the DIP Secured Parties or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or expenses of any Professional incurred in connection with these Chapter 11 Cases or any Successor Cases. Nothing in this Interim Order shall be construed to obligate the DIP Secured Parties or the Prepetition Secured Parties to pay compensation to, or to reimburse the expenses of, any Professional or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

5. *DIP Superpriority Claims.* Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the DIP Credit Parties on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the DIP Credit Parties, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims arising under section 105, 326, 327, 328, 330, 331, 365,

503(b), 506(c), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims (the “*DIP Superpriority Claims*”) shall, for purposes of section 1129(a)(9)(A) of the Bankruptcy Code, be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and postpetition property of the DIP Credit Parties and all proceeds thereof (excluding claims and causes of action under section 502(d), 544, 545, 547, 548, 549, 550 or 553 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code (collectively, “*Avoidance Actions*”) but including, subject to, and upon entry of, the Final Order, any proceeds or property recovered, unencumbered or otherwise from Avoidance Actions, whether by judgment, settlement or otherwise (“*Avoidance Proceeds*”)) in accordance with the DIP Documents and this Interim Order, in each case subject and subordinate only to (x) the Carve-Out, and (y) as against the Debtors that are Prepetition Loan Parties, solely to the extent of any recourse to the Prepetition Collateral, the 507(b) Claim against such Debtors (it being understood that the DIP Superpriority Claims shall otherwise be senior in priority to the 507(b) Claim). The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

6. *DIP Liens.* As security for the DIP Obligations, effective and automatically and properly perfected upon the date of this Interim Order and without the necessity of the execution, recordation or filing by the DIP Credit Parties or any of the DIP Secured Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements, intellectual property filing or other similar documents, any notation of certificates of title for titled goods or

other similar documents, instruments, deeds, charges or certificates, or the possession or control by the DIP Agent of, or over, any prepetition or postpetition assets or property of the Debtors of the type described in paragraphs 6(a) through (c) below (collectively, and excluding any Avoidance Actions, but including, subject to, and upon entry of, the Final Order, Avoidance Proceeds, the “*DIP Collateral*”), without any further action by the DIP Secured Parties, the following valid, binding, continuing, enforceable and non-avoidable security interests and liens (all security interests and liens granted to the DIP Agent, for its benefit and for the benefit of the other DIP Secured Parties, pursuant to the DIP Documents, the “*DIP Liens*”) are hereby granted to the DIP Agent, for its own benefit and the benefit of the other DIP Secured Parties:

(a) *Liens on Unencumbered Property.* Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first-priority senior security interest (subject and subordinate only to the Carve-Out) in, and lien upon, all tangible, intangible, real, personal or mixed prepetition and postpetition property of the DIP Credit Parties or their estates, whether existing on the Petition Date or thereafter acquired, and the proceeds, products, rents, and profits thereof, that, on or as of the Petition Date, is not subject to (i) a valid, perfected and non-avoidable lien or (ii) a valid and non-avoidable lien in existence as of the Petition Date that is perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code (such liens described in clauses (i) and (ii), excluding any Prepetition Liens, collectively, “*Prior Liens*”), which previously unencumbered property includes, without limitation, any and all unencumbered cash of the DIP Credit Parties (whether maintained with any of the DIP Secured Parties or otherwise) and any investment of cash, inventory, accounts receivable, investment property, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, fixtures, machinery, equipment, general intangibles, documents,

7. *Protection of DIP Creditors' and Prepetition Secured Parties' Rights.*

(a) So long as there are any DIP Obligations outstanding or the DIP Creditors have any outstanding DIP Commitments under the DIP Documents, the Prepetition Secured Parties shall: (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the Prepetition Liens or the Prepetition Collateral or the liens granted thereto pursuant to this Interim Order, or otherwise seek to exercise or enforce any rights or remedies against the DIP Collateral (including DIP Collateral that is Prepetition Collateral), absent the consent or direction of the Required DIP Creditors (or the DIP Agent acting with the consent or at the direction of the Required DIP Creditors), including in connection with the Adequate Protection Liens, and in so

For the avoidance of doubt, any distribution or application of DIP Collateral (whether or not constituting Prepetition Collateral) shall be in accordance with the priorities set forth herein.

(b) To the extent any Prepetition Secured Party has possession of any DIP Collateral that is not Prepetition Collateral or has control with respect to any DIP Collateral that is not Prepetition Collateral, or has been noted as a secured party on any certificate of title for a titled

good constituting DIP Collateral that is not Prepetition Collateral, then such Prepetition Secured Party shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Secured Parties, and such Prepetition Secured Party, as applicable, shall comply with the instructions of the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) with respect to such notation or the exercise of such control or possession.

(c) Until the indefeasible repayment in full of the Prepetition Senior Secured Debt (other than contingent indemnification obligations as to which no claim has been asserted), any proceeds of Prepetition Collateral received by any DIP Secured Party or Prepetition Secured Party, whether in connection with the exercise of any right or remedy (including setoff) relating to the Prepetition Collateral or otherwise received by a DIP Secured Party or Prepetition Secured Party, shall be segregated and held in trust for the benefit of and forthwith paid over to the Prepetition Agent for the benefit of the Prepetition Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The Prepetition Agent (acting at the direction of the Prepetition Required Lenders) is hereby authorized to make any such endorsements as agent for any such DIP Secured Parties or Prepetition Secured Parties, as applicable. This authorization is coupled with an interest and is irrevocable. Following the indefeasible repayment in full of the Prepetition Senior Secured Debt (other than contingent indemnification obligations as to which no claim has been asserted), any proceeds of DIP Collateral or Prepetition Collateral received by any Prepetition Secured Party, whether in connection with the exercise of any right or remedy (including setoff) or otherwise, shall be segregated and held in trust for the benefit of and forthwith paid over to the DIP Agent for the benefit of the DIP Secured Parties in the same form as received, with any necessary endorsements,

or as a court of competent jurisdiction may otherwise direct. In connection with the foregoing sentence, the DIP Agent is hereby authorized to make any such endorsements as agent for any such Prepetition Secured Parties.

(d) *Termination Date.* On the Termination Date (as defined below), (i) all DIP Obligations shall be immediately due and payable and all DIP Commitments will terminate; and (ii) the Prepetition Secured Parties (acting solely with the consent, or at the direction, of the Prepetition Required Lenders) may terminate, reduce, or restrict the ability of the Debtors to use Cash Collateral; *provided* that notwithstanding the foregoing, during the Remedies Notice Period (as defined below), the Debtors may use Cash Collateral solely to fund the Carve-Out and pay payroll and other expenses critical to the administration of the Debtors' estates strictly in accordance with the Approved Budget (subject to permitted variances); and (iii) the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) or the DIP Secured Parties (and, with the consent or at the direction of the Required DIP Creditors, or in the event the DIP Facility has been indefeasibly repaid in full, in cash, the Prepetition Agent and the Prepetition Secured Parties) shall be otherwise entitled to exercise rights and remedies under the DIP Documents (or in the case of the Prepetition Agent and the Prepetition Secured Parties, and solely following the indefeasible repayment in full, in cash of the DIP Facility, under the Prepetition Senior Secured Credit Documents) subject to and in accordance with this Interim Order.

(e) *Rights and Remedies Upon Event of Default.* Subject to the limitations set forth herein, upon the occurrence and during the continuation of an Event of Default, notwithstanding the provisions of section 362 of the Bankruptcy Code, without any application, motion, or notice to, hearing before, or order from the Court, but subject to the terms of the DIP Documents and this Interim Order, including the Remedies Notice Period for the exercise of

remedies other than those specified in the following clauses (i) and (ii): (i) the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) or Required DIP Creditors may declare, which declaration shall be in writing and delivered by email or other electronic means to the Debtors, Vinson & Elkins LLP and Kutak Rock LLP as co-counsel to the Debtors, counsel to any Creditors' Committee, and the U.S. Trustee (any such declaration shall be referred to herein as a "**Termination Declaration**") (A) all DIP Obligations owing under the DIP Documents to be immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are expressly waived by the Debtors, (B) the termination, reduction or restriction of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the DIP Facility, (C) termination of the DIP Facility and the DIP Documents as to any future liability or obligation of the DIP Agent or DIP Secured Parties, but without affecting any of the DIP Liens or the DIP Obligations, (D) that any obligations to fund the Carve-Out Reserves shall be triggered, through the delivery of the Carve-Out Notice to the DIP Borrower and Issuer and other notice parties set forth herein, and (E) the right to charge interest at the default rate under the applicable DIP Documents; and (ii) subject to this paragraph 7, the Prepetition Secured Parties may declare a termination, reduction or restriction on the ability of the Debtors to use Cash Collateral (the date on which a Termination Declaration is delivered, the "**Termination Date**"). The automatic stay in the Chapter 11 Cases otherwise applicable to the DIP Agent, the DIP Secured Parties, and the Prepetition Secured Parties is hereby modified so that following the expiration of five (5) business days after the Termination Date (the "**Remedies Notice Period**"): (a) the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors), on behalf of the DIP Secured Parties, shall be entitled to exercise all of its rights and remedies in accordance with the DIP Documents and this Interim Order to satisfy the DIP Obligations, DIP Superpriority

Claims, and DIP Liens, including (subject to: (i) the funding of the Carve-Out Reserves in accordance with paragraph 4(a)(iii) hereof; and (ii) payment of all accrued but unpaid wages and benefits to the Debtors' employees) (w) freeze or sweep monies or balances in the Debtors' accounts; (x) immediately set-off any and all amounts in accounts maintained by the Debtors with the DIP Secured Parties against the DIP Obligations; (y) enforce any and all rights against DIP Collateral, including, without limitation, foreclosure on all or any portion of the DIP Collateral, occupying the Debtors' premises, collection of accounts receivable, sale or disposition of the DIP Collateral and (z) take any other actions or exercise any other rights or remedies permitted under this Interim Order, the DIP Documents or applicable law, and (b) subject to the foregoing clause (a) and the other terms and conditions set forth in this Interim Order, including the standstill set forth in the foregoing paragraph 7(a), the Prepetition Secured Parties shall be entitled to exercise their rights and remedies to the extent available in accordance with the applicable Prepetition Senior Secured Credit Documents and this Interim Order with respect to the Debtors' use of Cash Collateral. During the Remedies Notice Period, the Debtors and any Creditors' Committee shall be entitled to seek an emergency hearing within the Remedies Notice Period with the Court for the purpose of contesting whether an Event of Default has occurred or is continuing (an "**Emergency Hearing**"), and the DIP Secured Parties shall consent to the Emergency Hearing. Unless the Court orders otherwise prior to the expiration of the Remedies Notice Period or the Debtors cure the Event(s) of Default giving rise to the Termination Declaration, the automatic stay, as to the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors), the DIP Secured Parties, and the Prepetition Secured Parties shall automatically be terminated at the end of the Remedies Notice Period without further notice or order. Upon expiration of the Remedies Notice Period, absent order of the Court to the contrary, the DIP Agent (acting with the consent or at the

direction of the Required DIP Creditors), the DIP Secured Parties and the Prepetition Secured Parties shall be permitted to exercise all remedies set forth herein, and in the DIP Documents, and as otherwise available at law without further order of or application or motion to this Court consistent with this Interim Order. The rights and remedies of the DIP Secured Parties specified in this Interim Order are cumulative and not exclusive of any rights or remedies that the DIP Secured Parties have under the DIP Documents or otherwise. The Debtors and any Creditors' Committee shall be deemed to have waived any right to seek relief under the Bankruptcy Code, including under section 105 thereof, to the extent such relief would restrict or impair the rights and remedies of the DIP Agent or the DIP Creditors as set forth in this Interim Order or the DIP Documents. The Debtors shall cooperate with the DIP Secured Parties in their exercise of rights and remedies, whether against the DIP Collateral or otherwise and shall not take or direct any entity to take any action designed or intended to hinder or restrict in any respect such DIP Secured Parties from enforcing their security interests in the DIP Collateral.

(f) No rights, protections or remedies of the DIP Secured Parties or the Prepetition Secured Parties granted by the provisions of the DIP Documents shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent of any party to the Debtors' authority to continue to use Cash Collateral; (ii) any actual or purported termination of the Debtors' authority to continue to use Cash Collateral; or (iii) the terms of any other order or stipulation related to the Debtors' continued use of Cash Collateral or the provision of adequate protection to any party.

8. *Limitation on Charging Expenses Against Collateral.* Except to the extent of the Carve-Out, no costs or expenses of administration of the Chapter 11 Cases or any Successor Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other

proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral or Prepetition Collateral (in each case including Cash Collateral) pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors), and/or the Prepetition Agent (acting at the direction of the Prepetition Required Lenders), as applicable, and no consent shall be implied from any other action, inaction or acquiescence by the DIP Secured Parties or the Prepetition Secured Parties, and nothing contained in this Interim Order shall be deemed to be a consent by the DIP Secured Parties or the Prepetition Secured Parties to any charge, lien, assessment or claims against the Collateral under section 506(c) of the Bankruptcy Code or otherwise; *provided* that the foregoing waiver shall be without prejudice to any provisions of the Final Order with respect to costs or expenses incurred following the entry of such Final Order.

9. *No Marshaling.* In no event shall any of the DIP Secured Parties or the Prepetition Secured Parties be subject to the equitable doctrine of “marshaling” or any similar doctrine with respect to the DIP Collateral, the DIP Obligations, the Prepetition Senior Secured Debt, the Adequate Protection Obligations, or the Prepetition Collateral. Further, in no event shall the “equities of the case” exception in section 552(b) of the Bankruptcy Code apply to any of the Prepetition Secured Parties with respect to proceeds, products, offspring or profits of any Prepetition Collateral; *provided* that the foregoing shall be without prejudice to any provisions of the Final Order.

10. *Payments Free and Clear.* Any and all payments or proceeds remitted to either the DIP Agent by, through or on behalf of the DIP Secured Parties, or the Prepetition Agent by, through or on behalf of the Prepetition Secured Parties, pursuant to the provisions of the DIP Documents or any subsequent order of the Court shall be irrevocable, received free and clear of

any claim, charge, assessment or other liability, including without limitation, any such claim or charge arising out of or based on, directly or indirectly, section 506(c) or 552(b) of the Bankruptcy Code, whether asserted or assessed by through or on behalf of the Debtors; *provided* that the foregoing shall be without prejudice to any provisions of the Final Order.

11. *Use of Cash Collateral.* The Debtors are hereby authorized, subject to the terms and conditions of this Interim Order, to use all Cash Collateral in accordance with the DIP Documents and Approved Budget (subject to permitted variances); *provided* that (a) the Prepetition Secured Parties are granted the Adequate Protection as hereinafter set forth and (b) except on the terms and conditions of this Interim Order, the Debtors shall be enjoined and prohibited from at any times using the Cash Collateral absent further order of the Court. Notwithstanding anything to the contrary herein, this Interim Order does not authorize the use by the Debtors of any Cash Collateral that constitutes NMTC Collateral and the rights of all parties are fully reserved with respect to such Cash Collateral.

12. *Disposition of DIP Collateral.* The DIP Credit Parties shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Collateral, except as otherwise permitted by the DIP Documents.

13. *Adequate Protection of Prepetition Secured Parties.* The Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), and 507 of the Bankruptcy Code, to adequate protection of their respective interests in the Prepetition Collateral (including Cash Collateral) solely to the extent of the aggregate diminution in the value of their respective interests, from the value, if any, that existed as of the Petition Date, in the Prepetition Collateral (including Cash Collateral) from and after the Petition Date for any reason provided for under the Bankruptcy Code, including, without limitation, any such diminution resulting from the sale, lease or use by

the Debtors of the Prepetition Collateral, the payment of any amounts under the Carve-Out or pursuant to this Interim Order, the Final Order or any other order of the Court or provision of the Bankruptcy Code or otherwise, and the imposition of the Automatic Stay (the “*Adequate Protection Claims*”), which Adequate Protection Claims shall be subject and subordinate to the Carve-Out. In consideration of the foregoing, the Prepetition Agent, for the benefit of the Prepetition Secured Parties, is hereby granted the following as Adequate Protection on account of their Adequate Protection Claims, and as an inducement to the Prepetition Secured Parties to consent and use of the Prepetition Collateral (including Cash Collateral) (collectively, the “*Adequate Protection Obligations*”):

(a) *Prepetition Senior Secured Adequate Protection Liens.* The Prepetition Agent, for itself and for the benefit of the other Prepetition Secured Parties, is hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements), on account of its Adequate Protection Claims, a valid, perfected replacement security interest in and lien upon all of the DIP Collateral (the “*Adequate Protection Liens*”), senior to all other liens, but subject and subordinate only to (i) the Carve-Out, (ii) the DIP Liens (solely with respect to DIP Collateral that is not Prepetition Collateral), (iii) any Prior Liens on Prepetition Collateral and (iv) any liens on DIP Collateral that, other than Prepetition Collateral, are senior to the DIP Liens in accordance with the foregoing paragraph 6. For the avoidance of doubt, with respect to the DIP Collateral that is Prepetition Collateral, the Adequate Protection Liens shall be senior to the DIP Liens.

(b) *Prepetition Secured Parties’ Section 507(b) Claim.* The Prepetition Agent, for itself and for the benefit of the other Prepetition Secured Parties, is hereby granted an allowed

superpriority administrative expense claim on account of such Prepetition Secured Parties' Adequate Protection Claims as provided for in section 507(b) of the Bankruptcy Code (the "**507(b) Claim**"), which 507(b) Claim shall be payable from and have recourse to all DIP Collateral and all proceeds thereof (excluding Avoidance Actions but including, subject to, and upon entry of the Final Order, the Avoidance Proceeds) which 507(b) Claim shall have priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code, except that the 507(b) Claim shall be subject and subordinate only to (i) the Carve-Out and (ii) the DIP Superpriority Claims (except against any Debtor that is a Prepetition Loan Party, as to any recourse to the Prepetition Collateral, in respect of which (and solely in respect of which) the 507(b) Claim shall be senior to the DIP Superpriority Claims). Subject to the priorities set forth herein, the 507(b) Claim shall be asserted on a joint and several basis against each of the Debtors.

(c) *Prepetition Secured Parties Adequate Protection Fees and Expenses.* As further adequate protection, the DIP Credit Parties shall provide current cash payments of all reasonable and documented prepetition and postpetition fees and expenses of (i) the Ad Hoc Group, including, without limitation but subject to the terms of any fee letter with the Debtors that may then be in effect, all reasonable and documented fees and expenses of the Ad Hoc Group Advisors and (ii) the Prepetition Agent, including, without limitation but subject to the terms of any fee letter with the Debtors that may then be in effect, all reasonable and documented fees and expenses of Cahill Gordon & Reindel LLP and one local counsel to the Prepetition Agent in each applicable jurisdiction (such fees and expenses, the "**Prepetition Secured Parties Adequate Protection Fees and Expenses**"), subject to the review procedures set forth in paragraph 16 of this Interim Order;

(d) *Prepetition Senior Secured Postpetition Interest Payments.* From and after entry of this Interim Order, the Prepetition Agent, on behalf of the Prepetition Secured Lenders, shall receive current cash payment during the Chapter 11 Cases of all prepetition and postpetition accrued and unpaid interest on the Prepetition Senior Secured Debt under the Prepetition Senior Secured Credit Agreement as such interest becomes due and payable at the contractual rate thereunder as described in paragraph G(b) and in the amounts specified in the Prepetition Senior Secured Credit Agreement; *provided* that the rights of the Debtors and all parties in interest are fully reserved to seek a determination that any such payments of post-petition interest should be recharacterized under section 506(b) of the Bankruptcy Code as payment on account of the secured portion of the Prepetition Senior Secured Debt as of the Petition Date, and the rights of the Prepetition Secured Parties to contest any such determination are hereby reserved.

(e) *Additional Senior Secured Adequate Protection.* The DIP Borrower and Issuer shall provide (x) the Prepetition Agent, for distribution to the Prepetition Secured Lenders (and subject to the applicable confidentiality restrictions in any of the Prepetition Senior Secured Credit Documents), with copies of quarterly and annual financial reports contemporaneously with (or reasonably promptly following) the delivery of such reports to the DIP Agent under the DIP Documents and (y) counsel to the Prepetition Agent and counsel to the Minority Lender Group (as defined below), on a confidential and “professional eyes only” basis, copies of updated budgets and variance reports contemporaneously with (or reasonably promptly after) the delivery of such budgets and variance reports to parties under the DIP Documents; *provided* that if the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) waives or modifies its rights under the DIP Documents to receive any of the foregoing reporting, the Prepetition Agent (or, applicable, its counsel and counsel to the Minority Lender Group) shall only receive such

reporting (i) the delivery of which has not been waived by the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) in accordance with the terms of the DIP Documents and (ii) as modified upon request of the DIP Agent in accordance with the terms of the DIP Documents. In addition, in the event the DIP Facility Agreement is indefeasibly repaid in full or no longer in effect for any reason, (i) the Milestones set forth in Schedule 5.18 of the DIP Facility Agreement, (ii) the Debtors' obligations to provide and comply with the Initial DIP Budget and any subsequent Approved Budget as set forth herein and in the DIP Facility Agreement, and (iii) all information and reporting requirements set forth in the DIP Facility Agreement shall remain in full force and effect for the benefit of the Prepetition Secured Parties and all consents, waivers and amendments in connection therewith shall be subject to the determination of the Prepetition Required Lenders and/or the Prepetition Agent (acting at the direction of the Prepetition Required Lenders).

(f) *Fees and Expenses of Minority Lender Group.* Subject fully to the provisions of this Section 13(f), the DIP Credit Parties shall provide, as additional adequate protection to the Prepetition Secured Parties, current cash payments of all reasonable and documented prepetition and postpetition fees and expenses of that certain ad hoc group of first lien lenders represented by Latham & Watkins LLP (among other advisors) that does not constitute the Prepetition Required Lenders (the "***Minority Lender Group***"), subject to an aggregate maximum limit of \$400,000, subject to the review procedures set forth in paragraph 16 of this Interim Order (the "***Minority Lender Group Fee and Expense Reimbursement***"); *provided* that (i) except to the extent set forth in the succeeding clause (ii), the Minority Lender Group and its members shall not be entitled to any reimbursement of prepetition or postpetition fees or expenses in any amount exceeding \$400,000 (whether paid as adequate protection, claim treatment or otherwise) or any

allowed claim in respect thereof, and no such amounts may be used in respect of, or paid to reimburse any costs of, any litigation or investigation except as expressly consented to in writing by the Debtors, the Prepetition Required Lenders and the Required DIP Creditors; and (ii) if the Debtors determine in good faith that they are no longer pursuing (or are no longer able to pursue) a plan of reorganization that repays the Prepetition Secured Obligations in full, in cash on or as soon as practicable following the effective date thereof, then counsel to the Debtors shall, as soon as reasonably practicable after making such determination, deliver written notice (which may be by email) to counsel to the Minority Lender Group, counsel to the Ad Hoc Group and counsel to the Prepetition Agent, indicating such determination, at which point (A) the rights of the Minority Lender Group and its members shall be fully reserved to (1) petition the Court for additional adequate protection in excess of the Minority Lender Group Fee and Expense Reimbursement and (2) seek allowance of claims in respect of fees and expenses in excess of \$400,000 in aggregate and (B) the rights of the Debtors, the Prepetition Required Lenders, the Ad Hoc Group and all other parties in interest shall be fully reserved to (1) oppose any such request for adequate protection (including, without limitation, any rights and arguments relating to the Minority Lender Group's lack of standing to seek adequate protection) or claim allowance and (2) pursue or provide any treatment that is legally permissible in respect of any claim of the Minority Lender Group. Unless and until the Debtors deliver notice of the type described in clause (ii) of the preceding sentence, the Prepetition Required Lenders shall refrain from seeking to amend any provision of the Prepetition Senior Secured Credit Documents relating to the entitlement of the Minority Lender Group to payment of fees and expenses thereunder, including without limitation Section 9.05 thereof, provided that no such restriction shall apply following delivery of such notice.

(g) *Reservation of Rights of Prepetition Secured Parties.* The Prepetition Required Lenders (or the Prepetition Agent acting at the direction of the Prepetition Required Lenders) may request further or different adequate protection and the Debtors, the DIP Secured Parties, or any other party in interest may contest any such request; *provided* that any further or different adequate protection granted shall be subject and subordinate to the Carve-Out.

14. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) Without in any way limiting the automatically valid and effective perfection of the DIP Liens granted pursuant to paragraph 6 hereof and the Adequate Protection Liens granted pursuant to paragraph 13 hereof, the DIP Secured Parties and the Prepetition Secured Parties are hereby authorized to file or record (and to execute in the name of the DIP Credit Parties and the Prepetition Secured Parties (as applicable), as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of securities, or to amend or modify security documents, or enter into, amend or modify intercreditor agreements, or to subordinate existing liens and any other similar action in connection therewith in a manner not inconsistent herewith or take any other action in order to document, validate and perfect the liens and security interests granted to them hereunder the (“**Perfection Actions**”). Whether or not the DIP Secured Parties or the Prepetition Secured Parties shall take such Perfection Actions, the liens and security interests granted hereunder shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination, at the time and on the date of entry of this Interim Order. Upon the request of the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) or the Prepetition Agent (acting at the direction of the Prepetition Required Lenders), each of the

Prepetition Secured Parties and the DIP Credit Parties, without any further consent of any party, and at the sole cost of the Debtors as set forth herein, is authorized (in the case of the DIP Credit Parties) and directed (in the case of the Prepetition Secured Parties), and such direction is hereby deemed to constitute required direction under the applicable DIP Documents or Prepetition Senior Secured Credit Documents, to take, execute, deliver and file such actions, instruments and agreements (in each case, without representation or warranty of any kind) to enable the DIP Agent to further validate, perfect, preserve and enforce the DIP Liens in all jurisdictions required under the DIP Facility Agreement, including all local law documentation therefor determined to be reasonably necessary by the DIP Secured Parties; *provided* that no action need be taken in a foreign jurisdiction that would jeopardize the validity, priority (as provided for in this Interim Order) and enforceability of the Prepetition Liens. All such documents will be deemed to have been recorded and filed as of the Petition Date. The Adequate Protection Liens shall be valid and enforceable against any trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Cases, in any Successor Case, and/or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. The Adequate Protection Liens shall not be subject to section 506(c), 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of any Debtor's estate pursuant to section 551 of the Bankruptcy Code shall be made *pari passu* with or senior to the Adequate Protection Liens.

(b) A certified copy of this Interim Order may, in the discretion of the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) and/or the Prepetition Agent (acting at the direction of the Prepetition Required Lenders), be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized and

directed to accept a certified copy of this Interim Order for filing and/or recording, as applicable. The Automatic Stay shall be modified to the extent necessary to permit the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors) and the Prepetition Agent (acting at the direction of the Prepetition Required Lenders) to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

15. *Preservation of Rights Granted Under this Interim Order.*

(a) Other than the Carve-Out and other claims and liens expressly granted or permitted by this Interim Order, no claim or lien having a priority senior to or *pari passu* with those granted by this Interim Order to the DIP Secured Parties or the Prepetition Secured Parties shall be permitted while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding (it being understood, for the avoidance of doubt, that the Adequate Protection Obligations shall not cease to be outstanding at any time before the Prepetition Senior Secured Debt has been indefeasibly paid in full), and, except as otherwise expressly provided in or permitted under this Interim Order, the DIP Liens, the Prepetition Liens, and the Adequate Protection Liens shall not be subject or subordinate to or made *pari passu* with: (i) any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code; (ii) any other lien or security interest, whether under section 361, 363 or 364 of the Bankruptcy Code or otherwise; (iii) any liens arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory

body), commission, board or court for any liability of the DIP Credit Parties; or (iv) any intercompany or affiliate liens or security interests of the DIP Credit Parties.

(b) Upon an Event of Default, interest, including, where applicable, default interest, shall accrue and be paid as and to the extent set forth in the DIP Facility Agreement. Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or converting any of these Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code: (i) the DIP Superpriority Claims, the DIP Liens, the Prepetition Liens, the Adequate Protection Claims, the Adequate Protection Liens, and the other Adequate Protection Obligations, and any claims related to the foregoing shall continue in full force and effect and shall maintain their priorities as provided in this Interim Order until all DIP Obligations and Adequate Protection Obligations shall have been paid in full (and such DIP Superpriority Claims, the DIP Liens, the Adequate Protection Claims, the Adequate Protection Liens, and the other Adequate Protection Obligations shall, notwithstanding such dismissal or conversion, remain binding on all parties in interest, including, without limitation, any appointed trustee); (ii) the other rights granted by this Interim Order, including with respect to the Carve-Out, shall not be affected; and (iii) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph and otherwise in this Interim Order.

(c) If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacatur or stay shall not affect: (i) the validity, priority or enforceability of any DIP Obligations or Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the effective date of such reversal, modification, vacatur or stay; or (ii) the validity,

priority or enforceability of the DIP Liens, the Adequate Protection Liens, or the Carve-Out. Notwithstanding any such reversal, modification, vacatur or stay, any DIP Obligations, the DIP Liens, the Adequate Protection Claims, the Adequate Protection Liens or the other Adequate Protection Obligations incurred by the DIP Credit Parties and granted to the DIP Secured Parties or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the effective date of such reversal, modification, vacatur or stay shall be governed in all respects by the original provisions of this Interim Order, and the DIP Secured Parties and the Prepetition Secured Parties shall be entitled to, and are hereby granted, all the rights, remedies, privileges and benefits arising under sections 364(e) and 363(m) of the Bankruptcy Code and the DIP Documents with respect to all uses of Cash Collateral, DIP Obligations and Adequate Protection Obligations.

(d) Except as expressly provided in the DIP Documents, including this Interim Order, the DIP Liens, the DIP Superpriority Claims, the Prepetition Liens, the Adequate Protection Claims, the Adequate Protection Liens, the other Adequate Protection Obligations and all other rights and remedies of the DIP Secured Parties and the Prepetition Secured Parties granted by the provisions of this Interim Order or the other DIP Documents and the Carve-Out shall survive, and shall not be modified, impaired or discharged by: (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, dismissing any of the Chapter 11 Cases or terminating the joint administration of these Chapter 11 Cases or by any other act or omission; (ii) the entry of an order approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents); or (iii) the entry of an order confirming a chapter 11 plan in any of the Chapter 11 Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the DIP Credit Parties have waived any discharge as

to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of the DIP Documents shall continue in these Chapter 11 Cases (including if these Chapter 11 Cases cease to be jointly administered) and in any Successor Cases, and the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Claims, the Adequate Protection Liens and the other Adequate Protection Obligations and all other rights and remedies of the DIP Secured Parties and the Prepetition Secured Parties granted by the provisions of the DIP Documents and this Interim Order shall continue in full force and effect until the DIP Obligations and the Adequate Protection Obligations are indefeasibly paid in full in cash, as set forth herein and in the other DIP Documents, and the DIP Commitments have been terminated (and in the case of rights and remedies of the Prepetition Secured Parties, shall remain in full force and effect thereafter, subject to the terms of this Interim Order), and the Carve-Out shall continue in full force and effect.

16. *Payment of Fees and Expenses.* The DIP Credit Parties are authorized to and shall pay the DIP Fees and Expenses and the Prepetition Secured Parties Adequate Protection Fees and Expenses. Subject to the review procedures set forth in this paragraph 16, payment of all DIP Fees and Expenses, the Prepetition Secured Parties Adequate Protection Fees and Expenses and the Minority Lender Group Fee and Expense Reimbursement shall not be subject to allowance or review by the Court. Professionals for the DIP Agent, the Prepetition Agent, the Minority Lender Group and the Ad Hoc Group shall not be required to comply with the U.S. Trustee fee guidelines; *provided* however, any time that such professionals seek payment of fees and expenses from the Debtors prior to confirmation of a chapter 11 plan, each professional, subject to the terms of any fee letter with the Debtors that may be then in effect, shall provide summary copies of its invoices with aggregate amounts of fees and expenses and total amount of time on a per-professional basis (which shall not be required to contain time detail and which may be redacted, summarized or

modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine or any other evidentiary privilege or protection recognized under applicable law) to the DIP Credit Parties, Vinson & Elkins LLP and Kutak Rock LLP as co-counsel to the DIP Credit Parties, counsel to any Creditors' Committee, and the U.S. Trustee (together, the "***Review Parties***"). Any objections raised by any Review Party with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within fourteen (14) calendar days after the receipt by the Review Parties (the "***Review Period***"). If no written objection is received by 12:00 p.m., prevailing Eastern Time, on the end date of the Review Period, the DIP Credit Parties shall pay such invoices within five (5) business days. If an objection to a professional's invoice is received within the Review Period, the DIP Credit Parties shall pay within five (5) business days of the end of the Review Period the undisputed amount of the invoice without the necessity of filing formal fee applications, regardless of whether such amounts arose or were incurred before or after the Petition Date, and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. Notwithstanding the foregoing, the Debtors are authorized and directed to pay on the Closing Date any DIP Fees and Expenses, the Prepetition Secured Parties Adequate Protection Fees and Expenses and any applicable portion of the Minority Lender Group Fee and Expense Reimbursement incurred on or prior to such date without the need for any professional to first deliver a copy of its invoice or other supporting documentation to the Review Parties (other than the Debtors). No attorney or advisor to the DIP Agent, the Prepetition Agent, the Minority Lender Group or the Ad Hoc Group shall be required to file an application

seeking compensation for services or reimbursement of expenses with the Court. Any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to or for the benefit of the DIP Secured Parties, the Prepetition Agent, the Minority Lender Group or the Ad Hoc Group, in connection with or with respect to the DIP Financing or these Chapter 11 Cases, are hereby approved in full and shall not be subject to recharacterization, avoidance, subordination, disgorgement or any similar form of recovery by the Debtors or any other person.

17. *Maintenance of Collateral.* The DIP Credit Parties shall continue to maintain and insure the Prepetition Collateral and DIP Collateral in amounts and for the risks, and by the entities, as required under the Prepetition Senior Secured Credit Documents and the DIP Documents.

18. *Effect of Stipulations on Third Parties.* The Debtors' stipulations, admissions, agreements and releases contained in this Interim Order shall be binding upon the Debtors in all circumstances and for all purposes. The Debtors' stipulations, admissions, agreements and releases contained in this Interim Order shall be binding upon all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases and any other person or entity acting or seeking to act on behalf of the Debtors' estates (including any trustee or examiner appointed or elected in the Chapter 11 Cases or any Successor Cases), in all circumstances and for all purposes unless: (a) such committee or any other party in interest with requisite standing (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so) has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, inter alia, in this paragraph) on or before the later of (i) (A) as to the Creditors' Committee only, the later of (i) sixty (60) calendar days from entry of this Interim Order, and (ii) sixty (60) calendar days after the appointment of the Creditors' Committee, (B) if the Chapter 11 Cases are converted to chapter 7 and a chapter 7

trustee or a chapter 11 trustee is appointed or elected prior to the end of sixty (60) calendar days after entry of this Interim Order, then the Challenge Period for any such chapter 7 trustee or chapter 11 trustee shall be extended (solely as to such chapter 7 trustee and chapter 11 trustee) to the date that is the later of (I) sixty (60) calendar days after entry of this Interim Order, and (II) thirty (30) calendar days after its appointment, and (C) as to all other parties in interest, seventy-five (75) calendar days after entry of this Interim Order (the time period established by the foregoing clauses (i)–(ii), the “**Challenge Period**”); *provided* that prior to the end of the Challenge Period, any extension of the expiration date thereof may be (i) agreed to in writing by (A) the Required DIP Creditors (in all instances), and (B) the Prepetition Required Lenders (under the Prepetition Senior Secured Credit Agreement with respect to the Prepetition Secured Parties, the Prepetition Senior Secured Debt or the Prepetition Liens) or (ii) ordered by the Court for cause upon a motion filed and served within any applicable period (x) objecting to or challenging the amount, validity, perfection, enforceability, priority or extent of the Prepetition Senior Secured Debt or the Prepetition Liens, or (y) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the “**Challenges**”) against the Prepetition Secured Parties or their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case in their respective capacity as such (each, a “**Representative**” and, collectively, the “**Representatives**”) in connection with matters related to the Prepetition Debt Documents, the Prepetition Senior Secured Debt, the Prepetition Liens or the Prepetition Collateral; and (b) there is a final non-appealable order in favor of the plaintiff sustaining any such Challenge in any such

timely filed adversary proceeding or contested matter; *provided* that any pleadings filed in connection with any Challenge shall set forth with specificity the basis for such challenge or claim, and any challenges or claims not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released and barred. If no such Challenge is timely and properly filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such proceeding, then the Debtors' stipulations, admissions, agreements and releases contained in this Interim Order shall be binding on all parties in interest, including any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including, without limitation, successor thereto (including any trustee or examiner appointed or elected in the Chapter 11 Cases or any Successor Cases), for all purposes in the Chapter 11 Cases and any Successor Case(s) and otherwise, including that (x) the obligations of the Debtors under the Prepetition Senior Secured Credit Documents, including the Prepetition Senior Secured Debt, shall constitute allowed claims not subject to defense avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity, including any statutory or non-statutory committee; (y) the Prepetition Liens on the Prepetition Collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding and properly perfected security interests and liens, not subject to defense, avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity, including any statutory or non-statutory committee; and (z) any defense, avoidance, reduction, setoff,

recoupment, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases or any other person or entity acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including any trustee or examiner appointed or elected in the Chapter 11 Cases or any Successor Cases), whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties or their Representatives arising out of or relating to any of the Prepetition Debt Documents, the Prepetition Senior Secured Debt, the Prepetition Liens or the Prepetition Collateral shall be deemed forever waived, released and barred. If any such Challenge is timely filed during the Challenge Period, the stipulations, admissions, agreements and releases contained in this Interim Order shall nonetheless remain binding and preclusive (as provided in the foregoing provisions of this paragraph) on each other statutory or non-statutory committee appointed or formed in the Chapter 11 Cases and on any other person or entity, except (solely with respect to the party filing the Challenge) to the extent that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in this Interim Order vests or confers on any Entity (as defined in the Bankruptcy Code), including any statutory or non-statutory committees appointed or formed in these Chapter 11 Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Prepetition Debt Documents, the Prepetition Senior Secured Debt or the Prepetition Liens, and any ruling on standing (including any appeals thereof) shall not stay or otherwise delay the Chapter 11 Cases or confirmation of any plan of reorganization.

19. *Release.* Subject to entry of the Final Order and the Challenge Period in paragraph 18 hereof, effective as of the date of entry of this Interim Order, each Debtor, on behalf of itself and its respective estate, on its own behalf and on behalf of its and their respective past, present and future predecessors, successors, heirs, subsidiaries, and assigns, hereby absolutely, unconditionally and irrevocably releases and forever discharges and acquits the Prepetition Secured Parties, the DIP Secured Parties (solely in their capacities as such and not in any other capacity) and each of their respective Representatives (collectively, the “**Released Parties**”) from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, defenses, offsets, debts, accounts, contracts, liabilities, actions, and causes of action of any kind, nature or description, whether matured or unmatured, known or unknown, asserted or unasserted, foreseen or unforeseen, accrued or unaccrued, suspected or unsuspected, liquidated or unliquidated, pending or threatened, arising in law or equity, upon contract or tort or under any state or federal law or otherwise (collectively, the “**Released Claims**”), in each case arising out of or related to (as applicable) the DIP Documents, the negotiation thereof or of the transactions and agreements reflected thereby, or the financial or other obligations owing or made thereunder, in each case that the Debtors at any time had or now have, or that their predecessors, successors or assigns at any time had or may have against any of the Released Parties for or by reason of any act, omission, matter, cause or thing whatsoever arising at any time on or prior to the date of this Interim Order; *provided* that the Released Claims shall exclude, for the avoidance of doubt, any release of any claim or cause of action against any Released Party for such person’s or such person’s Representatives’ willful misconduct, fraud, gross negligence or bad faith. For the avoidance of doubt, nothing in this paragraph shall relieve

any party of (a) its obligations under the DIP Documents or (b) any rights or obligations it may have arising under that certain *Restructuring Support Agreement* dated as of March 12, 2024.

20. *Limitation on Use of DIP Financing Proceeds and Collateral.* Notwithstanding any other provision of this Interim Order or any other order entered by the Court, no portion or proceeds of the DIP Loans and Notes, DIP Collateral, Prepetition Collateral (including Cash Collateral) or the Carve-Out, may be used directly or indirectly, including without limitation through reimbursement of professional fees, disbursements, costs or expenses of any non-Debtor party, in connection with (a) the investigation, threatened initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation (i) against any of the DIP Secured Parties, the Prepetition Secured Parties, or their respective predecessors-in-interest or Representatives, in each case in their respective capacities as such, or any action purporting to do the foregoing in respect of the DIP Obligations, DIP Liens, DIP Superpriority Claims, Prepetition Senior Secured Debt, Prepetition Liens and/or the Adequate Protection Claims, Adequate Protection Liens, and other Adequate Protection Obligations granted to the Prepetition Secured Parties, as applicable, or (ii) challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset with respect to the DIP Obligations, the Prepetition Senior Secured Debt and/or the liens, claims, rights, or security interests granted under the DIP Documents or the Prepetition Debt Documents in respect of the DIP Obligations or the Prepetition Senior Secured Debt, including, in the case of each (i) and (ii), without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550 or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise (*provided* that, notwithstanding anything to the contrary herein, the proceeds of the DIP Loans and Notes and/or DIP Collateral (including Cash Collateral) may be used by the Creditors' Committee to investigate (but not to prosecute or initiate the prosecution of,

including the preparation of any complaint or motion on account of) (x) the claims and liens of the Prepetition Secured Parties and (y) potential claims, counterclaims, causes of action or defenses against the Prepetition Secured Parties, up to an aggregate cap of no more than \$50,000; (b) attempts to prevent, hinder, or otherwise delay or interfere with the Prepetition Secured Parties' or the DIP Secured Parties', as applicable, enforcement or realization on the Prepetition Senior Secured Debt, Prepetition Collateral, DIP Obligations, DIP Collateral, and the liens, claims and rights granted to such parties under the Interim Order or Final Order, as applicable, each in accordance with the DIP Documents and the Prepetition Debt Documents; (c) attempts to seek to modify any of the rights and remedies granted to the Prepetition Secured Parties or the DIP Secured Parties under the Prepetition Debt Documents or the DIP Documents, as applicable, other than in accordance with this Interim Order; (d) to apply to the Court for authority to approve superpriority claims or grant liens (other than the liens and claims granted hereunder or permitted pursuant to the other DIP Documents) or security interests in the DIP Collateral or any portion thereof that are senior to, or on parity with, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Claims, the Adequate Protection Liens, or the other Adequate Protection Obligations; or (e) to pay or to seek to pay any amount on account of any claims arising prior to the Petition Date unless such payments are agreed to in writing by the Required DIP Creditors or are expressly permitted under the DIP Documents or unless all DIP Obligations, Prepetition Senior Secured Debt, Adequate Protection Obligations, and claims granted to the DIP Secured Parties and the Prepetition Secured Parties under this Interim Order have been refinanced or paid in full in cash (including the cash collateralization of any letters of credit). For the avoidance of doubt, this paragraph 20 shall not limit the Debtors' right to use DIP Collateral to contest whether an Event of Default has

occurred and/or is continuing or has been cured pursuant to and consistent with paragraph 7 of this Interim Order.

21. *Indemnification.* The Prepetition Secured Parties and the DIP Secured Parties (solely in their capacities as such and not in any other capacity) have acted in good faith and without negligence, misconduct, or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting, or obtaining requisite approvals of the DIP Financing and the use of Cash Collateral, including in respect of the granting of the DIP Liens and the Adequate Protection Liens, any challenges or objections to the DIP Financing or the use of Cash Collateral, the DIP Documents, the equity participation election rights, and all other documents related to the DIP Financing. Accordingly, without limitation to any other right to indemnification, the Prepetition Secured Parties and DIP Secured Parties shall be and hereby are indemnified to the extent set forth in the Prepetition Senior Secured Credit Documents and the DIP Documents, as applicable, including, without limitation, Section 9.05 of the DIP Facility Agreement and Section 9.05 of the Prepetition Senior Secured Credit Agreement; *provided* that no such person will be indemnified for costs, expenses, or liabilities to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred solely by reason of the actual fraud, gross negligence, or willful misconduct of such person (or their related persons). The Debtors agree that no exception or defense in contract, law, or equity exists as of the date of this Interim Order to any obligation set forth, as the case may be, in this paragraph 21 or otherwise in the DIP Documents, or in the Prepetition Senior Secured Credit Documents to indemnify and/or hold harmless any DIP Secured Party or any Prepetition Secured Party, as the case may be, and any such defenses are hereby waived. Notwithstanding anything to the contrary herein, this paragraph 21 shall not apply for the

benefit of any person that, as of the Petition Date, is an insider of the Debtors except solely to the extent of such person's capacity as a Prepetition Secured Party or a DIP Secured Party.

22. *Letters of Credit.* The Debtors and any applicable letter of credit providers, including any Prepetition Secured Parties, are authorized (but not required) to extend, renew or replace any Letters of Credit issued prior to the Petition Date that may expire during these Chapter 11 Cases or issue new letters of credit during these Chapter 11 Cases in accordance with the terms of the Prepetition Senior Secured Credit Agreement, the DIP Documents and any related letter of credit agreements with any applicable letter of credit providers, including any Prepetition Secured Parties, and may take any reasonable related actions, including the transfer of cash collateral in support of any such Letters of Credit or new letters of credit and granting any related security interests and pay any related fees.

23. *Interim Order Governs.* In the event of any inconsistency between the provisions of this Interim Order, the other DIP Documents (including, but not limited to, with respect to the Adequate Protection Obligations and the Carve-Out) or the Prepetition Debt Documents, the provisions of this Interim Order shall govern. Notwithstanding the relief granted in any other order by this Court, (a) all payments and actions by any of the Debtors pursuant to the authority granted therein shall be consistent with and subject to this Interim Order, including compliance with the Approved Budget and all other terms and conditions hereof, and (b) to the extent there is any inconsistency between the terms of such other order and this Interim Order, this Interim Order shall control, in each case, except to the extent expressly provided otherwise in such other order.

24. *Binding Effect; Successors and Assigns.* The DIP Documents, including all findings herein, shall be binding upon all parties in interest in these Chapter 11 Cases, including, without limitation, the DIP Secured Parties, the Prepetition Secured Parties, any statutory or non-statutory

committees appointed or formed in these Chapter 11 Cases, the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Secured Parties, the Prepetition Secured Parties and the Debtors and their respective successors and assigns; *provided* that the DIP Secured Parties and the Prepetition Secured Parties shall have no obligation to permit the use of the Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

25. *No Liability.* Nothing in the DIP Documents, the Prepetition Debt Documents or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon any DIP Secured Party or Prepetition Secured Party of any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their businesses, or in connection with their restructuring efforts. The DIP Secured Parties and the Prepetition Secured Parties shall not, in any way or manner, be liable or responsible for (a) the safekeeping of the DIP Collateral or Prepetition Collateral, (b) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (c) any diminution in the value thereof or (d) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person, and all risk of loss, damage or destruction of the DIP Collateral or Prepetition Collateral shall be borne by the Debtors. Notwithstanding anything to the contrary herein, this paragraph 25 shall not apply for the benefit of any person that, as of the Petition Date,

is an insider of the Debtors except solely to the extent of such person's capacity as a Prepetition Secured Party or a DIP Secured Party.

26. *Limitation of Liability.* In determining to extend loans, purchase notes or make other extensions of credit under the DIP Documents, to permit the use of the DIP Collateral or Prepetition Collateral (including Cash Collateral) or in exercising any rights or remedies as and when permitted pursuant to the DIP Documents, the Prepetition Senior Secured Credit Documents or this Interim Order, none of the DIP Secured Parties or the Prepetition Secured Parties (in each case in their capacities as such) shall (a) have any liability to any third party or be deemed to be in "control" of the operations of the Debtors; (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates, or constitute or be deemed to constitute a joint venture or partnership with any of the Debtors; or (c) be deemed to be acting as a "Responsible Person" or "Owner" or "Operator" or "managing agent" with respect to the operation or management of any of the Debtors or their respective business (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 *et seq.*, as amended, or any other federal or state statute, including the Internal Revenue Code). Furthermore, nothing in this Interim Order shall in any way be construed or interpreted to impose or allow the imposition upon any of the DIP Secured Parties or the Prepetition Secured Parties (in each case in their capacities as such) of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in section 101(2) of the Bankruptcy Code).

27. *Master Proof of Claim.* None of the Prepetition Secured Parties shall be required to file a proof of claim in the Chapter 11 Cases or any Successor Case in order to assert claims on behalf of itself or other Prepetition Secured Parties for payment of Prepetition Senior Secured Debt

arising under the Prepetition Senior Secured Credit Documents, including, without limitation, any principal, unpaid interest, fees, expenses and other amounts under the Prepetition Senior Secured Credit Documents or the Adequate Protection Obligations arising under the DIP Documents. The statements of claim in respect of such indebtedness set forth in this Interim Order and presented at the Interim Hearing are deemed sufficient to and do constitute proofs of claim in respect of such debt and such secured status. Any order entered by this Court in relation to the establishment of a bar date for any claim (including, without limitation, administrative claims) in any of the Chapter 11 Cases or any Successor Cases shall not apply to the Prepetition Secured Parties with respect to the Prepetition Senior Secured Debt or the Adequate Protection Obligations. However, in order to facilitate the processing of claims, to ease the burden upon the Court and to reduce an unnecessary expense to the Debtors' estates, the Prepetition Agent (acting at the direction of the Prepetition Required Lenders) is authorized, but not directed or required, to file in the Debtors' lead chapter 11 case [*In re Enviva Inc.*, Case No. [●]] a single master proof of claim on behalf of its respective Prepetition Secured Parties on account of any and all of their respective claims against any of the Debtors arising under the applicable Prepetition Senior Secured Credit Documents and hereunder (any such proof of claim, a "***Master Proof of Claim***"). Upon the filing of a Master Proof of Claim by the Prepetition Agent (acting at the direction of the Prepetition Required Lenders), it shall be deemed to have filed a proof of claim in the amount set forth therein in respect of its claims against each of the Debtors of any type or nature whatsoever with respect to the Prepetition Senior Secured Credit Documents, and the claim of each applicable Prepetition Secured Party (and each of its respective successors and assigns) specified in a Master Proof of Claim shall be treated as if it had filed a separate proof of claim in each of these Chapter 11 Cases. A Master Proof of Claim shall not be required to identify whether any Prepetition Secured Party acquired its claim from another

party or the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among the holders of the claims asserted therein resulting from the transfer of all or any portion of such claims. The provisions of this paragraph 27 and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in these Chapter 11 Cases. A Master Proof of Claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the Prepetition Agent. The DIP Secured Parties shall similarly not be required to file proofs of claim with respect to any DIP Obligations or other obligations existing under the DIP Documents, and the evidence presented with the DIP Motion and the record established at the Interim Hearing are deemed sufficient to, and do, constitute proofs of claim with respect to their obligations, secured status, and priority.

28. *Insurance.* To the extent that the Prepetition Agent or any other creditor of the Debtors is listed as loss payee under any of the Debtors' insurance policies, the DIP Agent is also deemed to be the loss payee under such insurance policies (in any such case with the same priority of liens and claims thereunder relative to the priority (with respect to any Prepetition Collateral) of (x) the Prepetition Liens and Adequate Protection Liens and (y) the DIP Liens, as set forth herein) and the Prepetition Agent (acting at the direction of the Prepetition Required Lenders) or the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors), of any other applicable creditor, as applicable, shall act in that capacity and distribute any proceeds recovered or received in respect of such insurance policies in accordance with such priorities until the indefeasible payment in full of the DIP Obligations, the Prepetition Senior Secured Debt, and

any such other indebtedness, as applicable, (other than contingent indemnification obligations as to which no claim has been asserted) and termination of the DIP Commitments; *provided* that the rights of a lessor under any non-residential real property lease to any such insurance proceeds are hereby expressly reserved pending entry of a Final Order.

29. *Credit Bidding*. Subject to the lien priorities set forth herein, (a) the DIP Agent (acting with the consent or at the direction of the Required DIP Creditors), on behalf of itself and the other DIP Secured Parties, shall have the right to credit bid, in accordance with the DIP Documents, up to the full amount of the DIP Obligations in any sale of the DIP Collateral (or any portion thereof) and (b) the Prepetition Agent (acting at the direction of the Prepetition Required Lenders) shall have the right to credit bid up to the full amount of the Prepetition Senior Secured Debt in the sale of the applicable Prepetition Collateral (or any portion thereof), without the need for further Court order authorizing the same and whether any such sale is effectuated through section 363(k), 1123 or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise; *provided* that (x) the DIP Obligations may not be credit bid in any disposition of any Prepetition Collateral unless such sale provides for indefeasible payment in full in cash of all Prepetition Senior Secured Debt, and (y) none of the Prepetition Senior Secured Debt may be credit bid in any disposition of any DIP Collateral that is not Prepetition Collateral unless such sale provides for the indefeasible payment in full in cash of all DIP Obligations and the termination of the DIP Commitments. Nothing in this Interim Order or the DIP Documents shall impair or adversely affect the right of the U.S. Trustee to object to any credit bid for cause under section 363(k) of the Bankruptcy Code.

30. *Treatment of DIP Claims*. On the Termination Date, all then outstanding unpaid DIP obligations shall be paid in cash pursuant to the provisions of the DIP Documents, except as

expressly set forth in the DIP Documents with respect to any “cashless roll” or similar mechanism pertaining to exit financing.

31. *Equity Participation Election Rights.* Any Acceptable Plan of Reorganization (or any other plan of reorganization in the Chapter 11 Cases that provides for equity to be issued pursuant to an equity rights offering or similar arrangement and/or through the equitization of claims) shall provide each DIP Creditor holding Tranche A Loans and/or Tranche A Notes with the right, exercisable prior to the disclosure statement hearing for such plan, and established by and conditioned upon the consummation of such plan (which consummation shall occur only following approval by the Court), to subscribe for the purchase of equity in the reorganized Debtors on the effective date of such plan at a price equivalent to the price established pursuant to the equity rights offering (or similar arrangement, as applicable), and subject to the same dilution terms as such equity rights offering shares, up to the principal amount of any Tranche A Loans and/or Tranche A Notes held by such DIP Creditor, and with the purchase price for such equity to be satisfied by offset against repayment of the applicable portion of the principal amount of such Tranche A Loans and/or Tranche A Notes.

32. *Effectiveness.* Notwithstanding Bankruptcy Rule 4001(a)(3), 6004(h), 6006(d), 7062, or 9014, any Local Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim Order.

33. *Headings.* Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Interim Order.

34. *Payments Held in Trust.* Except as expressly permitted in this Interim Order or the other DIP Documents and except with respect to the DIP Credit Parties, in the event that any person

or entity receives any payment on account of a security interest in or lien on DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral or receives any other payment with respect thereto from any other source, in each case, prior to indefeasible payment in full in cash of all DIP Obligations and termination of all DIP Commitments in accordance with the DIP Documents, such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of DIP Collateral in trust for the benefit of the DIP Secured Parties and shall immediately turn over the proceeds to the DIP Agent, or as otherwise instructed by this Court, for application in accordance with the DIP Documents, including this Interim Order. Except as expressly permitted in this Interim Order or the DIP Documents and except with respect to the DIP Credit Parties, in the event that any person or entity receives any payment on account of a security interest in or lien on Prepetition Collateral, receives any Prepetition Collateral or any proceeds of Prepetition Collateral or receives any other payment with respect thereto from any other source, in each case, prior to indefeasible payment in full in cash of all Prepetition Senior Secured Debt, such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of Prepetition Collateral in trust for the benefit of the Prepetition Secured Parties and shall immediately turn over the proceeds to the Prepetition Agent, or as otherwise instructed by this Court, for application in accordance with the Prepetition Senior Secured Credit Agreement and this Interim Order.

35. *Amendments.* The DIP Documents may from time to time be amended, restated, amended and restated, supplemented, or otherwise modified, in each case in accordance with the provisions of the DIP Documents governing amendments thereto, by the parties thereto, each without further application to or order of the Court; *provided* that any amendment to the DIP Facility Agreement that (a) shortens the maturity of the DIP Loans and Notes, (b) increases the

aggregate commitments thereunder, or (c) increases the rate of interest payable with respect thereto (each, a “*Material DIP Amendment*”) shall be provided (which may be by email) to the U.S. Trustee or any Creditors’ Committee, which shall have three (3) business days from the date of such notice within which to object, in writing to the Material DIP Amendment. If the U.S. Trustee or any Creditors’ Committee timely objects to the Material DIP Amendment, the Material DIP Amendment shall only be permitted pursuant to an order of the Court. The foregoing shall be without prejudice to the Debtors’ right to seek approval from the Court of a Material DIP Amendment on an expedited basis. In the event any proposed amendment would materially impact the rights of the Prepetition Secured Parties or affect, in any way, Prepetition Collateral of the Prepetition Secured Parties, the consent of the Prepetition Required Lenders shall also be required.

36. *Bankruptcy Rules.* The requirements of Bankruptcy Rules 4001, 6003 and 6004, in each case to the extent applicable, are satisfied by the contents of the DIP Motion.

37. *No Third-Party Rights.* Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect or incidental beneficiary.

38. *Necessary Action.* The Debtors, the DIP Secured Parties and the Prepetition Secured Parties and their agents are authorized to take all reasonable actions as are necessary or appropriate to implement the terms of this Interim Order. In addition, the Automatic Stay is modified to permit subsidiaries of the Debtors who are not debtors in these Chapter 11 Cases and their agents to take all actions as are necessary or appropriate to implement the terms of this Interim Order.

39. *Retention of Jurisdiction.* The Court shall retain jurisdiction to enforce the provisions of this Interim Order, and this retention of jurisdiction shall survive the confirmation

and consummation of any chapter 11 plan for any one or more of the Debtors notwithstanding the terms or provisions of any such chapter 11 plan or any order confirming any such chapter 11 plan.

40. *Final Hearing.* The Final Hearing to consider the relief requested in the DIP Motion shall be held on [], 2024 at [x]:00 [a./p.].m. (prevailing Eastern Time) and any objections or responses to the DIP Motion shall be filed on or prior to [], 2024 at [x]:00 [a./p.].m. (prevailing Eastern Time).

41. *Objections.* Any party in interest objecting to the relief sought at the Final Hearing shall file with the Court and serve written objections, which objections shall be served upon (a) the Debtors, 7272 Wisconsin Avenue, Suite 1800, Bethesda, MD 20814 (Attn: Jason Paral), and counsel thereto, Vinson & Elkins, 1114 Avenue of the Americas, New York, NY 10036 (Attn: David S. 42. For the avoidance of doubt, nothing in this Interim Order shall improve the lien position of any Prepetition Secured Party.

43. The Debtors shall promptly serve copies of this Interim Order (which shall constitute adequate notice of the Final Hearing) to the parties having been given notice of the Interim Hearing and to any party that has filed a request for notices with this Court in these Chapter 11 Cases.

(B) If the applicable conditions set forth in this Agreement have been met, the sale and purchase of the Delayed Draw Notes pursuant to paragraph (b)(i) of this Section shall occur on such proposed Delayed Draw Borrowing Date, or such other date agreed by the Company, the Co-Administrative Agents and all of the DIP Notes Creditors.

(C) The DIP Notes Creditors' obligations hereunder are several and not joint obligations and no DIP Notes Creditor shall have any liability to any Person for the performance or non-performance of any obligation by any other DIP Notes Creditor hereunder.

(b) Each Note shall be issued as part of a Borrowing consisting of Notes purchased by the DIP Notes Creditors ratably in accordance with their applicable Note Commitments; provided, however, that the failure of any DIP Notes Creditor to purchase any Note shall not in itself relieve any other DIP Notes Creditor of its obligation to purchase hereunder.

(c) Subject to Sections 2.08, 2.15 and 2.29, each Borrowing comprised of Notes shall be comprised entirely of ABR Notes or Term SOFR Notes as the Company may request pursuant to Section 2.03 and Section 2.10.

(iii) If at the relevant Closing the Company shall fail to cause any such Note to be registered on the DIP Notes Creditor Register, or any of the conditions specified in Article IV shall not have been satisfied, such DIP Notes Creditor shall, at its election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such DIP Notes Creditor may have by reason of such failure or such nonfulfillment.

(iv) At the relevant Closing, Initial Notes and Delayed Draw Notes, as applicable, shall be evidenced by electronic book-entry in the DIP Notes Creditor Register maintained by the Registrar and no certificated Notes will be issued.

(b) Each Loan shall be made as part of a Borrowing consisting of Loans made by the DIP Term Loan Creditors ratably in accordance with their applicable Term Loan Commitments; provided, however, that the failure of any DIP Term Loan Creditor to make any Loan shall not in itself relieve any other DIP Term Loan Creditor of its obligation to lend hereunder.

(c) The aggregate principal amount of the Borrowing comprised of Initial Term Loans shall be in an integral multiple of \$1,000,000 and shall not be less than \$5,000,000.

If no election as to the Type of

Borrowing is specified in any such notice, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period with respect to any Term SOFR Borrowing is specified in any such notice, then the Company shall be deemed to have selected an Interest Period of one month's duration. The Co-Administrative Agents shall promptly advise the applicable DIP Creditors of any notice given pursuant to this Section 2.03 (and the contents thereof), and of each DIP Creditor's portion of the requested Borrowing. Each DIP Creditor shall make its applicable Loan and/or fund the principal amount of Notes for each Borrowing available to the Co-Administrative Agents not later than 12:00 p.m. (New York City time) on the Closing Date or a Delayed Draw Borrowing Date, as applicable, by wire transfer of same day funds in Dollars, at the principal office designated by the Co-Administrative Agents. (b) All Borrowings shall be made first, with respect to all Tranche A Commitments until all Tranche A Commitments have been fully utilized and, thereafter, with respect to Tranche B Commitments. Borrowings of (a) Initial Term Loans and Initial Notes and (b) Delayed Draw Term Loans and Delayed Draw Notes borrowed or issued on the same Delayed Draw Borrowing Date shall in each case be made ratably as between the Commitments with respect to Loans and Notes of the applicable Class and the Type to be made or issued, as applicable, and the Interest Periods and Types of all (x) Initial Term Loans and Initial Notes and (y) Delayed Draw Term Loans and Delayed Draw Notes borrowed or issued on the same Delayed Draw Borrowing Date shall in each case at all times be identical, including with respect to any subsequent extensions or conversions thereof.

(c) Subject to Section 9.04(d) (and, with respect to Notes, Section 10.01), which shall control in all cases, the Co-Administrative Agents shall maintain accounts in which it will record (i) the amount of each Term Loan made or Note issued hereunder, the Class and Type thereof and, if applicable, the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and

(d) Subject to Section 9.04(d) (and, with respect to Notes, Section 10.01), which shall control in all cases, the entries made in the accounts maintained pursuant to paragraphs (b) and (c) above shall be prima facie evidence of the existence and amounts of the obligations therein recorded; provided that the failure of any DIP Creditor or the Co-Administrative Agents to maintain such accounts or any error therein shall not in any manner affect the obligations of the Company to repay the Term Loans and Notes in accordance with their terms.

SECTION 2.05 *Fees and Premiums.*

(a) ***Undrawn Commitment Premium.*** The Company agrees to pay to each DIP Creditor, through the Co-Administrative Agents, on the last Business Day of each month and on the Delayed Draw Commitment Termination Date, a commitment premium (a "***Undrawn Commitment Premium***"), initially equal to 4.00% per annum on the daily unused amount of the Commitment of such DIP Creditor (computed on the basis of the actual number of days elapsed over a year of 360 days) during the preceding month (or other period commencing with the Closing Date or the last date for which the Undrawn Commitment Premium was paid and ending with the Delayed Draw Commitment Termination Date), which shall be payable in cash, subject to the entry of the Interim Order.

(g) All fees, discounts and premiums shall be paid on the dates due, in immediately available funds, to the Co-Administrative Agents for distribution, if and as appropriate, among the DIP Creditors. The Company and the DIP Creditors agree that the fees, discounts and premiums paid hereunder (i) are paid without set-off or counterclaim, (ii) once paid, shall not be refundable under any circumstances and (iii) for U.S. federal, and applicable state and local, income tax purposes, the Company and the DIP Creditors shall treat (A) each of the Term Loans and Notes as indebtedness, (B) each of the Backstop Premium and any Undrawn Commitment Premium, respectively, as a premium paid in respect of the issuance of a put option in respect of the Term Loan Commitment and Note Commitment, respectively, and (C) the Upfront Premium as reducing the issue price of the Term Loans and Notes issued in connection therewith, and the Company and the DIP Creditors shall not take any inconsistent position on any tax return, unless required to do so pursuant to a change in law following the date hereof or a "determination" as defined under Section 1313 of the Code.

SECTION 2.06 **Interest.**

(a) Subject to the provisions of Section 2.07, the Term Loans or the Notes comprising each ABR Borrowing shall bear interest (in the case of ABR Term Loans or ABR Notes bearing interest based upon the Prime Rate, computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as applicable, and in all other cases, computed on the basis of the actual number of days elapsed over a year of 360 days at all times and calculated from and including the date of such Borrowing to but excluding the date of repayment or conversion thereof), at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin.

(b) Subject to the provisions of Section 2.07, the Term Loans or the Notes comprising each Term SOFR Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate per annum equal to the Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Interest on each Loan and each Note shall be payable by the Company on the Interest Payment Dates applicable to such Loan or such Note except as otherwise provided in this Agreement. The applicable Alternate Base Rate or Term SOFR for each Interest Period or day within an Interest Period, as the case may be, shall be determined by the Co-Administrative Agents, and such determination shall be conclusive absent manifest error.

SECTION 2.07 *Default Interest.* If any Event of Default under Article VII has occurred and is continuing, then, from the date of such Event of Default and for so long as such Event of Default is continuing, to the extent permitted by law, all amounts not paid when due under this Agreement and the other Credit Documents shall bear interest (after as well as before judgment), payable by the Company on demand, (a) in the case of principal, at the rate otherwise applicable to such Loan or such Note pursuant to Section 2.06 plus 2.00% per annum and (b) in all other cases, at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be, when determined by reference to the Prime Rate and over a year of 360 days at all other times) equal to the rate that would be applicable to an ABR Loan or ABR Note plus 2.00% per annum (such 2.00% rate referred to in clauses (a) and (b), the “*Default Rate*”).

SECTION 2.08 *Alternate Rate of Interest.*

(a) Subject to Section 2.29, in the event, and on each occasion, that on the day two (2) Business Days prior to the commencement of any Interest Period for a Term SOFR Borrowing the Co-Administrative Agents shall have determined that Dollar deposits in the principal amounts of the Term Loans or the Notes comprising such Borrowing are not generally available, or that the rates at which such Dollar deposits are being offered will not adequately and fairly reflect the cost to the majority of DIP Creditors of making or maintaining Term SOFR Term Loans or Term SOFR Notes during such Interest Period, or that reasonable means do not exist for ascertaining the Term SOFR, the Co-Administrative Agents shall, as soon as practicable thereafter, give written or fax notice of such determination to the Company and the DIP Creditors. In the event of any such determination, until the Co-Administrative Agents shall have advised the Company and the DIP Creditors that the circumstances giving rise to such notice no longer exist, any request by a Company for a Term SOFR Borrowing pursuant to Section 2.03 or 2.10 shall be deemed to be a request for an ABR Borrowing. Each determination by the Co-Administrative Agents under this Section 2.08 shall be conclusive absent manifest error.

(b) Subject to Section 2.29, if on or before the first day of any Interest Period for any Term SOFR Borrowing (i) the Co-Administrative Agents determines in good faith that, for any reason, adequate and reasonable means do not exist for determining the Term SOFR (including without limitation, the unavailability of matching deposits in the applicable currency) or (ii) such rate will not accurately reflect the cost to the DIP Creditors of funding Term SOFR Borrowings for such Interest Period, the Co-Administrative Agents shall give written notice (in reasonable detail) of such determination and of the basis therefor to the Company and the DIP Creditors, whereupon until the Co-Administrative Agents notifies the Company and DIP Creditors that the circumstances giving rise to such suspension no longer exist (which the Co-Administrative Agents shall do promptly after each Co-Administrative Agent determines that such circumstances do not exist), (A) the obligations of the DIP Creditors to make, continue or convert Term Loans or Notes as or into such Term SOFR Term Loans or such Term SOFR Notes, as applicable, or to convert ABR Borrowings into such Term SOFR Borrowings, shall be suspended and (B) each Term SOFR Borrowing will automatically on the last day of the then existing Interest Period therefor, convert into an ABR Borrowing.

SECTION 2.09 *Termination and Reduction of Commitments.*

(a) The Initial Term Loan Commitments and Initial Note Commitments shall automatically and permanently terminate upon the making of the Initial Term Loans and/or issuance of the Initial Notes on the Closing Date.

(b) The Delayed Draw Term Loan Commitment of each applicable DIP Creditor shall be automatically and permanently reduced by the aggregate amount of Delayed Draw Term Loans funded by

such DIP Creditor. The remaining Delayed Draw Term Loan Commitment of each DIP Creditor shall automatically and permanently terminate on the Delayed Draw Commitment Termination Date.

(c) The Delayed Draw Note Commitment of each applicable DIP Creditor shall be automatically and permanently reduced by the aggregate amount of Delayed Draw Notes purchased by such DIP Creditor. The remaining Delayed Draw Note Commitment of each DIP Creditor shall automatically and permanently terminate on the Delayed Draw Commitment Termination Date.

SECTION 2.10 *Conversion and Continuation of Borrowings.* The Company shall have the right at any time upon prior irrevocable Interest Election Notice to the Co-Administrative Agents not later than 1:00 p.m., New York City time, three (3) Business Days prior to conversion, to convert any Term SOFR Borrowing into an ABR Borrowing, not later than 1:00 p.m., New York City time, three (3) Business Days prior to conversion or continuation, to convert any ABR Borrowing into a Term SOFR Borrowing or to continue any Term SOFR Borrowing as a Term SOFR Borrowing for an additional Interest Period, and not later than 1:00 p.m., New York City time, three (3) Business Days prior to conversion, to convert the Interest Period with respect to any Term SOFR Borrowing to another permissible Interest Period, subject in each case to the following:

(i) each conversion or continuation shall be made pro rata among the applicable DIP Creditors in accordance with the respective principal amounts of the Term Loans or the Notes comprising the converted or continued Borrowing;

(ii) the Interest Periods and Types of any Loans and Notes that have been borrowed or issued on the same date shall at all times be identical, including with respect to any subsequent extensions or conversions thereof;

(iii) each conversion shall be effected by each DIP Creditor and the Co-Administrative Agents by recording for the account of such DIP Creditor the new Borrowing of such DIP Creditor resulting from such conversion, and accrued interest on any Term SOFR Loan or on any Term SOFR Note (or, in each case, a portion thereof) being converted shall be paid by the Company at the time of conversion;

(iv) if any Term SOFR Borrowing is converted at a time other than the end of the Interest Period applicable thereto, the Company shall pay, upon demand, any amounts due to the DIP Creditors pursuant to Section 2.16;

(v) any portion of a Borrowing maturing or required to be repaid in less than one month may not be converted into or continued as a Term SOFR Borrowing;

(vi) any portion of a Term SOFR Borrowing that cannot be converted into or continued as a Term SOFR Borrowing by reason of the immediately preceding clause shall be automatically converted at the end of the Interest Period in effect for such Borrowing into an ABR Borrowing;

(vii) no Interest Period may be selected for any Term SOFR Borrowing that would end later than the Scheduled Maturity Date occurring on or after the first day of such Interest Period if, after giving effect to such selection, the aggregate outstanding amount of the Term SOFR Borrowings comprised of Term Loans or of Notes, as applicable, with Interest Periods ending on or prior to the applicable date would not be at least equal to the principal amount of applicable Term SOFR Borrowings to be paid on such date; and

(viii) upon notice to the Company from the Co-Administrative Agents given at the

request of the Required DIP Creditors, after the occurrence and during the continuance of a Default or Event of Default, no outstanding Loan or Note may be converted into, or continued as, a Term SOFR Loan or a Term SOFR Note, as applicable.

Each notice pursuant to this Section 2.10 shall be irrevocable and shall refer to this Agreement and specify (i) the identity and amount of the Borrowing that the Company request be converted or continued, (ii) whether such Borrowing is to be converted to or continued as a Term SOFR Borrowing or an ABR Borrowing, (iii) if such notice requests a conversion, the date of such conversion (which shall be a Business Day) and (iv) if such Borrowing is to be converted to or continued as a Term SOFR Borrowing, the Interest Period with respect thereto. If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a Term SOFR Borrowing, the Company shall be deemed to have selected an Interest Period of one month's duration. The Co-Administrative Agents shall advise the DIP Creditors of any notice given pursuant to this Section 2.10 and of each DIP Creditor's portion of any converted or continued Borrowing. If the Company shall not have given notice in accordance with this Section 2.10 to continue any Borrowing into a subsequent Interest Period (and shall not otherwise have given notice in accordance with this Section 2.10 to convert such Borrowing), such Borrowing shall, at the end of the Interest Period applicable thereto (unless repaid pursuant to the terms hereof), automatically be converted to an ABR Borrowing.

SECTION 2.11 *Repayment of Borrowings.* To the extent not previously paid, all Term Loans and Notes shall be due and payable in full in cash on the Maturity Date, respectively, together with accrued and unpaid interest on the principal amount to be paid to but excluding the date of payment; provided that any Acceptable Plan of Reorganization (or any other plan of reorganization in the Chapter 11 Cases that provides for equity to be issued pursuant to an equity rights offering or similar arrangement and/or through the equitization of claims) shall provide each DIP Creditor holding Tranche A Loans or Tranche A Notes with the right, exercisable prior to the disclosure statement hearing for such plan, and established by and conditioned upon consummation thereof (which consummation, for the avoidance of doubt, shall occur only following approval by the Bankruptcy Court), to subscribe for the purchase of equity in the reorganized Debtors on the effective date of such plan at a price equivalent to the price established pursuant to the equity rights offering (or similar arrangement, as applicable) in connection therewith, and subject to the same dilution terms as such equity rights offering (or similar) shares, up to the principal amount of any Obligations then owing in respect of such Tranche A Loans and/or Tranche A Notes held by such DIP Creditor, and with the purchase price for such equity to be satisfied on the effective date of such plan by offset against repayment of the applicable portion of such Obligations; provided further that on the Maturity Date, any DIP Creditor may elect, pursuant to a notice reasonably acceptable to the Administrative Agent, to offset the Obligations owed to it under the DIP Facility (including with respect to any Fees or Premiums but after any offset described in the preceding proviso) against any payment obligations it may have with respect to any equity rights offering or similar arrangement or agreement to be consummated pursuant to any Acceptable Plan of Reorganization on the Plan Effective Date or any other plan of reorganization. All repayments pursuant to this Section 2.11 shall be subject to Section 2.16.

SECTION 2.12 *Voluntary Prepayments.*

(a) The Company shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part by providing a Prepayment Notice, upon at least three (3) Business Days' prior written notice in the case of Term SOFR Loans or Term SOFR Notes, or written notice at least one (1) Business Day prior to the date of prepayment in the case of ABR Loans or ABR Notes, to the Co-Administrative Agents before 1:00 p.m., New York City time; provided that each partial prepayment shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$1,000,000.

(b) Each notice of prepayment shall specify the prepayment date and the principal amount of each Borrowing (or portion thereof) to be prepaid, shall be irrevocable and shall commit the Company to prepay such Borrowing by the amount stated therein on the date stated therein. All prepayments under this Section 2.12 shall be subject to Section 2.16. All prepayments under this Section 2.12 shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment.

SECTION 2.13 *Mandatory Prepayments.*

(a) Not later than the fifth Business Day following the receipt by the Company or any Restricted Subsidiary (or by any other Person on account of an Asset Sale by the Company or any Restricted Subsidiary) of Net Cash Proceeds in respect of any Asset Sale, the Company shall apply 100% of the Net Cash Proceeds received with respect thereto to prepay outstanding Term Loans and Notes in accordance with Section 2.13(e).

(b) In the event that the Company or any Restricted Subsidiary (or any other Person at the direction of the Company or a Restricted Subsidiary) shall receive Net Cash Proceeds from the issuance or incurrence of Indebtedness for money borrowed by the Company or any such Restricted Subsidiary (other than any cash proceeds from the issuance of Indebtedness for money borrowed permitted pursuant to Section 6.01), the Company shall on the Business Day of receipt of such Net Cash Proceeds, apply an amount equal to 100% of such Net Cash Proceeds to prepay outstanding Term Loans and Notes in accordance with Section 2.13(e).

(c) In the event that the Company or any Restricted Subsidiary (or any other Person at the direction of the Company or a Restricted Subsidiary) shall receive Net Cash Proceeds from any Casualty Event Receipt, the Company shall not later than the second Business Day following the receipt of such Net Cash Proceeds by the Company or such Restricted Subsidiary, apply an amount equal to 100% of such Net Cash Proceeds to prepay outstanding Term Loans and Notes in accordance with Section 2.13(e).

(d) [reserved].

(e) Mandatory prepayments under this Section 2.13 shall be applied ratably to all then outstanding Loans and Notes.

(f) The Company shall deliver to the Co-Administrative Agents, at the time of each prepayment required under this Section 2.13, (i) a certificate signed by a Responsible Officer of the Company setting forth in reasonable detail the calculation of the amount of such prepayment and (ii) by 1:00 p.m., New York City time, at least five (5) Business Days prior written notice of such prepayment. Each notice of prepayment shall specify the prepayment date, the Type of each Loan and/or Note being prepaid and the principal amount of each Loan and/or each Note (or, in each case, a portion thereof) to be prepaid. All prepayments of Borrowings under this Section 2.13 shall be subject to Section 2.16, and shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment.

(g) [reserved].

(h) Notwithstanding the foregoing provisions of this Section 2.13, (i) in the case of any mandatory prepayment of the Term Loans and/or the Notes (other than a mandatory prepayment pursuant to Section 2.13(b)), any DIP Term Loan Creditor or any DIP Notes Creditor, as applicable, may waive by written notice to the Company and the Co-Administrative Agents on or before 1:00 p.m., New York City time, one (1) Business Day prior to the date on which such mandatory prepayment would otherwise be required to be made hereunder the right to receive its respective portion of such mandatory prepayment of

the Term Loans and/or the Notes then outstanding, (ii) if any DIP Creditor elects to waive the right to receive the amount of such mandatory prepayment, all of the amount that otherwise would have been applied to mandatorily prepay the Term Loans and/or Notes of such DIP Creditor shall be offered by the Company to repay the remaining Term Loans and/or Notes of the non-waiving DIP Creditors on a pro rata basis, based on the respective outstanding principal amounts of all of the Term Loans and Notes of the non-waiving DIP Creditors, (iii) if and to the extent any such non-waiving DIP Creditor does not elect by written notice to the Company and the Co-Administrative Agents within three Business Days following the date on which the offer is made pursuant to clause (ii) above to accept such offer, such DIP Creditor shall be deemed to have rejected such offer, and (iv) to the extent there are any prepayment amounts remaining after the foregoing application, such amounts shall be paid promptly by the Co-Administrative Agents to the Company (any amounts returned to the Company pursuant to this clause (iv), “Declined Amounts”).

SECTION 2.14 *Reserve Requirements; Change in Circumstances.*

(a) Notwithstanding any other provision of this Agreement, if any Change in Law affecting any DIP Creditor or any lending office of such DIP Creditor’s holding company, if any, shall (i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of or credit extended by any DIP Creditor, (ii) subject the Co-Administrative Agents, any DIP Creditor to any Taxes in connection with this Agreement or any Loan, Note or Commitment made hereunder or its deposits, reserves, other liabilities or capital attributable thereto, or change the basis of taxation payments in respect thereof (except, in each case, (A) for Indemnified Taxes or Other Taxes indemnified pursuant to Section 2.20, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) or (iii) impose on such DIP Creditor any other condition affecting this Agreement or Term SOFR Term Loans made by such DIP Creditor or participation therein, and the result of any of the foregoing shall be to increase the cost (other than Taxes) to such DIP Creditor of making or maintaining any Term SOFR Loan, then the Company will pay to such DIP Creditor upon demand such additional amount or amounts as will compensate such DIP Creditor for such additional costs incurred or reduction suffered.

(b) If any DIP Creditor shall have determined that any Change in Law regarding any capital or liquidity requirements has or would have the effect of reducing the rate of return on such DIP Creditor’s capital or on the capital of such DIP Creditor’s holding company, if any, as a consequence of this Agreement or the Term Loans made or Notes purchased to a level below that which such DIP Creditor or such DIP Creditor’s holding company could have achieved but for such Change in Law (taking into consideration such DIP Creditor’s policies and the policies of such DIP Creditor’s holding company with respect to capital adequacy), then from time to time the Company shall pay to such DIP Creditor such additional amount or amounts as will compensate such DIP Creditor or such DIP Creditor’s holding company for any such reduction suffered.

(c) A certificate of a DIP Creditor setting forth in reasonable detail the calculation of the amount or amounts necessary to compensate such DIP Creditor or its holding company, as applicable, as specified in paragraph (a) or (b) above shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay such DIP Creditor the amount shown as due on any such certificate delivered by it within 10 days after its receipt of the same.

(d) Failure or delay on the part of any DIP Creditor to demand compensation pursuant to this Section 2.14 for any increased costs incurred or reduction suffered in amounts received or receivable or reduction in return on capital shall not constitute a waiver of such DIP Creditor’s right to demand such compensation; provided that the Company shall not be under any obligation to compensate any DIP Creditor under paragraph (a) or (b) above with respect to increased costs incurred or reductions suffered more than 180 days prior to the date such DIP Creditor notifies the Company of the Change in Law giving

rise to such increased costs or reductions and of such DIP Creditor's intention to claim compensation therefor; provided, further, that the foregoing limitation shall not apply to any increased costs or reductions arising out of the retroactive application of any Change in Law within such 180-day period.

SECTION 2.15 *Change in Legality.*

(a) Notwithstanding any other provision of this Agreement, if any Change in Law shall make it unlawful for any DIP Creditor to make or maintain any Term SOFR Loan or any Term SOFR Note or to give effect to its obligations as contemplated hereby with respect to any Term SOFR Loan or any Term SOFR Note, then, by written notice to the Company and to the Co-Administrative Agents:

(i) such DIP Creditor may declare that Term SOFR Term Loans and Term SOFR Notes will not thereafter (for the duration of such unlawfulness) be made or purchased, as applicable, by such DIP Creditor hereunder (or be continued for additional Interest Periods) and ABR Term Loans and ABR Notes will not thereafter (for such duration) be converted into Term SOFR Term Loans and ABR Notes, whereupon any request for a Term SOFR Borrowing (or to convert an ABR Borrowing to a Term SOFR Borrowing or to continue a Term SOFR Borrowing for an additional Interest Period) shall, as to such DIP Creditor only, be deemed a request for an ABR Loan or ABR Note, as applicable, (or a request to continue an ABR Loan or ABR Note as such or to convert a Term SOFR Loan or Term SOFR Note into an ABR Loan or ABR Note, as the case may be), unless such declaration shall be subsequently withdrawn; and

(ii) such DIP Creditor may require that all outstanding Term SOFR Term Loans or Term SOFR Notes made or purchased, as applicable, by it be converted to ABR Term Loans or ABR Notes, as applicable, in which event all such Term SOFR Term Loans or Term SOFR Notes shall be automatically converted to ABR Term Loans or ABR Notes, as applicable, as of the effective date of such notice as provided in paragraph (b) below.

In the event any DIP Creditor shall exercise its rights under clause (i) or (ii) above, all payments and prepayments of principal that would otherwise have been applied to repay the Term SOFR Term Loans or the Term SOFR Notes that would have been made or purchased, as applicable, by such DIP Creditor or the converted Term SOFR Term Loans or Term SOFR Notes of such DIP Creditor shall instead be applied to repay the ABR Term Loans or ABR Notes made or purchased, as applicable, by such DIP Creditor in lieu of, or resulting from the conversion of, such Term SOFR Term Loans or such Term SOFR Notes.

(b) For purposes of this Section 2.15, a notice to the Company by any DIP Creditor shall be effective as to each Term SOFR Loan or each Term SOFR Note made or purchased, as applicable, by such DIP Creditor, if lawful, on the last day of the Interest Period then applicable to such Term SOFR Loan or such Term SOFR Note; in all other cases such notice shall be effective on the date of receipt by the Company.

SECTION 2.16 *Breakage.* The Company shall indemnify each DIP Creditor against any loss (other than a loss of applicable margin or profits) or expense that such DIP Creditor may sustain or incur as a consequence of (a) any event, other than a default by such DIP Creditor in the performance of its obligations hereunder, which results in (i) such DIP Creditor receiving or being deemed to receive any amount on account of the principal of any Term SOFR Loan or any Term SOFR Note prior to the end of the Interest Period in effect therefor, (ii) the conversion of any Term SOFR Loan or any Term SOFR Note to an ABR Loan or an ABR Note, as applicable, or the conversion of the Interest Period with respect to any Term SOFR Loan or Term SOFR Note, in each case other than on the last day of the Interest Period in effect therefor, or (iii) any Term SOFR Loan to be made by or any Term SOFR Note to be purchased by such DIP Creditor (including any Term SOFR Loan or Term SOFR Note to be made or purchased, as

applicable, pursuant to a conversion or continuation under Section 2.10) not being made after notice of such Loan or such Note shall have been given by the Company hereunder (any of the events referred to in this clause (a) being called a “**Breakage Event**”) or (b) any default in the making of any payment or prepayment required to be made hereunder. In the case of any Breakage Event, such loss shall include an amount equal to the excess, as reasonably determined by such DIP Creditor, of (i) its cost of obtaining funds for the Term SOFR Loan or the Term SOFR Note that is the subject of such Breakage Event for the period from the date of such Breakage Event to the last day of the Interest Period in effect (or that would have been in effect) for such Loan or such Note over (ii) the amount of interest likely to be realized by such DIP Creditor in redeploying the funds released or not utilized by reason of such Breakage Event for such period. A certificate of any DIP Creditor setting forth in reasonable detail the calculation of any amount or amounts which such DIP Creditor is entitled to receive pursuant to this Section 2.16 shall be delivered to the Company and shall be conclusive absent manifest error.

SECTION 2.17 Pro Rata Treatment. Subject to the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting DIP Creditors as opposed to Defaulting DIP Creditors, and as required under Section 2.15, each Borrowing, each payment or prepayment of principal of any Borrowing, each payment of interest on the Term Loans, each payment of interest on the Notes, each reduction of the applicable Class of Commitments and each conversion of any Borrowing to or continuation of any Borrowing as a Borrowing of any Type shall be allocated pro rata among the DIP Creditors in accordance with their respective applicable Commitments (or, if such Commitments shall have expired or been terminated, in accordance with the respective principal amounts of their outstanding Term Loans or Notes). Any repayment of Loans and Notes on any date shall be ratably as between the Loans and Notes of the applicable Class and any prepayment of Loans and Notes that have been borrowed or issued on the same date shall at all times be made ratably as between such Loans and Notes

SECTION 2.18 Sharing. Each DIP Creditor agrees that if it shall, through the exercise of a right of banker’s lien, setoff or counterclaim against the Company or any other Credit Party, or pursuant to a secured claim under Section 506 of the Bankruptcy Code or other security or interest arising from, or in lieu of, such secured claim, received by such DIP Creditor under any applicable bankruptcy, insolvency or other similar law or otherwise, or by any other means, obtain payment (voluntary or involuntary) in respect of any Loan or Note as a result of which the unpaid principal portion of its Loans or Notes shall be proportionately less than the unpaid principal portion of the Loans or Notes of any other DIP Creditor, it shall be deemed simultaneously to have purchased from such other DIP Creditor at face value, and shall promptly pay to such other DIP Creditor the purchase price for, a participation in the Loans or Notes of such other DIP Creditor, so that the aggregate unpaid principal amount of the Loans or Notes and participations in Loans or Notes held by each DIP Creditor shall be in the same proportion to the aggregate unpaid principal amount of all Loans or Notes then outstanding as the principal amount of its Loans or Notes prior to such exercise of banker’s lien, setoff or counterclaim or other event was to the principal amount of all Loans or Notes outstanding prior to such exercise of banker’s lien, setoff or counterclaim or other event; provided that (i) if any such purchase or purchases or adjustments shall be made pursuant to this Section 2.18 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such recovery and the purchase price or prices or adjustment restored without interest, and (ii) the provisions of this Section 2.18 shall not be construed to apply to any payment made by the Company pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a DIP Creditor as consideration for the assignment of or sale of a participation in any of its Term Loans or Notes (to the extent permitted) to any assignee or participant, other than to the Company or any of its Restricted Subsidiaries (as to which the provisions of this Section 2.18 shall apply), other than as permitted pursuant to Section 9.04 and/or Section 10.02. The Company expressly consents to the foregoing arrangements and agrees that any DIP Creditor holding a participation in a Loan deemed to have been so purchased may exercise any and all rights of banker’s lien, setoff or counterclaim

with respect to any and all moneys owing by the Company to such DIP Creditor by reason thereof as fully as if such DIP Creditor had made a Loan directly to the Company in the amount of such participation.

SECTION 2.19 *Payments.*

(a) The Company shall make each payment (including principal of or interest on any Borrowing or any Fees or other amounts) hereunder and under any other Credit Document not later than 1:00 p.m., New York City time, on the date when due in immediately available Dollars, without setoff, defense or counterclaim. Any amounts received after such time on any date shall be deemed to have been received on the next succeeding Business Day for purposes of calculating the amounts due hereunder. Each such payment shall be made to the Co-Administrative Agents at Acquiom's offices at 950 17th Street, Suite 1400, Denver, CO 80202 or such other location as the Co-Administrative shall direct. The Co-Administrative Agents shall promptly distribute to each DIP Creditor any payments received by the Co-Administrative Agents on behalf of such DIP Creditor.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Borrowing or any Fees and Premiums or other amounts) hereunder or under any other Credit Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or Fees and Premiums, if applicable.

(c) Unless the Co-Administrative Agents shall have received notice from the Company prior to the date on which any payment is due to the Co-Administrative Agents for the account of any DIP Creditors hereunder that the Company will not make such payment, the Co-Administrative Agents may assume that the Company has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the DIP Creditors, the amount due. In such event, if the Company has not in fact made such payment, then each of the DIP Creditors severally agrees to repay to the Co-Administrative Agents forthwith on demand the amount so distributed to such DIP Creditor, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Co-Administrative Agents, at the greater of the Federal Funds Effective Rate and a rate determined by the Co-Administrative Agents to represent its cost of overnight or short term funds (which determination shall be conclusive absent manifest error).

(d) If a payment (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "*Improper Payment*") is made by the Co-Administrative Agents (or their Affiliates) in error (as determined by the Co-Administrative Agents in their sole discretion and whether known to the recipient or not) or if a DIP Creditor, Credit Party or another recipient of funds is not otherwise entitled to receive such funds at such time of such Improper Payment or from such Person in accordance with the Credit Documents (each such DIP Creditor, Credit Party or other recipient, as applicable, an "*Improper Recipient*"), then such Improper Recipient shall forthwith on demand repay to the Co-Administrative Agents the portion of such Improper Payment that was made in error (or otherwise not intended (as determined by the Co-Administrative Agents in their sole discretion) to be received) in same day funds, together with interest thereon in respect of each day from and including the date such Improper Payment was made available by the Co-Administrative Agents (or their Affiliate) to such Improper Recipient to the date such Improper Payment is repaid to the Co-Administrative Agents (or their Affiliate) in same day funds at (i) in the case of any Improper Recipient that is a Credit Party (or its Affiliates), at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be, when determined by reference to the Prime Rate and over a year of 360 days at all other times) equal to the rate that would be applicable to an ABR Loan or an ABR Note, and (ii) in the case of any other Improper Recipient, the greater of the Federal Funds Effective Rate, a rate determined by the Co-Administrative Agents to represent its cost of overnight or short term funds and a

rate determined by the Co-Administrative Agents in accordance with banking industry rules on interbank compensation from time to time in effect (which determination shall be conclusive absent manifest error). Each Improper Recipient hereby authorizes the Co-Administrative Agents and any other party hereto that is not an Improper Recipient (or its Affiliate), as applicable, to set off and apply any and all amounts at any time owing to such Improper Recipient under this Agreement or any other Credit Document against any Improper Payments due to the Co-Administrative Agents or any other party hereto, as applicable. Each Improper Recipient and other party hereto shall not assert any right or claim to the Improper Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Co-Administrative Agents for the return of any Improper Payments received, including without limitation waiver of defense based on “discharge for value” or any similar doctrine or any other claim of entitlement to any portion of an Improper Payment that the Co-Administrative Agents, in its sole discretion, determines was made in error.

(e) Each Improper Recipient hereby further agrees that if it receives an Improper Payment from the Co-Administrative Agents (or any of their Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment or other communication sent by the Co-Administrative Agents (or any of their Affiliates) with respect to such Improper Payment (a “**Payment Notice**”), (y) that was not preceded or accompanied by a Payment Notice, or (z) that such Improper Recipient otherwise becomes aware was transmitted, or received, in error or mistake (in whole or in part), in each case, an error shall be deemed to have been made with respect to such Improper Payment. Each Improper Recipient hereby agrees that, in each such case, it shall promptly notify the Co-Administrative Agents of such occurrence and, upon demand from the Co-Administrative Agents, it shall promptly, but in no event later than one (1) Business Day thereafter, return to the Co-Administrative Agents the amount of any such Improper Payment (or portion thereof) as to which such a demand was made.

(f) The Company and each other Credit Party hereby agrees that the receipt by any DIP Creditor of an Improper Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed to such DIP Creditor by the Company or any other Credit Party.

(g) If any prepayment, repayment or refinancing of all outstanding Term Loans and Notes shall result in the actual or deemed satisfaction and/or indefeasible repayment of any portion of or all Obligations hereunder, and such prepayment, repayment or refinancing occurs prior to the earlier of the Maturity Date or the Plan Effective Date, the Company shall pay to the Co-Administrative Agents, for the ratable account of each affected DIP Creditor, a repayment premium equal to 5.00% of the aggregate principal amount of all such repaid and/or refinanced Term Loans and Notes (including any accrued and unpaid interest thereon) (the “**Break Premium**”).

SECTION 2.20 **Taxes.**

(a) Any and all payments by or on account of any obligation of any Credit Party hereunder or under any other Credit Document shall be made free and clear of and without deduction or withholding for any Taxes except as required by any applicable Law; provided that, if any Taxes are required by any applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) to be withheld or deducted from such payments, then (i) the applicable Withholding Agent shall make such deductions or withholdings and shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law, and (ii) if any Taxes required to be withheld or deducted are Indemnified Taxes or Other Taxes, then the sum payable by such Credit Party shall be increased as necessary so that after making such required deductions or withholdings (including such deductions and withholdings of Indemnified Taxes and Other Taxes applicable to additional sums payable under this Section 2.20) the applicable Recipient receives an amount equal to the sum it would have received had no such deductions or withholdings been made.

(b) Without limiting the provisions of subsection (a) above, the Company shall pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Co-Administrative Agents timely reimburse it for the payment of, any Other Taxes.

(c) Without duplication of Sections 2.20(a) or (b) above, the Company shall indemnify each Recipient within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Co-Administrative Agents or such DIP Creditor, as the case may be, on or with respect to any payment by or on account of any obligation of the Company hereunder or under any other Credit Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Company by a DIP Creditor (with copies to the Co-Administrative Agents), or by each Co-Administrative Agent on behalf of itself or a DIP Creditor, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Company to a Governmental Authority, the Company shall deliver to the Co-Administrative Agents the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Co-Administrative Agents.

(e) Any DIP Creditor that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Company and the Co-Administrative Agents, at the time or times reasonably requested by the Company or the Co-Administrative Agents, such properly completed and executed documentation reasonably requested by the Company or the Co-Administrative Agents as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any DIP Creditor, if reasonably requested by the Company or the Co-Administrative Agents, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Company or the Co-Administrative Agents as will enable the Company or the Co-Administrative Agents to determine whether or not such DIP Creditor is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.20(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the DIP Creditor's reasonable judgment such completion, execution or submission would subject such DIP Creditor to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such DIP Creditor. If any form or certification previously delivered pursuant to this Section 2.20(e) or Section 2.20(g) expires or becomes obsolete or inaccurate in any respect with respect to a Recipient, such Recipient shall promptly notify the Company and the Co-Administrative Agents in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so.

(i) Without limiting the generality of the foregoing,

(A) any DIP Creditor that is a U.S. Person shall deliver to the Company and the Co-Administrative Agents on or prior to the date on which such DIP Creditor becomes a DIP Creditor under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Co-Administrative Agents), executed copies of IRS Form W-9 certifying that such DIP Creditor is exempt from U.S. federal backup withholding tax;

(B) any Foreign DIP Creditor shall, to the extent it is legally entitled to do so, deliver to the Company and the Co-Administrative Agents (in such number of copies as shall be

requested by the recipient) on or prior to the date on which such Foreign DIP Creditor becomes a DIP Creditor under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Co-Administrative Agents), whichever of the following is applicable:

(1) in the case of a Foreign DIP Creditor claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, (or its successor form) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, (or its successor form) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign DIP Creditor claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit K-1 to the effect that such Foreign DIP Creditor is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of either Company within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, (or its successor form); or

(4) to the extent a Foreign DIP Creditor is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, (or its successor form), a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-2 or Exhibit K-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign DIP Creditor is a partnership and one or more direct or indirect partners of such Foreign DIP Creditor are claiming the portfolio interest exemption, such Foreign DIP Creditor may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-4 on behalf of each such direct and indirect partner;

(C) any Foreign DIP Creditor shall, to the extent it is legally entitled to do so, deliver to the Company and the Co-Administrative Agents (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign DIP Creditor becomes a DIP Creditor under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Co-Administrative Agents), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Company or the Co-Administrative Agents to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Company and the Co-Administrative Agents at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Co-Administrative Agents such documentation

prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Co-Administrative Agents as may be necessary for the Company and the Co-Administrative Agents to comply with their obligations under FATCA and to determine that such Recipient has complied with such DIP Creditor's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D) and paragraph (g), hereof, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(f) If the Co-Administrative Agents or any DIP Creditor determines, in its discretion, exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by an indemnifying party or with respect to which an indemnifying party has paid additional amounts pursuant to this Section 2.20, it shall pay over such refund to the indemnifying party (but only to the extent of indemnity payments made, or additional amounts paid, by the indemnifying party under this Section 2.20 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Co-Administrative Agents or such DIP Creditor, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the indemnifying party, upon the request of the Co-Administrative Agents or such DIP Creditor, agrees to repay the amount paid over to the indemnifying party (plus any interest, penalties or other charges imposed by the relevant Governmental Authority) to the Co-Administrative Agents or such DIP Creditor in the event the Co-Administrative Agents or such DIP Creditor is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.20(f), in no event will the Co-Administrative Agents or any DIP Creditor be required to pay any amount to an indemnifying party pursuant to this paragraph to the extent the payment of such amount would place the Co-Administrative Agents or such DIP Creditor in a less favorable net after-Tax position than it would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing in this Section 2.20(f) shall be construed to require the Co-Administrative Agents or any DIP Creditor to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Company or any other Person.

(g) On or before the date that each of Seaport and Acquiom (or any successor or replacement Co-Administrative Agent) becomes a Co-Administrative Agent hereunder, it shall deliver to the Company two duly executed copies of either (i) IRS Form W-9, or (ii) IRS Form W-8ECI (with respect to any payments to be received on its own behalf) and IRS Form W-8IMY (for all other payments), establishing that the Company can make payments to such Co-Administrative Agent without deduction or withholding of any Taxes imposed by the United States, including Taxes imposed under FATCA.

(h) For purposes of this Section 2.20 the term "applicable Law" includes FATCA.

SECTION 2.21 *Assignment of Commitments Under Certain Circumstances; Duty to Mitigate.*

(a) In the event (i) any DIP Creditor delivers a certificate requesting compensation pursuant to Section 2.14, (ii) any DIP Creditor delivers a notice described in Section 2.15, (iii) the Company is required to pay any additional amount to any DIP Creditor or any Governmental Authority on account of any DIP Creditor pursuant to Section 2.20, (iv) any DIP Creditor refuses to consent to any amendment, waiver or other modification of any Credit Document requested by the Company that requires the consent of all DIP Creditors or all DIP Creditors directly and adversely affected thereby and such amendment, waiver or other modification is consented to by the Required DIP Creditors, or (v) any DIP Creditor becomes a Defaulting DIP Creditor, then, in each case, the Company may, at its sole expense and effort (including with respect to the processing and recordation fee referred to in Section 9.04(b)(v)), upon notice to such DIP Creditor, as the case may be, and the Co-Administrative Agents, require such DIP Creditor to transfer and assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its

interests, rights (other than its existing rights to payments pursuant to Sections 2.14, 2.16 and 2.20, its rights pursuant to Section 9.05 in respect of the period in which it was a DIP Creditor) and obligations under this Agreement (or, in the case of clause (iv) above, all of its interests, rights and obligation with respect to the Class of Term Loans, Notes or Commitments that is the subject of the related consent, amendment, waiver or other modification) to an Eligible Assignee (which (x) Eligible Assignee may be an Affiliated DIP Creditor only if Section 9.04(k) is complied with and (y) may not be the Company or any Subsidiary thereof) that shall assume such assigned obligations and, with respect to clause (iv) above, shall consent to such requested amendment, waiver or other modification of any Credit Documents (which assignee may be another DIP Creditor, if a DIP Creditor accepts such assignment); provided that (x) such assignment shall not conflict with any law, rule or regulation or order of any court or other Governmental Authority having jurisdiction, (y) the Company shall have received the prior written consent of the Co-Administrative Agents, which consents shall not unreasonably be withheld, conditioned or delayed, and (z) the Company or such assignee shall have paid to the affected DIP Creditor in immediately available funds an amount equal to the sum of the principal of and interest accrued to the date of such payment on the outstanding Term Loans or Notes of such DIP Creditor, respectively, plus all Fees and Premiums and other amounts accrued for the account of such DIP Creditor hereunder with respect thereto (including any amounts under Sections 2.14, 2.16 and 2.20 and, the prepayment fee referred to in Section 2.11(c), which fee shall be payable by the Company); provided, further, that, if prior to any such transfer and assignment the circumstances or event that resulted in such DIP Creditor's claim for compensation under Section 2.14, notice under Section 2.15, entitlement to receive amounts pursuant to Section 2.20 or being a Defaulting DIP Creditor, as the case may be, cease to cause such DIP Creditor to suffer increased costs or reductions in amounts received or receivable or reduction in return on capital, or cease to have the consequences specified in Section 2.15, or cease to result in amounts being payable under Section 2.20, or cease to cause such DIP Creditor to be a Defaulting DIP Creditor, as the case may be (including as a result of any action taken by such DIP Creditor pursuant to paragraph (b) below), or if such DIP Creditor shall waive its right to claim further compensation under Section 2.14 in respect of such circumstances or event or shall withdraw its notice under Section 2.15 or shall waive its right to further payments under Section 2.20 in respect of such circumstances or event or shall consent to the proposed amendment, waiver, consent or other modification, as the case may be, or shall cease to be a Defaulting DIP Creditor, then such DIP Creditor shall not thereafter be required to make any such transfer and assignment hereunder. Notwithstanding anything to the contrary, in the event that a DIP Creditor that is being replaced pursuant to this Section 2.21(a) does not execute an Assignment and Acceptance (or an Affiliated DIP Creditor Assignment and Acceptance) within one (1) Business Day after being requested to do so, such assignment shall be deemed to have occurred on such Business Day without such DIP Creditor's execution of such documentation but after satisfaction of the other conditions set forth herein.

(b) If (i) any DIP Creditor shall request compensation under Section 2.14, (ii) any DIP Creditor delivers a notice described in Section 2.15 or (iii) the Company is required to pay any additional amount to any DIP Creditor or any Governmental Authority on account of any DIP Creditor pursuant to Section 2.20, then such DIP Creditor shall use reasonable efforts (which shall not require such DIP Creditor to incur an unreimbursed loss or unreimbursed cost or expense or otherwise take any action inconsistent with its legal or regulatory restrictions or suffer any disadvantage or burden deemed by it to be significant) (x) to file any certificate or document reasonably requested in writing by the Company or (y) to assign its rights and delegate and transfer its obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such DIP Creditor, such filing or assignment would reduce its claims for compensation under Section 2.14 or enable it to withdraw its notice pursuant to Section 2.15 or would reduce amounts payable pursuant to Section 2.20, as the case may be, in the future. The Company hereby agrees to pay all reasonable costs and expenses incurred by any DIP Creditor in connection with any such filing or assignment, delegation and transfer.

SECTION 2.22 *Defaulting DIP Creditor.*

(a) Notwithstanding anything to the contrary contained in this Agreement, if any DIP Creditor becomes a Defaulting DIP Creditor, then the following provisions shall apply for so long as such DIP Creditor is a Defaulting DIP Creditor:

(i) *Waivers and Amendments.* Such Defaulting DIP Creditor's right to approve or object to any amendment, waiver or provide consent with respect to and in accordance with this Agreement shall be restricted as set forth in the definition of Required DIP Creditors and in Section 9.08.

(ii) *Defaulting DIP Creditor Waterfall.* Any payment of principal, interest, fees or other amounts received by the Co-Administrative Agents for the account of such Defaulting DIP Creditor (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Co-Administrative Agents from a Defaulting DIP Creditor pursuant to Section 9.06 shall be applied at such time or times as may be determined by the Co-Administrative Agents as follows: *first*, to the payment of any amounts owing by such Defaulting DIP Creditor to the Agents hereunder; *second*, if requested by the Company, to the payment on a pro rata basis (so long as no Default or Event of Default exists), to the funding of any Loan or any Note in respect of which such Defaulting DIP Creditor has failed to fund its portion thereof as required by this Agreement, as determined by the Co-Administrative Agents; *third*, to the payment of any amounts owing to the DIP Creditors as a result of any judgment of a court of competent jurisdiction obtained by any DIP Creditor against such Defaulting DIP Creditor as a result of such Defaulting DIP Creditor's breach of its obligations under this Agreement; *fourth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Company as a result of any judgment of a court of competent jurisdiction obtained by the Company against such Defaulting DIP Creditor as a result of such Defaulting DIP Creditor's breach of its obligations under this Agreement; and *fifth*, to such Defaulting DIP Creditor or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Term Loans or any Notes in respect of which such Defaulting DIP Creditor has not fully funded its appropriate share, and (y) such Term Loans were made or such Notes were issued at a time when the conditions set forth in Section 4.01 were satisfied or waived, such payment shall be applied solely to pay the Term Loans and Notes of all Non-Defaulting DIP Creditors of the applicable Class on a pro rata basis prior to being applied to the payment of any Term Loans or any Notes of such Defaulting DIP Creditor until such time as all Term Loans or all Notes are held by the DIP Creditors of the applicable Class pro rata in accordance with the Commitments under the applicable Class. Any payments, prepayments or other amounts paid or payable to a Defaulting DIP Creditor that are applied (or held) to pay amounts owed by a Defaulting DIP Creditor shall be deemed paid to and redirected by such Defaulting DIP Creditor, and each DIP Creditor irrevocably consents hereto.

(iii) *Certain Fees and Premiums.* No Defaulting DIP Creditor shall be entitled to receive any Fee and Premiums for any period during which that DIP Creditor is a Defaulting DIP Creditor (and the Company shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting DIP Creditor).

(b) *Defaulting DIP Creditor Cure.* If the Company and the Co-Administrative Agents agree in writing that a DIP Creditor is no longer a Defaulting DIP Creditor, the Co-Administrative Agents will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that DIP Creditor will, to the extent applicable, purchase at par that portion of outstanding Term Loans or outstanding Notes of the other DIP Creditors or take such other actions as the Co-Administrative Agents may determine to be necessary to cause the Term Loans or the Notes to be held pro rata by the DIP Creditors in accordance with the applicable Commitments, whereupon such DIP Creditor will cease to be a Defaulting DIP Creditor;

provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Company while that DIP Creditor was a Defaulting DIP Creditor; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting DIP Creditor to Non-Defaulting DIP Creditor will constitute a waiver or release of any claim of any party hereunder arising from that DIP Creditor's having been a Defaulting DIP Creditor.

SECTION 2.23 *[Reserved]*.

SECTION 2.24 *[Reserved]*.

SECTION 2.25 *[Reserved]*.

SECTION 2.26 *[Reserved]*.

SECTION 2.27 *[Reserved]*.

SECTION 2.28 *Acknowledgment and Consent to Bail-In of Affected Financial Institutions.*

(a) Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any of the parties hereto, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(b) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(c) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent company, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

SECTION 2.29 *Benchmark Replacement Setting.*

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Credit Document, upon the occurrence of a Benchmark Transition Event, then (A) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document and (B) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such

Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the DIP Creditors without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document so long as the Co-Administrative Agents have posted such proposed amendment to all affected DIP Creditors and the Company so long as the Co-Administrative Agents have not received, by such time, written notice of objection to such amendment from DIP Creditors comprising the Required DIP Creditors.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Co-Administrative Agents will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(c) Notices; Standards for Decisions and Determinations. The Co-Administrative Agents will promptly notify the Company and the DIP Creditors of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Co-Administrative Agents will promptly notify the Company of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.29(d) and (y) the commencement of a Benchmark Unavailability Period. Any determination, decision or election that may be made by the Co-Administrative Agents or, if applicable, any DIP Creditor (or group of DIP Creditors) pursuant to this Section 2.29, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 2.29.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Co-Administrative Agents in their reasonable discretion with the consent of all DIP Creditors or (B) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks, then the Co-Administrative Agents may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable, non-representative, non-compliant or non-aligned tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks for a Benchmark (including a Benchmark Replacement), then the Co-Administrative Agents may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon the Company's receipt of notice of the commencement of a Benchmark Unavailability Period, the Company may revoke any pending request for

a Term SOFR Borrowing of, conversion to or continuation of Term SOFR Loans or Term SOFR Notes to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Company will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Term Loans or ABR Notes, as applicable. During any Benchmark Unavailability Period or at any time that any tenor for the then-current Benchmark is not an Available Tenor, the component of Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Alternate Base Rate.

SECTION 2.30 **Syndication.** Following the Closing Date, the Company shall use commercially reasonable efforts to assist the Co-Administrative Agents, Barclays and the Commitment Parties in connection with the primary syndication process (the “**Syndication**”) for the assignment of a proportionate share of the Term Loans, Notes and Commitments in accordance with the Restructuring Support Agreement and the DIP Commitment Letter. If the Company Allocated Portion is not allocated by the date set forth for the allocation thereof in the DIP Commitment Letter, any Loans made by the DIP Fronting Creditor on account of the Company Allocated Portion, shall, at the request of any DIP Creditor who is required and permitted to fund its commitment under the DIP Commitment Letter in the form of Notes, be replaced by Notes to be issued by the Company to such DIP Creditor, which shall for all purposes hereunder be “Initial Notes” and the proceeds of which shall be used to repay the Loans made by the DIP Fronting Creditor on account of such commitments. In connection with the Syndication of the Company Allocated Portion, any Loans made by the DIP Fronting Creditor on account of the Company Allocated Portion, shall, at the request of any DIP Creditor who is required and permitted to fund its commitment acquired pursuant to the Syndication in the form of Notes, any Loans so acquired may be replaced by Notes to be issued by the Company to such DIP Creditor, which shall for all purposes hereunder be “Initial Notes” and the proceeds of which shall be used to repay the Loans made by the DIP Fronting Creditor on account of such commitments. In connection with any conversion of Loans to Notes in accordance with this paragraph, (i) any Notes Upfront Premium due with respect to such Notes shall be paid by the Company to the applicable DIP Creditor holding such Notes pursuant to the Syndication, (ii) the DIP Fronting Creditor shall refund to the Company any Term Loan Upfront Premium paid by the Company in connection with such converted Initial Term Loans and (iii) interest accrued on such Initial Term Loans shall not be due upon such conversion but shall instead be paid on the regularly scheduled Interest Payment Date for such amounts. Any unused Tranche A Loan Commitment may be converted into a Tranche A Note Commitment and any unused Tranche B Loan Commitment may be converted into a Tranche B Note Commitment in connection with the Syndication. The Co-Administrative Agents shall be entitled to conclusively rely on a certificate from the Company setting forth the amounts of such conversions and names of the applicable DIP Creditors making such conversion, and no such conversion shall require the consent of any DIP Creditor; provided that, at the request of any DIP Creditor who desires to convert its unused Tranche A Loan Commitment may be converted into a Tranche A Note Commitment and any unused Tranche B Loan Commitment may be converted into a Tranche B Note Commitment in connection with the Syndication, the Company shall deliver a certificate effectuating such conversion to the Co-Administrative Agents. Following receipt of any such certificate, the Co-Administrative Agents shall update their records to reflect such conversion.

(viii) has had access to all information that it believes is necessary, sufficient or appropriate in connection with its purchase of the Notes, has made an independent decision to purchase the Notes based on the information concerning the business and financial condition of the Group, and other information available to it, which it has determined is adequate for that purpose.

ARTICLE VIII

The Co-Administrative Agents and the Collateral Agent; Etc.

SECTION 8.01 *Appointment.*

(a) Each (i) DIP Creditor hereby irrevocably appoints Acquiom and Seaport as Co-Administrative Agents and (ii) Co-Administrative Agent and DIP Creditor hereby irrevocably appoints the Collateral Agent (the Co-Administrative Agents and the Collateral Agent are referred to collectively (or any two of them together) as "**Agents**", and each is an "**Agent**"), in each case, to act as its agent hereunder and under the Credit Documents and authorizes each Agent to take such actions on its behalf and to exercise such powers as are expressly delegated to such Agent by the terms of the Credit Documents, together with such actions and powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, (i) the duties of the Co-Administrative Agents shall be mechanical and administrative in nature, the Co-Administrative Agents shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary, principal-agency, or trustee relationship with the

Collateral Agent, any DIP Creditor or any other Secured Party (regardless of whether a Default or Event of Default has occurred and is continuing), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Co-Administrative Agents and (ii) the duties of the Collateral Agent shall be mechanical and administrative in nature, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary, principal-agency, or trustee relationship with any Co-Administrative Agent, any DIP Creditor, or any other Secured Party (regardless of whether a Default or Event of Default has occurred and is continuing), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Collateral Agent. The appointment of Seaport as a Co-Administrative Agent is solely with respect to its capacity in processing assignments of the Term Loans and Notes under this Agreement and Seaport shall not be required to, or have any duty to or responsibility for, acting in any other capacities, without its prior written consent.

(b) The provisions of this Article VIII are solely for the benefit of the Agents and the DIP Creditors, and the Credit Parties shall have no rights as a third-party beneficiary of any of such provisions. In performing its functions and duties hereunder, each Agent shall act solely as an agent of the DIP Creditors and does not assume and shall not be deemed to have assumed any obligation towards or relationship of fiduciary, agency or trust with or for the Company, the other Credit Parties, or any of their respective Subsidiaries. It is understood and agreed that the use of the term “agent” or “Agent” herein or in any other Credit Documents (or any other similar term) with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties. Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to (i) execute any and all documents (including releases and the Security Documents (which Security Documents shall contain indemnity and expense reimbursement provisions for the benefit of the Agents party thereto that are no more onerous to the DIP Creditors than the provisions contained in the Security Documents as of the Closing Date and shall be binding on the DIP Creditors)) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and (ii) negotiate, enforce or settle any claim, action or proceeding affecting the DIP Creditors in their capacity as such, at the written direction of the Required DIP Creditors, which negotiation, enforcement or settlement will be binding upon each DIP Creditor.

SECTION 8.02 *Reliance by Agents.*

(a) Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary, principal-agency, trustee relationship or other implied duties, regardless of whether a Default has occurred and is continuing, (b) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or under any Credit Document that such Agent is instructed in writing to exercise by the Required DIP Creditors (or such other number or percentage of the DIP Creditors as shall be necessary under the circumstances as provided for herein or in the other Credit Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, (i) may expose such Agent to liability or that is contrary to any Credit Document or applicable law, (ii) may create any obligation not expressly set forth in the Credit Documents or (iii) may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting DIP Creditor in violation of any Debtor Relief Law or it shall first have been indemnified to its satisfaction by the DIP Creditors against any and all liability and expense (other than liability and expense arising from its own gross negligence or willful misconduct) that may be incurred by it by reason of taking, continuing to take or omitting to take any such action, and (c) except as expressly set forth in the Credit Documents, no Agent shall have any

duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Company, any of its Affiliates, or any of the Subsidiaries that is communicated to or obtained by the Person serving as Co-Administrative Agents and/or Collateral Agent or any of its Affiliates in any capacity.

SECTION 8.03 *Exculpatory Provisions.*

(a) No Agent nor any of its Related Parties shall be liable for any action taken or not taken by it with the consent or at the request of the Required DIP Creditors (or such other number or percentage of the DIP Creditors as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances) (and such consent or request and such action or action not taken pursuant thereto shall be binding upon all the DIP Creditors) or in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and non-appealable judgment (which shall not include any action taken or omitted to be taken in accordance with clause (i), for which such Agent shall have no liability).

(b) No Agent nor any of its Related Parties shall be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is given to such Agent by the Company or a DIP Creditor, referring to this Agreement, stating that such notice is a “notice of default” and describing such Default or Event of Default. In the event that any Co-Administrative Agent receives such a notice, it shall give notice thereof to the DIP Creditors and, the other Co-Administrative Agent and the Collateral Agent. Each Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required DIP Creditors (or such other number or percentage of the DIP Creditors as shall be necessary, or as such Agent shall believe in good faith shall be necessary) (subject to the provisos set forth in Section 8.04(c)).

(c) No Agent nor any of its Related Parties shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report, statement or other document delivered, referred to, provided for, or delivered hereunder or thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein, the use of proceeds of the Loans and/or the Notes, or the occurrence of any Default or Event of Default, (iv) the execution, validity, enforceability, effectiveness, genuineness, collectability or sufficiency of any Credit Document or any other agreement, instrument or document, or the creation, preservation, perfection, maintenance or continuation of perfection, or priority of any Lien created or purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, (vi) whether the Collateral exists, is owned by the Company, another Credit Party or any of their Subsidiaries or Affiliates, is cared for, protected, or insured or has been encumbered, or meets the eligibility criteria applicable in respect thereof, (vii) the financial condition or business affairs of any Credit Party or any other Person liable for the payment of any Obligations or (viii) the satisfaction of any condition set forth in Article IV or elsewhere in any Credit Document, other than to confirm receipt of items expressly required to be delivered to such Agent. No Agent shall be under any duty or obligation to inspect the properties, books or records of any Credit Party or any Affiliate thereof.

(d) No Agent nor any of its Related Parties shall, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Credit Parties or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Related Parties in any capacity.

(e) Nothing in this Agreement or any other Credit Document shall require any Agent or its Related Parties to expend or risk their own funds or otherwise incur any financial liability in the performance of any duties or in the exercise of any rights or powers hereunder.

(f) No Agent shall be responsible or liable for any failure or delay in the performance of its obligations under this Agreement or any other Credit Document, in each case, arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; pandemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

(g) For the avoidance of doubt, and without limiting the other protections set forth in this Article VIII, with respect to any determination, designation, or judgment to be made by any Agent herein or in the other Credit Documents, such Agent shall be entitled to request that the Required DIP Creditors (or such other number or percentage of the DIP Creditors as shall be necessary, or as such Agent shall believe in good faith shall be necessary) make or confirm such determination, designation, or judgment.

SECTION 8.04 *Reliance by Agents.*

(a) Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document, facsimile or other writing (including any electronic message, Internet or intranet website posting or other distribution) reasonably believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person or by acting upon any representation or warranty made or demand to be made hereunder or under any other Credit Document. Each Agent may also rely upon any statement made to it orally or by telephone and reasonably believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan or the purchase of a Note that by its terms must be fulfilled to the satisfaction of a DIP Creditor, each Agent may presume that such condition is satisfactory to such DIP Creditor unless such Agent shall have received notice to the contrary from such DIP Creditor prior to the making of such Loan or the purchase of such Note. Each Agent may consult with legal counsel (who may be counsel for the Credit Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(b) Each Co-Administrative Agent may deem and treat the DIP Creditors specified in the DIP Term Loan Creditor Register, Participant Register, SPV Register and/or DIP Notes Creditor Register, as applicable, with respect to any amount owing hereunder as the owner thereof for all purposes unless such amount shall have assigned in accordance with Section 9.04 (and, with respect to Notes, Section 10.02).

(c) Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such direction, advice or concurrence of the Required DIP Creditors (or such other number or percentage of the DIP Creditors as shall be necessary, or as such Agent shall believe in good faith shall be necessary) and such certifications as it deems appropriate, provided that such Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may (i) expose such Agent to liability or that is contrary to any Credit Document or applicable Law or (ii) be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency, reorganization, or relief of debtors; provided, further, that if such Agent so requests, it shall first be indemnified to its satisfaction (including reasonable advances as may be requested by such Agent) by the DIP Creditors against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such directed action; provided, further, that such Agent may seek clarification or further direction prior to taking any such directed action and may refrain from acting until such clarification or further direction has been provided. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance

with a request of the Required DIP Creditors (or such other number or percentage of the DIP Creditors as shall be necessary, or as such Agent shall believe in good faith shall be necessary), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the DIP Creditors and all future holders of the Loans and/or Notes. Each Agent may also consult with and rely upon advice and statements of the Required DIP Creditors (or such other number or percentage of the DIP Creditors as shall be necessary, or as such Agent shall believe in good faith to be necessary).

SECTION 8.05 *Delegation of Duties.* Each Agent may, in its discretion, perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through their respective Related Parties (including its affiliates, agents, sub-agents, designees, employees or attorneys-in-fact), and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. All provisions of this Article VIII and Article IX (including Section 9.5) and all other rights, privileges, protections, immunities, and indemnities granted to each Agent hereunder and under the other Credit Documents shall apply to its Related Parties (including agents, sub-agents, designees, employees or attorneys-in-fact). No Agent shall be responsible for the negligence, fraud or misconduct of any agents, sub-agents, designees, or attorneys-in-fact selected by it with reasonable care. For the avoidance of doubt, the exculpatory and indemnification provisions of the preceding and succeeding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the DIP Facility as well as activities as Agent.

SECTION 8.06 *Successor Agents.*

(a) Each Agent may resign at any time by providing written notice to the other Agents, DIP Creditors and the Company and the Required DIP Creditors may, at any time, by providing written notice to the Company and the Agents, replace any Agent. Upon any such resignation or replacement, the Required DIP Creditors shall have the right, in consultation with the Company, to appoint a successor which shall be any financial institution. If no successor shall have been so appointed by the Required DIP Creditors and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation or the Required DIP Creditors have given notice of the replacement of such Agent, then the retiring or replaced Agent may, on behalf of the DIP Creditors, appoint a successor Agent which. If no successor Agent has been appointed pursuant to the immediately preceding sentence by the 30th day after the date such notice of resignation was given by such Agent or notice of replacement was given by the Required DIP Creditors, such Agent's resignation or replacement, as applicable, shall nonetheless become effective and such Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of Secured Parties under any of the Credit Documents, the retiring or replaced Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and the DIP Creditors shall thereafter perform all the duties of such Agent hereunder and/or under any other Credit Document until such time, if any, as the Required DIP Creditors appoint a successor Administrative Agent and/or Collateral Agent, as the case may be. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring or replaced Agent, and the retiring or replaced Agent shall be discharged from its duties and obligations hereunder (if not already discharged therefrom as provided above).

(b) Upon the acceptance of a successor's appointment as Agent hereunder, and upon the execution and filing or recording of such amendments to the applicable Credit Documents, financing statements, or amendments thereto, and such amendments or supplements to the Mortgages and such other instruments or notices, as may be necessary or desirable, or as the Required DIP Creditors may request, in order to (i) reflect any such new Agent's role and (ii) in the case of a successor Collateral Agent, continue

the perfection of the Liens granted or purported to be granted by the Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired or replaced) Agent, and the retiring (or retired or replaced) Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Article VIII). The Credit Parties shall promptly execute all documents and instruments necessary to convey all rights and interests of the retiring or replaced Agent under this Agreement, the Credit Documents and all related documents and instruments to any successor Agent. The fees payable by the Company to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. After an Agent's resignation or replacement hereunder, the provisions of this Article VIII and Article IX (including Section 9.5) and all other rights, privileges, protections, immunities, and indemnities granted to such Agent hereunder and under the other Credit Documents shall continue in effect for the benefit of such retiring or replaced Agent, its sub-agents and their respective Related Parties shall inure to its benefit as to any actions taken or omitted to be taken by it (i) while it was Agent under this Agreement and the other Credit Documents and (ii) with respect to the transition to its successor Agent.

(c) Any corporation or association into which Acquiom or Seaport, as applicable, may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which Acquiom or Seaport, as applicable, is a party, will be and become a successor to Acquiom or Seaport, as applicable, as a Co-Administrative Agent and/or the Collateral Agent, as applicable, hereunder and the other Credit Documents and will have and succeed to the rights, privileges, protections, immunities, and indemnities of the applicable Agent(s), upon five (5) Business Days' written notice to the Company, but without the execution or filing of any other instrument or paper or the performance of any further act.

SECTION 8.07 *Non-Reliance on Agents and Other DIP Creditors.* Each DIP Creditor expressly acknowledges that neither the Agents nor any of their officers, directors, employees, agent, attorneys-in-fact or Related Parties has made any representation or warranty to it and that no act by any Agent or any such Person hereinafter taken, including any review of the affairs of any Credit Party, shall be deemed to constitute any representation or warranty by any of the Agents to any DIP Creditor. Each DIP Creditor also expressly represents and warrants that it has, independently and without reliance upon the Agents or any other DIP Creditor or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, properties, financial and other condition and creditworthiness of the Credit Parties and made its own decision to enter into this Agreement and extend credit to the Credit Parties hereunder. Each DIP Creditor acknowledges that it will, independently and without reliance upon the Agents or any other DIP Creditor or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action hereunder and under the other Credit Documents and to make such investigation as it deems necessary to inform itself as to the business, prospects, operations, properties, financial and other condition and creditworthiness of the Credit Parties. Each DIP Creditor agrees that it will not assert any claim against any Agent based on an alleged breach of fiduciary duty by such Agent in connection with this Agreement, the other Credit Documents, or the transactions contemplated hereunder and thereunder. Except for notices, reports, and other documents expressly required to be furnished to the DIP Creditors by the Co-Administrative Agents hereunder, no Agent shall have any duty or responsibility to provide any DIP Creditor with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of any Credit Party that may come into the possession of such Agent or any of its Related Parties.

SECTION 8.08 *Indemnification.*

(a) To the extent that the Company fails to pay any amount required to be paid by it to the Co-Administrative Agents, the Collateral Agent or any other Protected Person under Section 9.05(a) or (b), each DIP Creditor severally agrees to indemnify each Agent and each of their Related Parties in their capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to the amount of Loans, Notes and/or Commitments they hold on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the applicable Loans, Notes and/or Commitments shall have been paid in full, ratably in accordance with the amount of such Loans, Notes and/or Commitments they held in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans and the Notes) be imposed on, incurred by or asserted against an Agent in any way relating to or arising out of the applicable Term Loans, Notes and/or Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by any Agent under or in connection with any of the foregoing; provided that no DIP Creditor shall be liable to an Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, further, that no action taken by any Agent in accordance with the written direction of the Required DIP Creditors (or such other number or percentage of the DIP Creditors as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 8.08. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans and the Notes), this Section 8.08 applies whether any such investigation, litigation or proceeding is brought by any DIP Creditor or any other Person. Without limitation of the foregoing, each DIP Creditor shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of the Company or the other Credit Parties; provided that such reimbursement by the DIP Creditors shall not affect the Company's or the other Credit Parties' continuing reimbursement obligations with respect thereto. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any DIP Creditor to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such DIP Creditor's pro rata portion thereof; and provided, further, this sentence shall not be deemed to require any DIP Creditor to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, further, that no action taken by any Agent in accordance with the written direction of the Required DIP Creditors (or such other number or percentage of the DIP Creditors as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 8.08. The indemnity provided to each Agent under this Section 8.08 shall also apply to such Agent's respective Affiliates, directors, officers, members, controlling persons, employees, trustees, investment advisors, sub agents, representatives, counsel and other advisors and agents and successors.

(b) The provisions of this Section 8.08 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Term Loans or of any of the Notes, the expiration or termination of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Credit Document, or any investigation made by or on behalf of the Co-Administrative Agents, the Collateral Agent, or any DIP Creditor. All amounts due under this Section 8.08 shall be payable on demand therefor.

(c) In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to the Company or any of its Subsidiaries, each Agent (irrespective of whether the principal of any Loan or Note shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether such Agent shall have made any demand on the Credit Parties) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise (a) file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that, in its sole opinion, complies with such rule's disclosure requirements for entities representing more than one creditor; (b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Notes and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the DIP Creditors, and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the DIP Creditors and the Agents and their respective agents and counsel and all other amounts due the DIP Creditors and Agents under Section 9.05) allowed in such judicial proceeding and (c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same and, in either case, any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each DIP Creditor and each other Secured Party to make such payments to such Agent and, in the event that such Agent shall consent to the making of such payments directly to the DIP Creditors, to pay to such Agent any amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due such Agent under Section 9.05.

SECTION 8.09 *Agents under Security Documents and Guarantee.*

(a) The Secured Parties irrevocably authorize the Collateral Agent, with the prior written consent of the Required DIP Creditors or such other number or percentage of DIP Creditors as shall be necessary pursuant to Section 9.08(b), (i) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (x) upon termination of all Commitments and payment in full of all Obligations (other than contingent reimbursement and indemnification obligations to the extent no unsatisfied claim with respect thereto has been asserted), (y) that is (i) owned by, or is an Equity Interest in, a Restricted Subsidiary that (A) [reserved] or (B) ceases to be a Subsidiary as a result of a transaction permitted hereunder in accordance with the terms hereof (provided that, the release of any Lien pursuant to this subclause (B) on the property of or Equity Interests in any Person that was a Restricted Subsidiary on the Closing Date shall only be permitted if at the time such Person ceases to be a Subsidiary, (1) no Default or Event of Default has occurred and is continuing or would otherwise result therefrom, (2) both immediately before and after the time on which the definitive documentation for the transaction pursuant to which such Person shall cease to be a Subsidiary was entered and giving pro forma effect thereto, no Default or Event of Default shall have occurred and be continuing or result therefrom and (3) after giving pro forma effect to such release and the consummation of the transaction that causes such Person to cease to be a Subsidiary, the Company is deemed to have made a new Investment in such Person (which such Person shall, for purposes of determining the permissibility of such Investment, be deemed not to be a Credit Party) in an amount equal to the portion of the fair market value of the net assets of such Person attributable to the Company's or any other Credit Party's equity interest therein and such Investment is permitted pursuant to Section 6.04) or (ii) sold or otherwise disposed of as part of or in connection with any

sale or other disposition permitted under the Credit Documents, in each case to a Person that is not an Affiliate of the Company (other than sales to Affiliates as a result of a transaction permitted hereunder in accordance with the terms hereof), or (z) subject to Section 9.08, if approved, authorized or ratified in writing by the Required DIP Creditors or all DIP Creditors (as applicable); (ii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Section 6.02(i); and (iii) release any Guarantor from its obligations under the Guarantee and Collateral Agreement or any other Security Documents if such Person ceases to be a Guarantor as a result of a transaction permitted hereunder (including the sale or other disposition of the Equity Interests of any Person or if such Guarantor ceases to be a Subsidiary pursuant to a transaction permitted hereunder in accordance with the terms hereof); provided that, such release pursuant to this clause (iii) of any Person that was a Guarantor on the Closing Date as a result of such Person ceasing to be a Subsidiary shall only be permitted if at the time such Person ceases to be a Subsidiary, (1) no Default or Event of Default has occurred and is continuing or would otherwise result therefrom, (2) both immediately before and after the time on which the definitive documentation for the transaction pursuant to which such Person shall cease to be a Subsidiary was entered and giving pro forma effect thereto, no Default or Event of Default shall have occurred and be continuing or result therefrom and (3) after giving pro forma effect to such release and the consummation of the transaction that causes such Person to cease to be a Subsidiary, the Company is deemed to have made a new Investment in such Person for purposes of Section 6.04 in an amount equal to the portion of the fair market value of the net assets of such Person attributable to the Company's or any other Credit Party's equity interest therein and such Investment is permitted pursuant to Section 6.04. Upon request by the Collateral Agent at any time, the Required DIP Creditors or such DIP Creditors required to authorize or approve the releases and subordination described herein will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property pursuant to this paragraph or to release any Guarantor from the obligations under the Guarantee and Collateral Agreement or any other Security Document. The Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by the Company in connection therewith, nor shall the Collateral Agent be responsible or liable to the DIP Creditors for any failure to monitor or maintain any portion of the Collateral. In each case as specified in this Article VIII, the Collateral Agent will (and each DIP Creditor will), at the Credit Parties' expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest therein, and/or to release such Credit Party from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents, this Agreement and this Article VIII.

(b) The Collateral Agent shall have its own independent right to demand payment of the amounts payable by the Credit Parties under this Section 8.09, irrespective of any discharge of the Company's or other Credit Parties' obligations to pay those amounts to the DIP Creditors resulting from failure by them to take appropriate steps in insolvency proceedings affecting the Company or other Credit Parties to preserve their entitlement to be paid those amounts.

SECTION 8.10 *Right to Realize on Collateral and Enforce Guarantee.* Anything contained in any of the Credit Documents to the contrary notwithstanding, the Company, the Co-Administrative Agents, the Collateral Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee and Collateral Agreement or to take any other enforcement action hereunder or under any other Credit Document, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Credit Documents may be exercised solely by the Co-Administrative Agents or the Collateral Agent, as applicable, for the benefit of the Secured Parties in accordance with the terms hereof and thereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent for the benefit of the Secured

Parties in accordance with the terms thereof, and (ii) in the event of a foreclosure or similar enforcement action by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition (including, without limitation, pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code), the Collateral Agent (or any DIP Creditor, except with respect to a “credit bid” pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code) may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any DIP Creditor or DIP Creditors in its or their respective individual capacities) shall be entitled, upon instructions from the Required DIP Creditors, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale or disposition, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition.

SECTION 8.11 *Withholding Tax.* To the extent required by any applicable Law, any Agent may withhold from any payment to any DIP Creditor an amount equivalent to any applicable withholding Tax. If any payment has been made to any DIP Creditor by any Agent without the applicable withholding Tax being withheld from such payment and the any Agent has paid over the applicable withholding Tax to the IRS or any other Governmental Authority, or the IRS or any other Governmental Authority asserts a claim that the Co-Administrative Agents or any Agent did not properly withhold Tax from amounts paid to or for the account of any DIP Creditor because the appropriate form was not delivered or was not properly executed or because such DIP Creditor failed to notify the Co-Administrative Agents of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, such DIP Creditor shall indemnify the applicable Agents fully for all amounts paid, directly or indirectly, by such Agents as Tax, or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred, whether or not such Tax was correctly or legally imposed or asserted by the IRS or such other Governmental Authority. Each DIP Creditor hereby authorizes each Agent to set off and apply any and all amounts at any time owing to such DIP Creditor under this Agreement or any other DIP Loan Document against any amount due such Agent under this Article VIII.

SECTION 8.12 *Agents in Their Individual Capacities.* Each Person serving as a Co-Administrative Agent and/or the Collateral Agent in its individual capacity hereunder shall have the same rights and powers in its capacity as a DIP Creditor as any other DIP Creditor and may exercise the same as though it were not an Agent, and the term “DIP Creditor” or “DIP Creditors” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, make investments in, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof (subject to securities law and other requirements of law) as if it were not an Agent hereunder and without any duty to account therefor to the DIP Creditors.

SECTION 8.13 *Survival.* The agreements in this Article VIII shall survive the resignation, removal or replacement of the Agents, any assignment of rights by, or the replacement of, a DIP Creditor, the repayment, satisfaction or discharge of any or all Obligations under this or any other Credit Document, and the termination of this Agreement or any other Credit Document.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications, to the extent provided in the immediately following paragraph, shall be effective as provided in said paragraph.

Notices and other communications to the DIP Creditors hereunder may be delivered or furnished by electronic communication (including email and Internet or intranet websites) pursuant to procedures approved by the Co-Administrative Agents; provided that the foregoing shall not apply to notices to any DIP Creditor pursuant to Article II if such DIP Creditor has notified the Co-Administrative Agents that it is incapable of receiving notices under such Article II by electronic communication. The Co-Administrative Agents or the Company may, in its discretion, agree to accept notices and other communications to it

hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless the Co-Administrative Agents otherwise prescribes, (i) notices and other communications sent to an email address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return email or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its email address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient. Each DIP Creditor agrees to notify the Co-Administrative Agents in writing (including by electronic communication) from time to time of such DIP Creditor's email address to which the foregoing notices may be sent by electronic transmission and that the foregoing notice may be sent to such email address.

Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the Co-Administrative Agents and the Company.

The Company agrees that the Co-Administrative Agents and the Collateral Agent may, but shall not be obligated to, make the Communications available to the DIP Creditors by posting the Communications on Debt Domain, Intralinks, Syndtrak or a substantially similar electronic transmission system (the "**Platform**"). The Platform is provided "as is" and "as available." The Co-Administrative Agents and the Collateral Agent and their respective Related Parties do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by the Co-Administrative Agents or the Collateral Agent or any of their respective Related Parties in connection with the Communications or the Platform. In no event shall the Co-Administrative Agents or the Collateral Agent or any of their respective Related Parties have any liability to the Company or any Subsidiary, any DIP Creditor or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Company's, any Subsidiary's or the Co-Administrative Agents's or the Collateral Agent's transmission of communications through the Platform, other than as a result of the gross negligence or willful misconduct of the Co-Administrative Agents or the Collateral Agent as determined by a court of competent jurisdiction in a final and non-appealable judgment. "**Communications**" means, collectively, any notice, demand, communication, information, document or other material that the Company or any Subsidiary provides to the Co-Administrative Agents or the Collateral Agent pursuant to any Credit Document or the transactions contemplated therein which is distributed to the Co-Administrative Agents or the Collateral Agent or to any DIP Creditor by means of electronic communications pursuant to this Section 9.01, including through the Platform.

The Company hereby acknowledges that (a) the Co-Administrative Agents will make available to the DIP Creditors materials and/or information provided by or on behalf of the Company hereunder (collectively, the "**Company Materials**") by posting the Company Materials on the Platform and (b) certain of the DIP Creditors may be "public-side" DIP Creditors (*i.e.*, DIP Creditors that do not wish to receive Material Non-Public Information with respect to the Company, any Subsidiary or any of their securities) (each, a "**Public DIP Creditor**"). The Company hereby agrees that (w) all Company Materials that are to be made available to Public DIP Creditors shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof; (x) by marking Company Materials "PUBLIC," the Company shall be deemed to have authorized the Co-Administrative Agents, Collateral Agent, and DIP Creditors to treat such Company Materials as not

containing any Material Non-Public Information with respect to the Company, any Subsidiary or any of their securities for purposes of United States federal and state securities laws (provided, however, that to the extent such Company Materials constitute Information, they shall be treated as set forth in Section 9.16); (y) all Company Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated as “Public Investor;” and (z) the Co-Administrative Agents and the Collateral Agent shall be entitled to treat the Company Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not marked as “Public Investor.” Notwithstanding the foregoing, the following Company Materials shall be marked “PUBLIC”, unless the Company notifies the Co-Administrative Agents promptly that any such document contains Material Non-Public Information: (1) the Credit Documents and (2) notification of changes in the terms of the Credit Documents.

The Co-Administrative Agents agree that the receipt of the Communications by the Co-Administrative Agents at their email addresses set forth above shall constitute effective delivery of the Communications to the Co-Administrative Agents for purposes of the Credit Documents. Each DIP Creditor agrees that receipt of notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such DIP Creditor for purposes of the Credit Documents. Each DIP Creditor agrees to notify the Co-Administrative Agents in writing (including by electronic communication) from time to time of such DIP Creditor’s email address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such email address.

Nothing herein shall prejudice the right of the Co-Administrative Agents, the Collateral Agent, or any DIP Creditor to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

SECTION 9.02 *Survival of Agreement.* All covenants, agreements, representations and warranties made by the Company herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Credit Document shall be considered to have been relied upon by the Agents, and the DIP Creditors and shall survive the making by the DIP Creditors of the Term Loans and the purchasing by the DIP Creditors of the Notes, regardless of any investigation made by the DIP Creditors or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Note or any Fee or any other amount payable under this Agreement or any other Credit Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of Sections 2.14, 2.16, 2.20, 9.05 and Article VIII shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Term Loans or any of the Notes, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Credit Document, or any investigation made by or on behalf of the Co-Administrative Agents, the Collateral Agent, any DIP Creditor. Section 9.16 shall remain operative and in full force and effect until one year following the termination of this Agreement.

SECTION 9.03 *Binding Effect.* This Agreement shall become effective when it shall have been executed by the Company and the Co-Administrative Agents and when the Co-Administrative Agents shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto.

SECTION 9.04 *Successors and Assigns.*

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (x) neither Company may delegate, assign or otherwise transfer any of its rights, duties or obligations hereunder without the prior

written consent of each Agent, and each DIP Creditor and any such attempted transfer or assignment without such consent shall be null and void and (y) no DIP Creditor may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section 9.04, (ii) by way of participation in accordance with the provisions of paragraph (f) of this Section 9.04, or (iii) by way of pledge or assignment of a security interest subject to the provisions of paragraph (i) of this Section 9.04. Nothing in this Agreement or the other Credit Documents, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, the Protected Persons, Participants to the extent provided in paragraph (f) of this Section 9.04 and, to the extent expressly contemplated hereby, the Related Parties of each of the Co-Administrative Agents, the Collateral Agent, and the DIP Creditors) any legal or equitable right, remedy, obligation, liability or claim under or by reason of this Agreement or the other Credit Documents. For the avoidance of doubt, with respect to any assignments or other transfers of Notes, Section 10.02 shall supplement this Section 9.04 and, in the case of any conflict with any provision of this Section 9.04, supersede such provision.

(b) Any DIP Creditor may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Term Loans and/or Notes outstanding at such time); provided that any such assignment shall be subject to the following conditions:

(i) (A) in the case of an assignment of the entire remaining amount of the assigning DIP Creditor's Commitment, and/or Term Loans, and/or Notes outstanding at such time (in each case with respect to any Class) or contemporaneous assignments to related Approved Funds that equal at least the amount specified in paragraph (b)(i)(B) of this Section 9.04 in the aggregate or in the case of an assignment to a DIP Creditor or an Affiliate of a DIP Creditor or an Approved Fund with respect to a DIP Creditor, and/or an assignment by the DIP Fronting Creditor, no minimum amount need be assigned and (B) in any case not described in paragraph (b)(i)(A) of this Section 9.04, the aggregate amount of the Commitment (which for this purpose includes Term Loans and Notes outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loan and/or the Note of the assigning DIP Creditor subject to each such assignment, determined as of the date the Assignment and Acceptance (or Affiliated DIP Creditor Assignment and Acceptance) with respect to such assignment is delivered to the Co-Administrative Agents, shall not be less than \$1,000,000 (which for the avoidance of doubt, may be comprised of any combination of Commitments, Term Loans and/or the Notes in a collective amount that is not less than \$1,000,000) (or such lesser amounts if agreed between the Company and the Co-Administrative Agents) with respect to the Term Loan Commitments, the Term Loans, the Note Commitments and the Notes;

(ii) except in the case of an assignment (A) to a DIP Creditor, an Affiliate of a DIP Creditor or an Approved Fund or (B) in connection with the Syndication, the prior written consent of each of the Co-Administrative Agents (such consent not to be unreasonably withheld or delayed) and, so long as no Default or Event of Default has occurred and is continuing, the Company shall have consented to such assignment (which consent shall not be unreasonably withheld or delayed, and provided that the Company shall be deemed to have consented to any such assignment unless the Company shall object thereto by written notice to the Co-Administrative Agents within ten (10) Business Days after having received notice thereof);

(iii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning DIP Creditor's rights and obligations under this Agreement with respect to the Commitment, Term Loans and/or Notes assigned;

(iv) [reserved];

(v) the parties to each assignment shall either (A) execute and deliver to the Co-Administrative Agents an Assignment and Acceptance or an Affiliated DIP Creditor Assignment and Acceptance, as applicable, via an electronic settlement system acceptable to the Co-Administrative Agents or (B) if previously agreed with the Co-Administrative Agents, manually execute and deliver to the Co-Administrative Agents an Assignment and Acceptance or an Affiliated DIP Creditor Assignment and Acceptance, as applicable, in the case of clauses (A) and (B), together with a processing and recordation fee of \$3,500; provided that (1) no such fee shall be payable in the event of an assignment by a DIP Creditor to an Affiliate or Approved Fund of such DIP Creditor or an assignment by the DIP Fronting Creditor to other DIP Term Loan Creditors in its capacity as DIP Fronting Creditor or to effectuate the Syndication and (2) only one such fee shall be payable in the event of related assignments to or from a DIP Creditor and one or more of such DIP Creditor's Affiliates or Approved Funds. The assignee, if it is not a DIP Creditor, shall deliver to the Co-Administrative Agents an administrative questionnaire (in which the assignee shall designate one or more credit contacts to whom all syndicate-level information (which may contain Material Non-Public Information about the Company, any Subsidiary or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws) and all applicable Tax forms;

(vi) no such assignment shall be made (A) to the Company or any of the Company's Affiliates or Subsidiaries (other than an assignment to an Affiliated DIP Creditor pursuant to paragraph (k) of this Section 9.04) or (B) to any Defaulting DIP Creditor or any of its Subsidiaries, or to any Person who, upon becoming a DIP Creditor hereunder, would constitute any of the foregoing Persons described in this clause (B);

(vii) no such assignment shall be made to a natural Person; and

(viii) in connection with any assignment of rights and obligations of any Defaulting DIP Creditor hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Co-Administrative Agents in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub-participations, or other compensating actions, including funding, with the consent of the Company and the Co-Administrative Agents, the applicable pro rata share of Term Loans and/or Notes previously requested but not funded and/or purchased, as applicable, by the Defaulting DIP Creditor, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities (and accrued interest thereon) then owed by such Defaulting DIP Creditor to the Co-Administrative Agents, each other DIP Creditor hereunder and the Company and (y) acquire (and fund and/or purchase, as applicable) its full pro rata share of all Term Loans and/or Notes. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting DIP Creditor hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting DIP Creditor for all purposes of this Agreement until such compliance occurs; provided that any such transfer or exchange must be made in compliance with the federal securities laws of the United States, including the Securities Act or other applicable law.

Subject to acceptance and recording thereof by the Co-Administrative Agents pursuant to paragraph (e) of this Section 9.04, from and after the effective date specified in each Assignment and Acceptance or an

Affiliated DIP Creditor Assignment and Acceptance, as applicable, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Acceptance or an Affiliated DIP Creditor Assignment and Acceptance, as applicable, have the rights and obligations of a DIP Creditor under this Agreement, and the assigning DIP Creditor thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance or an Affiliated DIP Creditor Assignment and Acceptance, as applicable, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance or an Affiliated DIP Creditor Assignment and Acceptance, as applicable, covering all of the assigning DIP Creditor's rights and obligations under this Agreement, such DIP Creditor shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.14, 2.16, 2.20, and 9.05 with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a DIP Creditor of rights or obligations under this Agreement that does not comply with this paragraph (b) of this Section 9.04 shall be treated for purposes of this Agreement as a sale by such DIP Creditor of a participation in such rights and obligations in accordance with paragraph (f) of this Section 9.04.

(c) By executing and delivering an Assignment and Acceptance the assigning DIP Creditor thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning DIP Creditor warrants that it is the legal and Beneficial Owner of the interest being assigned thereby free and clear of any adverse claim and that its relevant Commitment, and the outstanding balances of its relevant Term Loans and/or Notes, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance or Affiliated DIP Creditor Assignment and Acceptance, as applicable, (ii) except as set forth in clause (i) above and clause (viii) below, such assigning DIP Creditor makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Credit Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Company or any Subsidiary or the performance or observance by the Company or any Subsidiary of any of its obligations under this Agreement, any other Credit Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is an Eligible Assignee legally authorized to enter into such Assignment and Acceptance or Affiliated DIP Creditor Assignment and Acceptance, as applicable; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 3.05(a) or delivered pursuant to Section 5.04 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance or Affiliated DIP Creditor Assignment and Acceptance, as applicable; (v) such assignee will independently and without reliance upon the Co-Administrative Agents, the Collateral Agent, such assigning DIP Creditor or any other DIP Creditor and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) such assignee appoints and authorizes the Co-Administrative Agents and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Co-Administrative Agents and the Collateral Agent, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a DIP Creditor; and (viii) solely in the case of an assignment of Notes, such assigning DIP Creditor shall certify that such Assignment and Acceptance has been effected in accordance with the terms and conditions of the Notes and in compliance with the federal securities laws of the United States, including the Securities Act or other applicable law.

(d) The Co-Administrative Agents, acting solely for this purpose as a non-fiduciary agent of the Company (such agency being solely for tax purposes), shall maintain at one of their offices a copy of each Assignment and Acceptance and each Affiliated DIP Creditor Assignment and Acceptance delivered

to it and a register for the recordation of the names and addresses of the DIP Creditors, and the Commitment of, and principal amount (and stated interest) of the Term Loans owing to, each DIP Creditor pursuant to the terms hereof from time to time (the “**DIP Term Loan Creditor Register**”). The entries in the DIP Term Loan Creditor Register shall be conclusive absent manifest error, and the Company, the Co-Administrative Agents, the Collateral Agent and the DIP Creditors shall treat each Person whose name is recorded in the DIP Term Loan Creditor Register pursuant to the terms hereof as a DIP Creditor hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The DIP Term Loan Creditor Register shall be available for inspection by the Company, the Collateral Agent and any DIP Creditor (solely with respect to any entry related to such DIP Creditor’s Term Loans and Commitments, and only at the office of the Co-Administrative Agents), at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon their receipt of, and consent to, a duly completed Assignment and Acceptance or Affiliated DIP Creditor Assignment and Acceptance, as applicable, executed by an assigning DIP Creditor and an assignee, an administrative questionnaire completed in respect of the assignee (unless the assignee shall already be a DIP Creditor hereunder), the processing and recordation fee referred to in paragraph (b) above, if applicable, and, if required, the Company, the Co-Administrative Agents shall (i) accept such Assignment and Acceptance or Affiliated DIP Creditor Assignment and Acceptance, as applicable, and (ii) record the information contained therein in the DIP Term Loan Creditor Register. No assignment shall be effective unless it has been recorded in the DIP Term Loan Creditor Register as provided in this paragraph (e).

(f) Any DIP Term Loan Creditor may at any time, without the consent of, or notice to, the Company, any other DIP Creditor, the Collateral Agent or the Co-Administrative Agents, sell participations to any Person (other than a natural Person or the Company or an Affiliate or Subsidiary) (each, a “**Participant**”) in all or a portion of such DIP Creditor’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and the Term Loans owing to it, but expressly excluding any Notes or Note Commitments); provided that (i) such DIP Term Loan Creditor’s obligations under this Agreement shall remain unchanged, (ii) such DIP Term Loan Creditor shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Company, the Co-Administrative Agents, and the DIP Creditors shall continue to deal solely and directly with such DIP Term Loan Creditor in connection with such DIP Creditor’s rights and obligations under this Agreement. For the avoidance of doubt, each DIP Term Loan Creditor shall be responsible for the indemnity under Section 9.05(c) regardless of the sale by it of any participations. Any agreement or instrument pursuant to which a DIP Term Loan Creditor sells such a participation shall provide that such DIP Term Loan Creditor shall retain the sole right to enforce the obligations of the Company relating to the Term Loans and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such DIP Term Loan Creditor will not, without the consent of the Participant, agree to any amendment, modification or waiver decreasing any fees payable to such Participant or the amount of principal of or the rate at which interest is payable on the Term Loans in which such Participant has an interest, extending any scheduled principal payment date or date fixed for the payment of interest or fees on the Term Loans or Commitments in which such Participant has an interest, increasing or extending the Commitments in which such Participant has an interest or releasing all or substantially all of the Collateral or any Guarantor (other than in connection with the disposition of such Guarantor in a transaction permitted by Section 6.05). The Company agrees that each Participant shall be entitled to the benefits of Sections 2.14, 2.16 and 2.20 (subject to the requirements and limitations set forth therein, including the requirements under Section 2.20(e) (it being understood that the documentation under Section 2.20(e) shall be delivered to the participating DIP Creditor)) to the same extent as if it were a DIP Creditor and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04; provided that such Participant (A) agrees to be subject to the provisions of Section 2.21 as if it were an assignee under paragraph (b) of this Section 9.04 and (B) shall not be entitled to receive any greater payment under Sections 2.14, 2.16 or 2.20, with respect to any participation, than its participating DIP Creditor would have

been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation or unless the sale of the participation to such Participant is made with the Company's prior written consent. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a DIP Creditor; provided that such Participant agrees to be subject to Section 2.18 as though it were a DIP Creditor. Each DIP Term Loan Creditor that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Company (such agency being solely for tax purposes), maintain at one or more of its offices a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Term Loans or other rights or obligations under the Credit Documents (each such register, a "**Participant Register**"); provided that no DIP Creditor shall have any obligation to disclose all or any portion of any Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Term Loans or other rights or obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Loan or other right or obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in a Participant Register shall be conclusive absent manifest error, and such DIP Term Loan Creditor shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(g) Notwithstanding anything herein to the contrary, any Participant or sub-participant of a Participant that (i) [reserved], (ii) has purchased a participation or a sub-participation, as applicable, in a minimum amount of \$5,000,000, (iii) has been designated as a "Voting Participant" (a "**Voting Participant**") in a notice (a "**Voting Participant Notice**") sent by the relevant DIP Term Loan Creditor or Voting Participant (including any existing Voting Participant) to the Co-Administrative Agents and the Company and (iv) receives, prior to becoming a Voting Participant, the written consent of the Co-Administrative Agents and the Company (each such consent to be required only to the extent and under the circumstances it would be required if such Voting Participant were to become a DIP Term Loan Creditor pursuant to an assignment in accordance with Section 9.04(b) and only if such Participant or sub-participant of a Participant is not an existing Voting Participant), shall be entitled to vote as if such Voting Participant were a DIP Term Loan Creditor on all matters subject to a vote by the DIP Term Loan Creditors and the voting rights of the selling DIP Term Loan Creditor or Voting Participant (including any existing Voting Participant) shall be correspondingly reduced, on a dollar-for-dollar basis; provided, however, that if such Voting Participant has at any time failed to fund any portion of its participation or sub-participation when required to do so, then until such time as all amounts of its participation or sub-participation required to have been funded have been funded, such Voting Participant shall not be entitled to exercise its voting rights pursuant to the terms of this Section 9.04(g), and the voting rights of the selling DIP Term Loan Creditor or Voting Participant shall not be correspondingly reduced by the amount of such Voting Participant's participation or sub-participation (but shall be subject to the provisions applicable to Defaulting DIP Creditors). To be effective, each Voting Participant Notice must, with respect to each Voting Participant, (A) state the full name, as well as all contact information required to be included by a prospective DIP Term Loan Creditor in an Assignment and Acceptance and (B) state the Dollar amount of the participation purchased by such Voting Participant. Any selling DIP Term Loan Creditor (including any existing Voting Participant) and any selling or purchasing Voting Participant shall notify the Co-Administrative Agents and the Company within three (3) Business Days of any termination, reduction or increase of the amount of such participation or sub-participation. The Company and the Co-Administrative Agents shall be entitled to conclusively rely on information contained in Voting Participant Notices and all other notices delivered pursuant hereto. The voting rights of each Voting Participant are solely for the benefit of such Voting Participant and shall not inure to any assignee, participant or sub-participant of such Voting Participant.

(h) Any DIP Creditor or participant may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.04 (and, with respect to Notes, Section 10.02), disclose to the assignee or participant or proposed assignee or participant any information relating to the Company or the Subsidiaries furnished to such DIP Creditor by or on behalf of the Company or the Subsidiaries; provided that, prior to any such disclosure of Information or other information designated by the Company as confidential, each such assignee or participant or proposed assignee or participant shall execute an agreement whereby such assignee or participant shall agree (subject to customary exceptions) to preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the DIP Creditors pursuant to Section 9.16.

(i) Any DIP Creditor may at any time pledge or assign or grant a security interest in all or any portion of its rights under this Agreement to secure obligations of such DIP Creditor, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank having jurisdiction over such DIP Creditor; provided that no such pledge or assignment shall release such DIP Creditor from any of its obligations hereunder or substitute any such pledgee or assignee for such DIP Creditor as a party hereto.

(j) Notwithstanding anything to the contrary contained herein, any DIP Creditor (a “**Granting DIP Creditor**”) may grant to a special purpose funding vehicle (an “**SPV**”) the option to provide to the Company all or any part of any Loan that such Granting DIP Creditor would otherwise be obligated to make to the Company pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting DIP Creditor shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting DIP Creditor to the same extent, and as if, such Loan were made by such Granting DIP Creditor. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting DIP Creditor). The Company agrees that each SPV shall be entitled to the benefits of Sections 2.14, 2.16, and 2.20 (subject to the requirements and limitations set forth therein, including the requirements under Section 2.20(e)) to the same extent as if it were a DIP Creditor and had acquired its interest by assignment pursuant to Section 9.04(b) (and, with respect to the Notes, Section 10.02); provided that such SPV (A) agrees to be subject to the provisions of Section 2.21 as if it were an assignee under Section 9.04(b) (and, with respect to the Notes, Section 10.02) and (B) shall not be entitled to receive any greater payment under Sections 2.14, 2.16, and 2.20 than its Granting DIP Creditor would have been entitled to receive, unless the grant of such option to the SPV is made with the Company’s prior written consent. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it will not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under any Debtor Relief Law. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) without notice to, or the prior written consent of, the Company or the Co-Administrative Agents and without paying any processing fee therefor, assign all or a portion of its interests in any Term Loans and/or any Notes to the Granting DIP Creditor or to any financial institutions (consented to by the Company and Co-Administrative Agents) providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Term Loans and/or Notes and (ii) disclose on a confidential basis any non-public information relating to its Term Loans and/or Notes to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. Each Granting DIP Creditor shall, acting solely for this purpose as a non-fiduciary agent of the Company (such agency being solely for tax purposes), maintain at one or more of its offices a register on which it enters the name and address of each SPV and the principal amounts (and stated interest) of each SPV’s interest in the Term Loans and/or Notes or other rights or obligations under the Credit Documents

(each such register, an “*SPV Register*”); provided that no Granting DIP Creditor shall have any obligation to disclose all or any portion of any SPV Register (including the identity of any SPV or any information relating to an SPV’s interest in any Term Loans and/or Notes or other rights or obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Loan and/or Note or other right or obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in an SPV Register shall be conclusive absent manifest error.

(k) Notwithstanding the foregoing or anything to the contrary set forth herein, so long as no Default or Event of Default has occurred and is continuing, any DIP Creditor may, at any time, assign all or a portion of its Term Loans, Notes and Commitments under this Agreement to an Eligible Assignee who is or will become, after such assignment is completed, an Affiliated DIP Creditor, and any Eligible Assignee that is or will become, after such transaction is consummated, an Affiliated DIP Creditor may make Term Loans, or Commitments, purchase Notes or purchase outstanding Term Loans, Notes or Commitments under this Agreement subject to the following limitations:

(i) Affiliated DIP Creditors will not receive information provided solely to DIP Creditors by the Co-Administrative Agents, the Collateral Agent or any DIP Creditor and will not be permitted to attend, receive notice of or participate in meetings, including any conference calls or meetings, attended solely by DIP Creditors, the Co-Administrative Agents or the Collateral Agent;

(ii) the aggregate amount of Term Loans, Notes and Commitments (after giving effect to their purchase) purchased or held by Affiliated DIP Creditors may not exceed 20% of the then outstanding aggregate principal amount of the Term Loans, Notes and Commitments;

(iii) no Affiliated DIP Creditor shall be required to make any representation that it is not in possession of any Material Non-Public Information with respect to the Company or their Subsidiaries or their respective securities that has not been disclosed to the Co-Administrative Agents and DIP Creditors that are not Public DIP Creditors that may be material to a DIP Creditor’s decision to participate in such purchase or assignment as long as such Affiliated DIP Creditor shall, prior to such assignment or purchase, identify itself as an Affiliated DIP Creditor;

(iv) all assignments by and to Affiliated DIP Creditors shall be documented with an Affiliated DIP Creditor Assignment and Acceptance;

(v) upon request by the Co-Administrative Agents in connection with any amendment or waiver pursuant to Section 9.08, the Company hereby agrees to deliver a schedule reflecting, to the best of its knowledge, all Affiliated DIP Creditors within three (3) Business Days after written request therefor;

(vi) the Co-Administrative Agents shall have no obligation or liability to monitor or review any Affiliated DIP Creditor’s compliance with this Section 9.04(k) and each Affiliated DIP Creditor hereby agrees not to make or bring any claim, in its capacity as DIP Creditor, against the Co-Administrative Agents, any other Agent or any DIP Creditor with respect to the duties and obligations of such Persons under this Agreement and the other Credit Documents;

(vii) notwithstanding anything in Section 9.08 or the definition of “Required DIP Creditors” to the contrary, for purposes of determining whether the Required DIP Creditors have (1) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (2) otherwise acted on any matter related to any Credit Document, or (3) directed or

required any Agent or any DIP Creditor to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Affiliated DIP Creditors shall be deemed to have voted in the same proportion as non-Affiliated DIP Creditors voting on such matter for purposes of calculating whether the Required DIP Creditors have taken any actions; provided that (x) such Affiliated DIP Creditor shall be permitted to vote if such amendment, waiver or modification by its terms disproportionately adversely affects such Affiliated DIP Creditor in its capacity as a DIP Creditor as compared to the other DIP Creditors, (y) no amendment, modification or waiver shall deprive any Affiliated DIP Creditor of its share of any payments which the DIP Creditors are entitled to share on a pro rata basis; and (z) such Affiliated DIP Creditor shall be permitted to vote if such amendment, modification or waiver would increase its commitment, extend or postpone the final maturity of its Term Loans and/or Notes or scheduled date of amortization of its Term Loans, reduce the principal, interest or fees applicable to its Term Loans and/or Notes or release all or substantially all of the value of the Guarantees or release Liens on all or substantially all of the Collateral; and

(viii) notwithstanding anything in this Agreement or the other Credit Documents to the contrary, each Affiliated DIP Creditor hereby agrees that, in connection with the Chapter 11 Cases and, if any other proceeding under any Debtor Relief Law shall be commenced by or against the Company or any other Credit Party at a time when such DIP Creditor is an Affiliated DIP Creditor, such Affiliated DIP Creditor irrevocably authorizes and empowers the Co-Administrative Agents to vote on behalf of such Affiliated DIP Creditor with respect to the Term Loans and/or Notes held by such Affiliated DIP Creditor in the same proportion as non-Affiliated DIP Creditors voting on such matter; provided that such Affiliated DIP Creditor shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Co-Administrative Agents) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated DIP Creditor in a manner that is less favorable in any material respect to such Affiliated DIP Creditor than the proposed treatment of similar Obligations held by DIP Creditors that are not Affiliates of the Company.

SECTION 9.05 *Expenses; Indemnity.*

(a) The Company agrees to pay (i) all reasonable documented out-of-pocket expenses incurred by the Co-Administrative Agents and the Collateral Agent in connection with the syndication of the DIP Facility and the preparation, negotiation, execution, enforcement (whether through negotiations, legal proceedings or otherwise), delivery and administration of this Agreement and the other Credit Documents or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated), (ii) [reserved] and (iii) all out-of-pocket expenses incurred by the Co-Administrative Agents, the Collateral Agent, the DIP Fronting Creditor or the Required DIP Creditors in connection with the enforcement or protection of its rights in connection with this Agreement and the other Credit Documents (including in connection with any post-closing obligations) or in connection with the Term Loans made and Notes issued hereunder, including the reasonable and documented out-of-pocket costs and expenses of Evercore Group L.L.C. and limited, in the case of legal fees and expenses, to the reasonable and documented fees and out-of-pocket expenses of (1) McDermott Will & Emery LLP, as counsel for the Co-Administrative Agents and the Collateral Agent (and, if necessary, one local counsel to the Co-Administrative Agents and the Collateral Agent in any relevant jurisdiction and, solely in the case of an actual or perceived conflict of interest, one additional firm of outside legal counsel to the Co-Administrative Agents and the Collateral Agent (collectively, with McDermott Will & Emery LLP, "*Agents' Counsel*")), (2) Dentons US LLP, as counsel to the DIP Fronting Creditor, (3) Davis Polk, as counsel to the Required DIP Creditors, (4) McGuireWoods LLP, as special counsel for the Required DIP Creditors, and (5) McCurdy Consulting Inc., as technical advisor to the Ad Hoc Group and any local, regulatory or other special counsel and any advisors or consultants engaged by

or on behalf of the Ad Hoc Group in connection with the Restructuring; provided that any reasonable and documented out-of-pocket expenses incurred by any party hereto other than the Co-Administrative Agents, the Collateral Agent, the DIP Fronting Creditor, the Ad Hoc Group or the Required DIP Creditors shall be payable pursuant to this Section 9.05 only as and to the extent approved by the Required DIP Creditors; provided, further, that in no event shall any fees or expenses of any Affiliated DIP Creditor be payable pursuant to this Section 9.05.

(b) The Company agrees to indemnify the Co-Administrative Agents, the Collateral Agent, each DIP Creditor (including, for the avoidance of doubt, the DIP Fronting Creditor) and each Related Party of any of the foregoing Persons (each such Person, an “**Protected Person**”) against, and to hold each Protected Person harmless from, any and all losses, claims, damages, liabilities, costs, Taxes and related expenses, including reasonable counsel fees, charges and disbursements (but limited, in the case of legal fees and expenses to the reasonable and documented fees and out-of-pocket expenses of (1) McDermott Will & Emery LLP, as counsel for the Co-Administrative Agents and the Collateral Agent (and, if necessary, one local counsel to the Co-Administrative Agents and the Collateral Agent in any relevant jurisdiction and, solely in the case of an actual or perceived conflict of interest, one additional firm of outside legal counsel to the Co-Administrative Agents and the Collateral Agent), (2) Dentons US LLP, as counsel to the DIP Fronting Creditor, (3) Davis Polk, as counsel to the Required DIP Creditors, (4) McGuireWoods LLP, as special counsel for the Required DIP Creditors, and (5) McCurdy Consulting Inc., as technical advisor to the Ad Hoc Group and any local, regulatory or other special counsel and any advisors or consultants engaged by or on behalf of the Ad Hoc Group in connection with the Restructuring, incurred by or asserted against any Protected Person arising out of, in any way connected with (including relating to the preparation, execution, performance or enforcement), or as a result of (i) the DIP Facility, the execution or delivery of this Agreement or any other Credit Document or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations hereunder or thereunder and, in their capacities hereunder or in connection with or related to this Agreement, the consummation of the Transactions and the other transactions contemplated thereby (including the syndication of the DIP Facility or any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of any Term Loans or Notes), (ii) the use of the proceeds or the proposed use of proceeds of the Term Loans or Notes, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Protected Person is a party thereto (and regardless of whether such matter is initiated by a third party or by the Company, any other Credit Party or any of their respective Affiliates), (iv) any actual or alleged presence or Release of Hazardous Materials on any property currently or formerly owned, leased or operated by the Company or any of the Subsidiaries, or any Environmental Liability related in any way to the Company or any of the Subsidiaries or (v) otherwise in connection with the Chapter 11 Cases, the monitoring and administration thereof, the negotiation and implementation of an Acceptable Plan of Reorganization and any other matter, motion or order, bearing on the validity, priority and/or repayment of the Obligations in accordance with the terms hereof, including the reasonable, documented and invoiced fees, charges and disbursements of the Ad Hoc Group Advisors and Agents’ Counsel; provided that the indemnity under this Section 9.05(b) shall not, as to any Protected Person, be available (i) to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted primarily from the gross negligence or willful misconduct of such Protected Person or (ii) with respect to out-of-pocket expenses incurred by any DIP Creditor in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents or in connection with the Loans made hereunder (which matters shall be governed exclusively by Section 9.05(a)). This Section 9.05(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) [reserved].

(d) To the extent permitted by applicable Law, each party hereto agrees that it shall not assert, and hereby waives, any claim against any other party hereto or any Protected Person, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, in any way related to or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan, any Note, any act or omission or event occurring in connection therewith or the use of the proceeds thereof.

(e) The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Term Loans or of any of the Notes, the expiration or termination of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Credit Document, or any investigation made by or on behalf of the Co-Administrative Agents, the Collateral Agent, any DIP Creditor . All amounts due under this Section 9.05 shall be payable on written demand therefor.

SECTION 9.06 *Right of Setoff.* If an Event of Default shall have occurred and be continuing, each DIP Creditor, and each of their respective Affiliates who is owed Obligations is hereby authorized at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Person to or for the credit or the account of the Company or any other Credit Party against any of and all the obligations of the Company or any other Credit Party now or hereafter existing under this Agreement and other Credit Documents held by such DIP Creditor, irrespective of whether or not such DIP Creditor, such Affiliate shall have made any demand under this Agreement or any other Credit Document and although such obligations of the Company or such other Credit Party may be contingent or unmatured or are owed to a branch, office or Affiliate of such DIP Creditor different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting DIP Creditor shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Co-Administrative Agents for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting DIP Creditor from its other funds and deemed held in trust for the benefit of the Agents, and the DIP Creditors, and (y) the Defaulting DIP Creditor shall provide promptly to the Co-Administrative Agents a statement describing in reasonable detail the Obligations owing to such Defaulting DIP Creditor as to which it exercised such right of setoff. The rights of each DIP Creditor and their respective Affiliates under this Section 9.06 are in addition to other rights and remedies (including other rights of setoff) that such DIP Creditor or their respective Affiliates may have. Each DIP Creditor agrees to notify the Company and the Co-Administrative Agents promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 9.07 *Applicable Law.* THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT (EXCEPT, AS TO ANY OTHER CREDIT DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE.

SECTION 9.08 *Waivers; Amendments.*

(a) No failure or delay of the Co-Administrative Agents, the Collateral Agent, any DIP Creditor in exercising any power or right hereunder or under any other Credit Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Co-Administrative Agents, the Collateral Agent, and the DIP Creditors hereunder and under the other Credit Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Credit Document or consent to any departure by any Credit Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances.

SECTION 9.10 *Entire Agreement.* This Agreement and the other Credit Documents constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. Any other previous agreement among the parties with respect to the subject matter hereof and thereof is superseded by this Agreement and the other Credit Documents. Nothing in this Agreement or in the other Credit Documents, expressed or implied, is intended to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, the Protected Persons and the Related Parties of each of the Co-

Administrative Agents, the Collateral Agent, and the DIP Creditors) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Credit Documents.

EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12 **Severability.** In the event any one or more of the provisions contained in this Agreement or in any other Credit Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13 **Counterparts.** This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 9.03. Delivery of an executed signature page to this Agreement by facsimile transmission or in other electronic (e.g., “pdf” or “tif”) format shall be as effective as delivery of a manually signed counterpart of this Agreement. The words “execution,” “signed,” “signature,” and words of like import in any Credit Documents, Assignment and Acceptance or Affiliated DIP Creditor Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.14 **Headings.** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15 **Jurisdiction; Consent to Service of Process.**

(a) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property (and, in the case of the Company, its Restricted Subsidiaries and their property) to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have, or abstains from jurisdiction, any New York State court or the Federal court of the Southern District of New York, in each case located in the Borough of Manhattan, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Credit Documents, or for recognition or

enforcement of any judgment (except to the extent the Collateral Agent requires submission to any other jurisdiction in connection with the exercise of any rights under any Security Document or the enforcement of any judgment), and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such Bankruptcy Court and, if the Bankruptcy Court does not have, or abstains from jurisdiction, such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Credit Document shall affect any right that the Co-Administrative Agents, the Collateral Agent, or any DIP Creditor may otherwise have to bring any action or proceeding relating to this Agreement or the other Credit Documents against the Credit Parties or their properties in the courts of any jurisdiction.

(b) Each party hereto hereby irrevocably and unconditionally waives, on behalf of itself and the other Credit Parties, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Credit Document in Bankruptcy Court and, if the Bankruptcy Court does not have, or abstains from jurisdiction, any New York State or Federal court referred to in paragraph (a) of this Section 9.15. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

"**Information**" shall mean all information received from the Company on a confidential basis and related to the Credit Parties or their respective businesses, other than any such information that was available to the Co-Administrative Agents, the Collateral Agent, or any DIP Creditor on a non-confidential basis prior to its disclosure by the Company; provided that, in the case of Information received from the Company after the Closing Date, such information shall be deemed confidential unless marked "PUBLIC" in accordance with Section 9.01. Any Person required to maintain the confidentiality of Information as provided in this Section 9.16 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord its own confidential information. Notwithstanding the foregoing, (i) Information shall not include, with respect to any Person, information available to it or its Affiliates on a non-confidential basis from a source other than the Company, (ii) each Agent shall not be responsible for compliance with this Section 9.16 by any Restricted Person (other than its officers, directors or employees), (iii) in no event shall any DIP Creditor or any Agent be obligated or required to return any materials furnished by the Company or any of its Subsidiaries and (iv) each Agent and each DIP Creditor may disclose the existence of this Agreement and the information about this Agreement to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the facilities, market data collectors, similar services providers to the lending industry, and service providers to the Agents and the DIP Creditors in connection with the administration, settlement and management of this Agreement and the other Credit Documents.

SECTION 9.17 *DIP Creditor Action.* Each DIP Creditor agrees that it shall not take or institute any action or proceeding, judicial or otherwise, for any right or remedy against any Credit Parties under any Credit Document (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any of the Credit Parties, unless expressly provided for herein or in any other Credit Document, without the prior written consent of the Co-Administrative Agents and the Collateral Agent. The provisions of this Section 9.17 are for the sole benefit of the Agents and the DIP Creditors and shall not afford any right to, or constitute a defense available to, any of the Credit Parties.

SECTION 9.18 **USA PATRIOT Act Notice.** Each DIP Creditor and the Co-Administrative Agents (for itself and not on behalf of any DIP Creditor) hereby notifies the Company that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Company and the other Credit Parties, which information includes the name and address of the Company and the other Credit Parties and other information that will allow such DIP Creditor or the Co-Administrative Agents, as applicable, to identify the Company and the other Credit Parties in accordance with the USA PATRIOT Act.

SECTION 9.19 **No Fiduciary Duty.** The Co-Administrative Agents, the Collateral Agent, each DIP Creditor and their Affiliates (collectively, solely for purposes of this paragraph, the “**DIP Creditors**”), may have economic interests that conflict with those of the Company and the Subsidiaries, equityholders and/or Affiliates. The Company hereby agrees, on behalf of itself and each of the other Credit Parties, that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any DIP Creditor, on the one hand, and the Company, the other Credit Parties, and their respective Subsidiaries, equityholders or Affiliates, on the other. The Company acknowledges and agrees, on behalf of itself and each of the other Credit Parties, that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the DIP Creditors, on the one hand, and the Credit Parties, on the other, (ii) in connection therewith and with the process leading thereto, (x) no DIP Creditor has assumed an advisory or fiduciary responsibility in favor of the Company, the other Credit Parties, their respective equityholders and/or Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any DIP Creditor has advised, is currently advising or will advise the Company, the other Credit Parties, and their respective Subsidiaries, equityholders or Affiliates on other matters) or any other obligation to the Credit Parties except the obligations expressly set forth in the Credit Documents and (y) each DIP Creditor is acting solely as principal and not as the agent or fiduciary of the Company, the other Credit Parties, or their respective management, equityholders, creditors or any other Person, (iii) it has consulted its own legal and financial advisors to the extent it has deemed appropriate and it is responsible for making its own independent judgment with respect to the Transactions and the process leading thereto, and (iv) it will not claim that any Agent, or DIP Creditor has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to it in connection with such transaction or the process leading thereto, and agrees that each Agent or DIP Creditor shall have no liability (whether direct or indirect) in respect of such a claim or to any other Person asserting such a claim on its behalf.

SECTION 9.20 **Affiliate Activities.** The Company acknowledges that (1) the Agent and each DIP Creditor (and their respective subsidiaries and Affiliates) is a full service securities firm engaged, either directly or through Affiliates, in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals, (2) in the ordinary course of these activities, they may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and/or financial instruments (including bank loans) for their own respective accounts and for the accounts of their respective customers and may at any time hold long and short positions in such securities and/or instruments, (3) such investment and other activities may involve securities and instruments of the Company and their Subsidiaries and Affiliates, as well as of other entities and Persons and their Affiliates which may (i) be involved in transactions arising from or relating to the Transaction contemplated hereby and by the other Credit Documents, (ii) be customers or competitors of the Company and their Affiliates, or (iii) have other relationships with the Company and their Affiliates, (4) each Agent, and DIP Creditor (and their respective subsidiaries and Affiliates) may (i) provide investment banking, underwriting and financial advisory services to such other entities and Persons, or (ii) co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment

vehicles may trade or make investments in securities of the Company and their Subsidiaries and Affiliates or such other entities and (5) the transactions contemplated by this Agreement and by the other Credit Documents may have a direct or indirect impact on the investments, securities or instruments referred to in this Section.

SECTION 9.21 *Joint and Several Liability; Postponement of Subrogation.*

(a) The Obligations of the Company and the other Credit Parties hereunder and under the other Credit Documents shall be joint and several and, as such, the Company and the other Credit Parties shall be liable for all of such Obligations of the Company and each other Credit Party under this Agreement and the other Credit Documents. To the fullest extent permitted by law, the liability of the Company and each other Credit Party for the Obligations under this Agreement and the other Credit Documents of the Company and the other Credit Parties shall be absolute, unconditional and irrevocable, without regard to (i) the validity or enforceability of this Agreement or any other Credit Document, any of the Obligations hereunder or thereunder or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party, (ii) any defense, set-off or counterclaim which may at any time be available to or be asserted by the Company or any other Credit Party or any other Person against any Secured Party or (iii) any other circumstance whatsoever (with or without notice to or knowledge of the Company or any other Credit Party) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Company or each Credit Party for the Obligations hereunder or under any other Credit Document, or of the Company or any other Credit Party under this Section 9.21, in bankruptcy or in any other instance. The Company and each other Credit Party, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the Company and each other Credit Party, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 9.21), it being the intention of the parties hereto that all the Obligations shall be the joint and several Obligations of the Company and each other Credit Party without preferences or distinction among them.

(b) Each Credit Party agrees that it will not exercise any rights which it may acquire by way of rights of subrogation under this Agreement, by any payments made hereunder or otherwise, until the prior payment in full in cash of all of the Obligations hereunder and under the other Credit Documents and the permanent termination of all Commitments. Any amount paid to the Company or any other Credit Party on account of any such subrogation rights prior to the payment in full in cash of all of the Obligations hereunder and under the other Credit Documents and the permanent termination of all Commitments shall be held in trust for the benefit of the Secured Parties and shall immediately be paid to the Co-Administrative Agents for the benefit of the Secured Parties and credited and applied against the Obligations of the Credit Parties, whether matured or unmatured, in such order as the Required DIP Creditors shall elect. In furtherance of the foregoing, for so long as any Obligations of the Company or any other Credit Party hereunder or any Commitments remain outstanding hereunder or under the other Credit Documents, the Credit Parties shall refrain from taking any action or commencing any proceeding against any other Credit Party (or any of its successors or assigns, whether in connection with a bankruptcy proceeding or otherwise) to recover any amounts in respect of payments made in respect of the Obligations hereunder or under the other Credit Documents of the Credit Party to any Secured Party.

(c) The provisions of this Section 9.21 are made for the benefit of the Agents, the other Secured Parties and their respective successors and assigns, and may be enforced by it or them from time to time against any or all Credit Parties as often as occasion therefor may arise and without requirement on the part of any Agent, any other Secured Party or any of their respective successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against the Company or any other Credit Party or to exhaust any remedies available to it or them against the Company or any other Credit Party or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other

remedy. The provisions of this Section 9.21 shall remain in effect until all of the Obligations shall have been paid in full in accordance with the express terms of this Agreement. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by any Agent or any other Secured Party upon the insolvency, bankruptcy or reorganization of the Company or any other Credit Party, or otherwise, the provisions of this Section 9.21 will forthwith be reinstated in effect, as though such payment had not been made.

(d) Except as otherwise expressly provided in this Agreement, each Credit Party hereby waives notice of acceptance of its joint and several liability, notice of any Term Loans or Notes made or issued under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, or of any demand for any payment under this Agreement, notice of any action at any time taken or omitted by any Agent or any other Secured Party under or in respect of any of the Obligations, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by Law, all demands, notices and other formalities of every kind in connection with this Agreement (except as otherwise provided in this Agreement). Each Credit Party hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Obligations, the acceptance of any payment of any of the Obligations, the acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by any Agent or any other Secured Party at any time or times in respect of any default by any Credit Party in the performance or satisfaction of any term, covenant, condition or provision of this Agreement, any and all other indulgences whatsoever by any Agent or any other Secured Party in respect of any of the Obligations, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations or the addition, substitution or release, in whole or in part, of any Credit Party. Without limiting the generality of the foregoing, each Credit Party assents to any other action or delay in acting or failure to act on the part of any Agent or any other Secured Party with respect to the failure by any Credit Party to comply with any of its respective Obligations, including, without limitation, any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable Laws or regulations thereunder, which might, but for the provisions of this Section 9.21 afford grounds for terminating, discharging or relieving any Credit Party, in whole or in part, from any of its Obligations under this Section 9.21, it being the intention of any Credit Party that, so long as any of the Obligations hereunder remain unsatisfied, the Obligations of any Credit Party under this Section 9.21 shall not be discharged except by performance and then only to the extent of such performance. The Obligations of any Credit Party under this Section 9.21 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any Credit Party, any Agent or any other Secured Parties.

SECTION 9.22 *Orders Control.* To the extent that any specific provision hereof or in any other Credit Document is inconsistent with any of the Orders, the Interim Order or Final Order (as applicable) shall control.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a DIP Creditor or (2) a DIP Creditor has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such DIP Creditor further (x) represents and warrants, as of the date such Person became a DIP Creditor party hereto, to, and (y) covenants, from the date such Person became a DIP Creditor party hereto to the date such Person ceases being a DIP Creditor party hereto, for the benefit of, the Co-Administrative Agents and not, for the avoidance of doubt, to or for the benefit of the Company or any other Credit Party, that the Co-Administrative Agents is not a fiduciary with respect to the assets of such DIP Creditor involved in such DIP Creditor's entrance into, participation in, administration of and performance of the Term Loans, the Notes, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Co-Administrative Agents under this Agreement, any Credit Document or any documents related hereto or thereto).

SECTION 9.24 *Substitution of DIP Notes Creditor.* Notwithstanding anything to the contrary herein, including Section 9.08, each DIP Notes Creditor shall have the right to substitute any one of its Affiliates or another DIP Notes Creditor or any one of such other DIP Notes Creditor's Affiliates or related funds or funds under common management or another bank or financial institution or to a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a "***Substitute DIP Notes Creditor***") as the DIP Notes Creditor of the Notes that it has agreed to purchase hereunder which have not been issued as of the date of the substitution, by written notice to the Company (substantially in the form set out in Exhibit S, which notice shall be signed by both such DIP Notes Creditor and such Substitute DIP Notes Creditor, shall contain such Substitute DIP Notes Creditor's agreement to be bound by this Agreement and shall contain a confirmation by such Substitute DIP Notes Creditor of the accuracy with respect to it of the representations set forth in Section 3. ARTICLE X

Registration; Exchange; Substitution of Notes

SECTION 10.01 *Registration of Notes.* The Company hereby irrevocably appoints the Co-Administrative Agents as Registrar to keep at the Acquiom’s office (as applicable) a register for the registration and registration of transfers of Notes (the “***DIP Notes Creditor Register***”) and to register and update the same, including to reflect the relevant information in accordance with the sale and purchase of Notes at each Closing. The name and address, date of registration of each holder, account details for payment, contact name, email address and phone number of each holder of Notes, the principal amount of each Class and Type of Notes issued to a holder and the date of its issue, the details of the date on which each Note is repaid, prepaid or cancelled and the same information in respect of each transferee of one or more Notes (including the date of each transfer, the names and addresses of all subsequent holders thereof), the date on which a person ceases to be a holder, and the principal amount of the Notes held by each holder shall be registered on the DIP Notes Creditor Register. Promptly upon the DIP Notes Creditor Register being updated for any holder, the Registrar shall give to the relevant holder a true, complete and correct copy of the updated DIP Notes Creditor Register in respect of such holder. If any holder of one or more Notes is a nominee, then (i) the name and address of the beneficial owner of such Note or Notes shall also be registered in such register as an owner and holder thereof and (ii) at any such beneficial owner’s option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder, and any Registrar shall give to the Company and such holder (without any need to seek the Company’s consent), promptly upon request therefor, a true, complete and correct copy of the names and addresses held on the DIP Notes Creditor Register in respect of such holder. This paragraph shall be construed so that the obligations are at all times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of U.S. Internal Revenue Code of 1986, as amended.

SECTION 10.02 *Transfer and Exchange of Notes.* Upon receipt of a written instrument of transfer substantially in the form set out in Exhibit O (an “***Instrument of Transfer***”) duly executed by the registered holder of a Note and each transferee and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof, within five (5) Business Days thereafter, the Registrar appointed by the Company (or, if no Registrar has been appointed, the Company) shall deliver, at the Company’s expense (except as provided below), one or more new Notes in exchange therefor in the form of electronic book-entry on the DIP Notes Creditor Register, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note, provided that any such transfer or exchange must be made in compliance with the federal securities laws of the United States, including the Securities Act or other applicable law. Each such new Note shall be payable to such Person as such holder may request and shall be evidenced by electronic book-entry in the DIP Notes Creditor Register maintained

by the Registrar. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may, by notice to the Registrar, require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes provided that any such amount shall be owing by the transferee of the applicable Note following the effectuation of any transfer and shall not be a condition precedent to the effectiveness of such transfer. Notes shall not be transferred in denominations of less than \$1, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$1. Neither the Registrar nor any holder shall be required to obtain the consent of the Company in connection with the transfer or exchange of any Note pursuant to this Section 10.02.

 - such other documents as the Co-Administrative Agents or the Company may reasonably require (collectively, the “***Subscription Documents***”), and

- iii. If your Common Stock are held through more than one nominee, please have each nominee complete a Nominee Certification for the respective Common Stock held.

The Company will take reasonable steps to verify your status as an IAI and will determine your submission to be invalid if it cannot make such verification. If you wish to participate in the DIP Facility, you should provide Verification Documents that will allow the Company to make such verification. Notwithstanding the foregoing, no additional documents or verification shall be required for any Existing DIP Creditor that has previously provided sufficient information for the Company to verify its status as an IAI. Verification Documents may include:

- i. Certification from Third Party: You may provide a written confirmation of your status as an IAI from one of the following independent sources that has taken reasonable steps to verify your status and has determined that you are an accredited investor: (i) a registered broker/dealer, (ii) an investment adviser registered with the SEC, (iii) a licensed attorney who is in good standing under the laws of the jurisdiction(s) in which he or she is admitted to practice law, (iv) a certified public accountant who is duly registered and in good standing under the laws of the place of his or her residence or principal office, or (v) a reputable lending institution/bank who is a principal or primary lender to Subscriber or an affiliate of Subscriber (provided the written confirmation is of Subscriber's status as an accredited investor). Following the Expiration Time, the Company, Information Agent, or Co-Administrative Agents shall deliver a notice (the "**Funding Notice**") to each Eligible Holder that submitted compliant Subscription Forms (each a "**Participating Holder**") specifying such Participating Holder's Pro Rata Share (as defined below) of the Tranche A Commitments and Tranche B Commitments ("**Commitments**"). The Funding Notice shall provide instructions for funding the Commitments and specify the funding date, which shall be no earlier than the date that is two business days following the date of the Funding Notice (the "**Funding Date**"). Each Participating Holder's Pro Rata Share ("**Pro Rata Share**") of the Commitments shall be split equally between Tranche A Commitments and Tranche B Commitments and the aggregate Commitment shall be equal to,

- i. if all subscriptions submitted by Participating Holders in aggregate are equal to or lower than the Aggregate Funding Amount, such Participating Holder's subscription amount, or
- ii. in the event of subscription by Participating Holders in excess of the Aggregate Funding Amount, (a) a fraction of the Aggregate Funding Amount (expressed as a factor) the numerator of which is the certified number of shares of Common Stock owned by such Participating Holder (or designating Participating Holder in the case of a Permitted Designee, allocated among all Permitted Designees in the manner directed by the designating Participating Holder) as of the Record Date and the denominator of which is the aggregate certified number of shares of Common Stock held by all Participating Holders as of the Record Date; *plus* (b) in the event of any remaining portion of the Aggregate Funding Amount after the allocations set forth in (a), such amount as may be equitably adjusted by the Company based on the relative share ownership of Participating Holders on the Record Date and the total subscriptions submitted by Participating Holders; provided, however, that no Participating Holder's Pro Rata Share shall exceed such Holder's subscription amount.

A commitment to participate may not be withdrawn, unless otherwise determined by the Company. Additionally, the Company will determine whether any Holder is an Eligible Holder, has made the representations referenced above, has properly executed and delivered the required documentation and whether to reject or accept any subscription to participate that has not been properly completed and delivered.

On or prior to the Funding Date, all Commitments by Participating Holders shall be funded into an escrow account held at The Huntington National Bank (the “*Escrow Account*”) serviced by Kurtzman Carson Consultants, LLC (the “*Escrow Agent*”) by 5:00 p.m. ET on the Funding Date. Funds held in the Escrow Account will accrue interest at the applicable rate of such Escrow Account from the Funding Date until such funds have been transferred to the Company, the DIP Fronting Creditor or the Co-Administrative Agents pursuant to a drawdown notice. After the Funding Date but before the Closing Date, the Undrawn Commitment Premium will be held for the benefit of the DIP Fronting Creditor. As of the Closing Date, the Participating Holders will be entitled to the Undrawn Commitment Premium with respect to any unfunded Commitments. The Escrow Agent assumes no responsibility for the funds delivered to the Escrow Account and shall be entitled to rely solely on the direction of the Information Agent and the Company with respect to the disposition of such funds.

Upon allocation of the Commitments and satisfaction of any conditions precedent in the DIP Facility Agreement (or waiver in accordance with the terms thereof), the Escrow Agent will disburse the funds in the Escrow Account funded by Participating Holders in respect of the Initial Tranche A Loans and the Initial Tranche A Notes to the DIP Fronting Creditor or the Company, in accordance with the terms of the DIP Facility Agreement and other relevant documentation relating to the DIP Facility, and the DIP Loans and DIP Notes shall be recorded in a register for the DIP Facility. On each Delayed Draw Borrowing Date, the Escrow Agent will disburse the funds in the Escrow Account in respect of the Delayed Draw Term Loans and the Delayed Draw Notes to the Company, in accordance with the terms of the DIP Facility Agreement and other relevant documentation relating to the DIP Facility, and the DIP Loans or DIP Notes shall be recorded in a register for the DIP Facility.

If the Debtors’ syndication process is terminated for any reason, the Subscription Documents submitted by Participating Holders will terminate and the Escrow Agent will immediately return by wire any funds transferred by such Participating Holders to the Escrow Account plus their pro rata share of any interest earned on such funds.

Before you deliver the executed Subscription Documents, you should carefully review (i) the filings on the Debtors’ docket with the Bankruptcy Court related to their Chapter 11 Petitions, available at www.kccllc.com/Enviva (the “*Bankruptcy Filings*”), (ii) the Restructuring Support Agreement, the Interim Order and the DIP Facility Agreement, and (iii) the Company’s current and periodic reports, including those listed below (the “*Exchange Act Reports*”), which were filed by the Company with the Securities and Exchange Commission (the “*SEC*”) pursuant to the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder, and which are available on the SEC’s website at www.sec.gov:

Participating in the DIP Facility entails risks, including the risk that the Company may be unsuccessful executing its business plan, that variances in the Budget under the DIP Facility may occur, and that the Company may fail to confirm a Chapter 11 Plan and exit from bankruptcy, and as a result, the Company may be unable to repay all or part of your Commitment. The Debtors are operating as debtors-in-possession under Chapter 11. The continuation of the Company as a going concern is contingent upon, among other things, the Company's ability to develop a plan of reorganization and to obtain approval of such plan under the applicable provisions of the United States Bankruptcy Code. The risks inherent in lending to a company operating under Chapter 11 are materially higher than normal and there is no assurance that any of the conditions described above will be met. There is a material risk that the Company will not be able to develop a feasible plan of reorganization or obtain the necessary approvals thereof, in which case it may be unable to reorganize under Chapter 11. In addition, if the Company is unable to successfully maintain compliance and satisfy the terms of the DIP Facility or Restructuring Support Agreement, it may be unable to meet its obligations under the DIP Facility. In either case, the Company may be unable to repay loan amounts borrowed from you and you may lose all or part of your DIP Facility Commitment.

This Notice and Instruction Form relates only to the opportunity to participate in the DIP Facility.

SCHEDULE A

Fronting Terms

By electing to subscribe to be a DIP Creditor in the DIP Facility, each Participating Holder agrees to enter a trade with the DIP Fronting Creditor on the Trade Date with the following terms of trade:

All interest and regularly accruing fees accrued prior to but excluding the Settlement Date shall be for the account of the DIP Fronting Creditor, and all interest and regularly accruing fees accrued from and after the Settlement Date shall be for the account of the respective Participating Holder, provided that if the Settlement Date does not occur on or prior to the date that is seven (7) Business Days after the Trade Date (the “**Outside Settlement Date**”) primarily on account of actions or inaction of the DIP Fronting Creditor, then all such interest and regularly accruing fees accrued from and after the Outside Settlement Date shall be for the account of the Participating Holder.

If the Settlement Date does not occur on or prior to the Outside Settlement Date primarily on account of actions or inaction of the Participating Holder, then the Participating Holder shall pay to the DIP Fronting Creditor on the Settlement Date an amount equal to interest for the Participating Holder’s respective share of the Initial Term Loans that would accrue for each day during the period from (and including) the Outside Settlement Date to (but excluding) the earlier of (a) the Settlement Date and (b) such date that the non-occurrence of the Settlement Date is no longer primarily on account of actions or inaction of the Participating Holder, in each case at a cost of carry rate reasonably determined by the DIP Fronting Creditor (and customary for secondary loan trades) on an amount equal to the Purchase Price.

The fees and premiums, to the extent received by the DIP Fronting Creditor on the Closing Date, with respect to the relevant Initial Term Loans shall be for the account of the relevant Participating Holder (pro rata in accordance with such Participating Holder’s aggregate Initial Term Loans). For the avoidance of doubt, no Participating Holder shall be entitled to any portion of any fronting fee or other fee payable to the DIP Fronting Creditor on account of its role in fronting the Initial Term Loans or Delayed Draw Term Loan Commitments.

If any party hereto mistakenly receives any interest or fees for which the other party is entitled pursuant to the provisions hereof, such party shall promptly pay such amount to the other party upon notice thereof.

As used herein:

The “**Purchase Price**” shall mean an amount equal to, with respect to each Participating Holder, 100% of the original principal amount of such Participating Holder’s respective share of the amount fronted by the DIP Fronting Creditor in respect of the Initial Term Loans funded by the DIP Fronting Creditor.

The “**Settlement Date**” shall mean the date that the Participating Holder’s respective share of fronted Initial Term Loans or Delayed Draw Term Loan Commitments are acquired by the Participating Holder and the Assignment and Acceptance (or similar agreement) is made effective against payment of the Purchase Price (net of fees and premiums, as applicable) to the DIP Fronting Creditor.

The “**Trade Date**” shall mean the date that is three (3) Business Days following completion of the Syndication and the DIP Fronting Creditor’s receipt of the respective Participating Holder’s allocation pursuant to the Syndication, unless otherwise agreed by the DIP Fronting Creditor and such Participating Holder in writing (email being sufficient).
